Forward-Looking Statements

This news release contains forward-looking statements relating to the expected timing of the filing of the Annual Filings. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Corporation's expectations are risks detailed from time to time in the filings made by the Corporation with securities regulations. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Corporation will update or revise publicly any of the included forward-looking statements as expressly required by Canadian securities law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this Release.
