RESULTS FOR THE YEAR ENDED 31 DECEMBER 2020

FINANCIAL HIGHLIGHTS

	As at 31 Dec 2020	As at 31 Dec 2019	Year-on-year change
Share price	901.0p	840.0p	+7.3%
NAV per share ²	933.9p	875.9p	+6.6%
Total dividend ²	14.38p	13.96p	+3.0%

PERFORMANCE HIGHLIGHTS

- In 2020 the Company's share price increased to a near record high and Total Shareholder Return (TSR) amounted to 9.4% (2019: 24.3%).
- The Company's Net Asset Value (NAV) Total Return¹ was 8.5% (2019: 23.1%) while the Company's benchmark index, the MSCI All Country World Index (MSCI ACWI), returned 12.7% (2019: 21.7%).
- The Company's TSR and Equity Portfolio Total Return, before fees, are in line with the benchmark for the period between 1 April 2017 (when the Company appointed its Investment Manager) and 31 December 2020.
- The portfolio remains structured for long-term growth and has delivered a resilient performance in a year of global turmoil in which the benchmark return was skewed by the performance of the very largest companies.
- Partly assisted by the benefit of accumulated reserves, the Company has increased its total ordinary dividend by 3% in 2020, marking the 54th consecutive annual increase.

Gregor Stewart, Chairman of Alliance Trust PLC, commented:

"Despite the unparalleled turbulence of 2020, the Company ended the year with its share price at a near record level and its run of increasing dividends extended to 54 consecutive years. It is disappointing that the Company did not outperform its benchmark, but this is not surprising given that index returns were heavily skewed towards a handful of US large and mega-cap stocks. As the roll out of vaccines develops and the global economic recovery broadens out across industry sectors, your Board and our Investment Manager remain confident that the Company's diversified but high conviction portfolio is well placed to deliver long-term outperformance."

Dear Shareholder

INTRODUCTION

The purpose of this letter is to give you an explanation of the Resolutions to be proposed at the 133rd Annual General Meeting ('AGM') of the Company which will be held at our office at River Court, 5 West Victoria Dock Road, Dundee DD1 3JT on Thursday 22 April 2021 at 11.00am and to seek your approval of them. Due to the continuing restrictions and concerns about public health, attendance will be restricted to only a limited number of Board members and representatives from the Company to meet the minimum quorum of shareholders required to conduct the AGM. With this in mind, shareholders are strongly encouraged to exercise their vote by appointing the Chairman of the AGM as their only proxy and providing voting instructions in advance of the meeting. Through our website Shareholders will be able to view the meeting live and can either submit questions in advance of the meeting or during the meeting itself. We enclose a separate document that explains what we are doing in more detail and how you can view the meeting, ask questions and ensure that your vote is counted. It is likely that I will be the only Director physically present at the AGM with other Directors attending by video. We will keep shareholders updated on arrangements for the AGM through our website and in the event of any significant change on the website of the London Stock Exchange via a Regulatory Information Service. The Notice of AGM is set out on pages 8 and 9 of this document.

In addition to the ordinary business of the AGM (Resolutions 1 and 2 and 4 to 13 inclusive) shareholders will be asked to approve the following resolutions; approval of our dividend policy, this was approved by shareholders at our last AGM and reaffirms our aim to provide a rising income (Resolution 3); approval for the conversion of our merger reserve to a distributable reserve, this will give the directors more flexibility in the future as to the use which can be made of this reserve (Resolution 14); approval of changes to our Articles of Association, this will provide more flexibility where we are unable to hold General Meetings in person (Resolution 15); the renewal of the share buyback authority with the authority to hold shares in treasury and to sell them into the market at a later date (Resolution 16); to approve the sale of treasury shares without the Company having to offer them first to existing shareholders in proportion to their existing holdings (Resolution 17) and to permit a general meeting, other than an AGM, to be held on 14 days' notice (Resolution 18). Each resolution is described below.

RESOLUTION 1

The Directors must present the accounts, Directors' report and Auditor's report for the previous financial period to shareholders at the AGM and the shareholders are being asked to receive them.

RESOLUTION 2

The shareholders are asked to approve the Remuneration report as set out on pages 60 to 65 of the Annual Report (excluding the Directors' Remuneration Policy which was approved at our last AGM). There are no changes to the levels of fees being paid for 2021.

RESOLUTION 3

Since 2006 the Company has paid quarterly interim dividends on or around the ends of June, September, December and March. Due to the timing of our AGM, in April or May, the Company has not proposed a final dividend (paid in March) to the AGM for approval preferring to give shareholders certainty of the dates on which they will receive their income.

Recognising that shareholders should be able to make their views on the Company's dividend known, the Board has decided to submit its Dividend Policy to shareholders for approval each year. The Company will continue to have a progressive dividend policy, paying a dividend that increases year on year. The wording of the Policy is set out here:

Subject to market conditions and the Company's performance, financial position and outlook, the Board will seek to pay a dividend that increases year on year. The Company expects to pay four interim dividends per year on or around the last day of June, September, December and March and will not, generally, pay a final dividend for a particular financial year.

In determining the level of future dividends, the Board will take into account factors such as any anticipated increase or decrease in dividend cover, projected income, inflation and yield on similar investment trusts.

The Board will seek to use the income from investments to satisfy its dividend payments, but may also, when this income is insufficient, use part of the Company's distributable reserves. In addition, should there be a year, in which income is unexpectedly high, some of that income may be retained in the distributable reserves or a special dividend may be declared.

RESOLUTIONS 4 TO 9

Our Articles of Association require that all Directors stand for re-election on the third anniversary of their election or previous re-election. The Board has decided that every Director should stand for annual re-election. The Board recommends that all of the Directors be re-elected as Directors. This follows a formal performance evaluation which concluded that each Director who is being proposed for re-election continues to provide an effective contribution to the performance of the Board and is committed to his or her role as a Director of your Company. You can find their biographies on pages 42 and 43 of the Annual Report, on the Company's website and on pages 6 and 7 of this document.

RESOLUTIONS 10 AND 11

Sarah Bates and Dean Buckley were appointed Directors on 4 March 2021 and accordingly require to be elected by shareholders at this, their first, AGM. You can find their biographies on page 7 of this document and on the Company's website.

RESOLUTION 12

The shareholders are required to appoint auditors at each general meeting at which accounts are presented. This resolution proposes the reappointment of BDO LLP as the Company's auditor. BDO LLP were selected after a tender exercise involving a number of auditing firms and replaced Deloitte LLP as our auditors last year.

RESOLUTION 13

This resolution gives authority to the Directors to determine the remuneration of the auditor.

RESOLUTION 14

The Board recognises that there may be occasions, such as in 2020, when the Company's income is insufficient to meet the cost of an increased dividend and part of its distributable reserves may need to be used to meet the cost. The Company currently cannot use its Merger Reserve (£645.3m) for the payment of dividends. The Board is proposing to convert its Merger Reserve into a distributable reserve (the 'Capital Reduction') which could, if necessary, be used to support the payment of dividends. This is a process which requires both shareholder and Court approval.

Even if approved by shareholders and the Court, the Board has no current intention of making immediate use of the funds forming the Merger Reserve but the proposal is being recommended as a means of providing additional flexibility in the future. More detail is provided on page 5 of this document.

RESOLUTION 15

The Company's Articles of Association were amended last year. What had not been foreseen was the impact of the Covid-19 pandemic on the holding of statutory company meetings. Many companies, like Alliance Trust, found they were unable to hold physical meetings and temporary legislation was passed to allow companies to hold meetings virtually. The purpose of the amendments proposed are to give the Company more flexibility around the holding of meetings. While the New Articles (if adopted) would permit shareholder meetings to be conducted using electronic means, the Directors have no present intention of holding a virtual-only meeting. These provisions will only be used where the Directors consider it is in the best interests of shareholders for hybrid or virtual-only meetings to be held. Nothing in the New Articles will prevent the Company from holding physical shareholder meetings. The full terms of the proposed amendments to the Company's articles of association can be found on the Company's website, www.alliancetrust.co.uk. A summary of the principal amendments being introduced in the New Articles is set out on page 6 of this document. Other amendments, which are of a minor, technical or clarifying nature, have not been summarised.

RESOLUTION 16

This resolution seeks authority for the Company to make market purchases of its ordinary shares and is proposed as a special resolution. If passed, the resolution will give authority for the Company to purchase up to 47,680,593 of its ordinary shares, representing 14.99% of the Company's issued ordinary share capital as at 3 March 2021.

The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire on the earlier of 15 months after the passing of this resolution and the Company's AGM that will be held in 2022.

The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally and consider the effect will be to increase the net asset value per share.

This year we are again asking shareholders to authorise the Company to hold the shares which it has purchased as treasury shares and then have the option to either cancel the shares or resell them for cash into the market at a later date. We did not make use of this authority in 2020. However, it gives the Company more flexibility to manage any discount or premium and to balance supply and demand.

As at 3 March 2021 (being the latest practicable date prior to the publication of this Notice) there were no outstanding warrants or options to subscribe.

RESOLUTION 17

If the Directors wish to sell treasury shares for cash, company law requires that these shares are offered first to shareholders in proportion to their existing holdings. The purpose of this resolution is to authorise the Directors to sell treasury shares for cash either in connection with a pre-emptive offer or rights issue or otherwise up to a nominal value of £397,603 equivalent to five per cent of the total issued ordinary share capital of the Company, excluding treasury shares, as at 3 March 2021, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. The Board does not intend to sell treasury shares for cash on a non pre-emptive basis in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders.

The Directors will only sell shares held in treasury at a premium to the net asset value and where it is in the best interests of shareholders generally. In no circumstances would the Directors use the authority to dilute the interests of existing investors by selling shares at a price which would result in the dilution of the net asset value per share.

The Directors do not require authority pursuant to section 551 of the Companies Act 2006 to sell treasury shares.

RESOLUTION 18

Our Articles of Association permit general meetings other than AGMs to be held on 14 days' notice. However, under the Companies (Shareholders' Rights) Regulations 2009 companies are only able to opt for a notice period of 14 days in respect of general meetings other than the AGM if it is annually authorised at the AGM each year. The shareholders approved this resolution at previous AGMs and the renewal of this authority is proposed. The Company will not use this power to enable us to hold meetings at short notice as a matter of routine but only where the circumstances justify it and it is thought to be in shareholders' interests to do so.

RECOMMENDATION

Your Directors believe that the proposed resolutions are in the best interests of the Company and its shareholders and unanimously recommend that you vote in favour of them. The Directors intend to vote in favour of all of the resolutions.

Yours sincerely,

Gregor Stewart
Chairman

MERGER RESERVE REDUCTION

Under certain circumstances, such as where shares are issued in consideration for the acquisition of shares in another company, an amount is credited to an accounting reserve known as a 'Merger Reserve'. A Merger Reserve can only be used in very limited circumstances by the Company. It is therefore proposed to capitalise the entire sum standing to the credit of the Company's Merger Reserve, being £645,335,149.32, by applying that sum in paying up in full new deferred ordinary shares in the capital of the Company (whereby the nominal value of such shares is equal to the sum that is obtained by dividing the number of such shares to be issued into £645,335,149.32) (the 'Deferred Shares') and on the day prior to the day of the Court Hearing, allotting and issuing such shares by way of a bonus issue to the persons holding ordinary shares as at 6.00pm on such day, on the basis of one Deferred Share for every one ordinary share held (the 'Bonus Issue').

The Deferred Shares will not be admitted to trading on the main market of London Stock Exchange plc or any other market. No share certificates will be issued in respect of the Deferred Shares. The Deferred Shares will have extremely limited rights; in particular, the Deferred Shares will carry no rights to participate in the profits of the Company and no rights to participate in the Company's assets, save on a winding up.

Whilst Deferred Shares will be transferable, no market is expected to exist in them and it is anticipated that the Court will confirm their cancellation the day after they are issued.

SHAREHOLDER APPROVAL

Your approval is being sought to carry out the Capital Reduction pursuant to the special resolutions (Resolution 14) set out in the Notice.

COURT APPROVAL

In addition to the approval by the shareholders, the proposed Capital Reduction requires the confirmation of the Court. Accordingly, assuming approval of the proposed Capital Reduction by shareholders, an application will be made to the Court in order to confirm and approve the proposed Capital Reduction. In seeking such approval, the Court may require protection for the creditors (including contingent creditors) of the Company whose debts remain outstanding on the relevant date, except in the case of creditors which have consented to the proposed Capital Reduction. Any such creditor protection may include seeking the consent of the Company's creditors to the proposed Capital Reduction or the provision by the Company to the Court of an undertaking to deposit a sum of money into a blocked account created for the purpose of discharging, in due course, any amounts owing to the non-consenting creditors of the Company.

As at 28 February 2021 (being the latest practicable date prior to the date of this notice), the Company currently owes no more than approximately £368 million to its creditors (which includes amounts owing to its managers and professional advisers, bank and loan note borrowings, general trade creditors and accruals).

It is anticipated that the hearing for first orders in relation to the proposed Capital Reduction will take place in the week commencing 10 May 2021, with the final hearing by the Court to confirm the proposed Capital Reduction ('Court Hearing') taking place in the week commencing 5 July 2021 and the proposed Capital Reduction becoming effective on the following day, following the necessary registration of, amongst other things, the order of the Court confirming the proposed Capital Reduction (the 'Court Order') at Companies House.

The Board reserves the right to abandon or to discontinue (in whole or in part) the application to the Court in the event that the Board considers that the terms on which the proposed Capital Reduction would be (or would be likely to be) confirmed by the Court would not be in the best interests of the Company and/or the shareholders as a whole. The Board have undertaken a thorough and extensive review of the Company's liabilities (including contingent liabilities) and considers that the Company will be able to satisfy the Court that, as at the date on which the Court Order relating to the proposed Capital Reduction and the statement of capital in respect of the proposed Capital Reduction have both been registered by the Registrar of Companies at Companies House and the proposed Capital Reduction therefore becomes effective, the Company's creditors will either have consented to the proposed Capital Reduction or be sufficiently protected.

The process will not reduce the total capital of the Company but, if approved, will increase the proportion of the Company's reserves capable of being distributed in the future.

SUMMARY OF THE PRINCIPAL AMENDMENTS TO THE COMPANY'S ARTICLES OF ASSOCIATION

Set out below is a summary of the principal amendments which will be made to the Company's Existing Articles through the adoption of the New Articles if Resolution 15 to be proposed at the AGM is approved by shareholders.

This summary is intended only to highlight the principal amendments to the Existing Articles. It is not intended to be comprehensive and cannot be relied upon to identify amendments or issues which may be of interest to all shareholders. This summary is not a substitute for reviewing the full terms of the New Articles which will be available for inspection on the Company's website, www.alliancetrust.co.uk, from the date of the AGM Notice until the close of the AGM.

Hybrid/virtual-only shareholder meetings

The New Articles permit the Company to hold shareholder meetings on a virtual basis, whereby shareholders are not required to attend the meeting in person at a physical location but may instead attend and participate using electronic means. A shareholder meeting may be virtual-only

if attendees participate only by way of electronic means, or may be held on a hybrid basis whereby some attendees attend in person at a physical location and others attend remotely using electronic means. This should make it easier for the Company's shareholders to attend shareholder meetings if the Board elects to conduct meetings using electronic means. Amendments have been made throughout the New Articles to facilitate the holding of hybrid or virtual-only shareholder meetings.

While the New Articles (if adopted) would permit shareholder meetings to be conducted using electronic means, the Directors have no present intention of holding a virtual-only meeting. These provisions will only be used where the Directors consider it is in the best of interests of shareholders for a hybrid or virtual-only meeting to be held. Nothing in the New Articles will prevent the Company from holding physical shareholder meetings.

In addition updates have been made to the articles to allow postponement of general meetings.

NOTES:

1. Holders of Ordinary Shares are entitled to attend and vote at General Meetings of the Company and, while in normal circumstances members are encouraged to attend the AGM, in light of the current Government guidance restricting gatherings, members are requested not to attend the AGM in person. Members arriving at the venue will not be permitted access to the AGM. If these arrangements change, members will be notified by the Company via its website and a Regulatory Information Service. The total number of issued Ordinary Shares in the Company on 3 March 2021, which is the latest practicable date before the publication of this Notice, is 318,082,681 Ordinary Shares. On a vote by show of hands every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote. In light of the restrictions on attendance, all votes will be taken on a poll.
2. All members entitled to attend and vote have the right to appoint a proxy to attend and vote at the meeting instead of them. A Form of Proxy is enclosed with this Notice. A proxy need not be a member of the Company. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different Ordinary Share or Ordinary Shares held by the shareholder. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting in person.

Holders of Ordinary Shares through Interactive Investor Services Limited, who previously held their shares through Alliance Trust Savings Limited, are not members of the Company, as the Ordinary Shares are registered in the name of that company's nominee, but may normally attend and vote at the meeting by being appointed a proxy for their own shareholding. In normal circumstances you would be encouraged to attend the AGM, in light of the current Government guidance restricting gatherings, you are requested not to attend the AGM in person. If you arrive at the venue you will not be permitted access to the AGM. If these arrangements change, you will be notified by the Company via its website and a Regulatory Information Service. A Form of Direction is enclosed with this Notice and should only be returned if appointing the chairman to be your proxy.
3. To be effective the instrument appointing a proxy, and any power of attorney or other authority under which it is signed (or a notarially certified copy of any such power or authority), must be sent to the Company's registrars at the address shown on the Form of Proxy or lodged electronically at www.investorcentre.co.uk/eproxy or by CREST members using the CREST proxy voting service (see note 6 on the Form of Proxy) in each case, not less than 48 hours before the time for holding the meeting or adjourned meeting. Forms of Direction must be received by the Company's registrars no later than 11.00am on 15 April 2021 or lodged electronically at www.eproxyappointment.com by that time.
4. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Annual General Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same Ordinary Shares. It is no longer necessary to nominate a designated corporate representative. Please, however, note the restrictions on attendance at the Annual General Meeting in light of the ongoing COVID-19 restrictions. In light of these restrictions, corporate members are encouraged to appoint the Chairman of the Annual General Meeting as their proxy and to provide voting instructions in advance of the Annual General Meeting.
5. The right to appoint a proxy does not apply to persons whose Ordinary Shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ("Nominated Persons"). Nominated Persons may have a right under an agreement with the member who holds the Ordinary Shares on their behalf to be appointed or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the Ordinary Shares as to the exercise of voting rights. Any statement of the rights of shareholders in relation to the appointment of proxies does not apply to Nominated Persons as these rights can only be exercised by shareholders of the Company.
6. Copies of the terms and conditions of appointment of all Directors are available for inspection at the Company's registered office during business hours on any weekday (public holidays excluded) and will also be available for inspection at the place of the meeting for 15 minutes before and during the meeting.
7. The Company must cause to be answered at the Annual General Meeting any question relating to the business being dealt with at the Annual General Meeting which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable, in the interests of the Company or the good order of the meeting, that the question be answered or if to do so would involve the disclosure of confidential information.
8. The following information is, or will be, available on the Company's website (www.alliancetrust.co.uk): (i) the contents of this notice of the Annual General Meeting; (ii) the total numbers of (a) shares in the Company, and (b) shares of each class, in respect of which members are entitled to exercise voting rights at the Annual General Meeting; (iii) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares of each class; and (iv) any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the registrar's website www.euroclear.com/ CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the meeting or any adjournment. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
13. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11 am on Tuesday 20 April 2021 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

14. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 and Section 311 of the Companies Act 2006, the Company specifies that to be entitled to attend and vote at the General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company no later than 6pm on 20 April 2021 or, in the event that the meeting is adjourned, 6pm on the day two business days prior to any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
15. Any person holding 3 per cent. or more of the total voting rights of the Company who appoints a person other than the Chairman of the meeting as their proxy will need to ensure that both they and their proxy comply with their respective disclosure obligations under the UK Disclosure and Transparency Rules.
16. A copy of the proposed new articles of association of the Company, together with a copy showing all of the proposed changes to the existing articles of association, will be available for inspection on the Company's website, www.alliancetrust.co.uk, from the date of the AGM Notice until the close of the AGM, and will also be available for inspection at the venue of the AGM from 15 minutes before and during the AGM. In the event that the current Coronavirus related restrictions are lifted before the AGM, a hard copy of these documents will also be available for inspection during normal business hours at the offices of the Company at River Court, 5 West Victoria Dock Road, Dundee, Scotland, DD1 3JT and the offices of Dickson Minto W.S. at Level 13, Broadgate Tower, 20 Primrose Street, London EC2A 2EW on any weekday (Saturdays, Sundays and public holidays excluded) until the close of the AGM.
