

Personas Launched in iOS and Android AppStores

TORONTO, May 21, 2019 -- Peeks Social Ltd. (TSXV:PEEK) (OTCQB:PKSLF) ("Peeks Social" or "the Company") is pleased to report that the Personas Social Network ("Personas") is now live and available for download in both the iOS and Android Appstores.

The Company released Personas over the weekend and will be working on continuous improvements to both the service and features including, but not limited to: group chats, groups, events, the Get Popular Feature from Peeks and other innovative features.

Personas is an ecommerce enabled video and image sharing social network that provides users with a video chat-based payments system (ChatCash). Personas' ChatCash service allows users to provide (and charge for) one-on-one private tutorials, consulting services, help desk services and any other service that is typically delivered through one-on-one chat.

Personas can be downloaded in either the Google or Apple Appstores.

The Peeks Social App can be downloaded in either the Google or Apple AppStores, or by visiting www.peeksocial.com
