Re: OceanaGold Corporation – Short Form Prospectus dated December 12, 2012

I, Rodney Thomas Redden, B.E. (Mining), MAusIMM, consent to being named in OceanaGold Corporation's final short form prospectus dated December 12, 2012 (the "Final Prospectus") including, without limitation, to being named under the heading "National Instrument 43-101" and under "Interests of Experts", and to the use and reference of the technical reports entitled "Technical Report for the Macraes Project located in the Province of Otago, New Zealand" dated February 12, 2010 and "Technical Report for the Didipio Project Located in Luzon, Philippines" dated July 29, 2011 (the "Technical Reports") in the Final Prospectus and the extracts from, or a summary of, the Technical Reports in the written disclosure contained in the Final Prospectus and the documents incorporated by reference therein.

I hereby confirm that I have read the Final Prospectus, including the written disclosure of the Technical Reports summarized in the Final Prospectus and the documents incorporated by reference therein and I have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Reports or within my knowledge as a result of the services performed by me in connection with the preparation of the Technical Reports.

DATED the 12th day of December, 2012.

"Rodney Thomas Redden"

Rodney Thomas Redden
B.E. (Mining), MAusIMM
