Mr. Buffington:

West Kirkland Mining, Inc. ("WKM") is pleased to submit this letter Agreement (the "Letter Agreement") setting forth the principal terms and conditions on which ANV agrees to sell to WKM, and WKM agrees to purchase from ANV, the twenty-eight (28) patented mining claims and five hundred eighty-three (583) unpatented mining claims encompassing twelve thousand six hundred sixty acres, more or less ("Hasbrouck") located in Esmeralda County, Nevada, U.S.A. and the nearby one hundred (100) unpatented mining claims and six (6) patented claims, comprising one thousand eight hundred ninety acres, more or less ("Three Hills"), located in Nye County and Esmeralda County, Nevada, U.S.A., more particularly described in Exhibit A to that certain Confidentiality Agreement, dated July 29, 2013, between WKM and Allied Nevada Gold Corp. ("ANV"), together with certain exploration properties, (the "Property"), all owned directly or indirectly by ANV or Allied VNC Inc., a Nevada corporation ("ANVC"), attached hereto as Exhibit "1". The Property is further depicted in the map attached hereto as Exhibit "2". The proposed asset acquisition shall include, without limitation, all the real property, claims, water rights, improvements, permits, bonds, equipment, personal property, and intellectual property located on or used in the operation or exploration of the Property. The Property shall be free and clear of all liens and encumbrances, except those of record and those disclosed in writing by Allied VNC Inc.

1. Purchaser. The purchaser of the Property will be WKM or an affiliate of WKM designated by WKM, provided, however that WKM shall guarantee and remain liable to ANVC for all obligations under the Purchase and Sale Agreement ("PSA").

2. Purchase Price. Consideration for the purchase will be Thirty Million Dollars (US\$30,000,000) (the "Purchase Price"), to be paid as follows:

(a) The sum of Five Hundred Thousand Dollars (\$500,000) shall be paid in cash upon the acceptance of this Letter Agreement by ANVC in consideration of the rights granted to WKM under this Letter Agreement and the agreement of ANV and ANVC to deal exclusively with WKM. The \$500,000 shall be non-refundable except in the event that the right of first offer is exercised by a party having such a

right

(b) The sum of Nineteen Million Five Hundred Thousand Dollars (US\$19,500,000) shall be paid in cash at Closing, which shall occur no later than 90 days after the execution of this Letter Agreement (the "Date of Closing"), at which time title to the Property shall be transferred from ANVC to WKM.

(c) The sum of Ten Million Dollars (US\$10,000,000) shall be paid within thirty (30) months after the Date of the Closing (the "Final Payment Date").

(d) If WKM does not make payment to ANVC of the Ten Million Dollars on or before the Final Payment Date, then the Property shall be transferred into a Joint Venture and WKM shall transfer to ANVC by deed a twenty-five percent (25%) interest in the Joint Venture prior to the Final Payment Date. The initial form of Joint Venture operating agreement shall be prepared by WKM's counsel and the parties shall negotiate in good faith the final form of the operating agreement. A copy of the operating agreement shall be attached as an exhibit to the PSA. The parties shall transfer title to the property to the Joint Venture which shall be a Nevada limited liability company ("LLC"). The LLC operating agreement shall be based on the Rocky Mountain Mineral Law Foundation Form 5LLC-5 ("Form 5") which shall provide (1) the parties' initial membership interests shall be WKM 75% and ANVC 25%; (2) the total of the parties' initial contributions to the LLC shall be deemed to be \$30,000,000 of which \$22,500,000 shall be WKM's initial contribution and \$7,500,000 shall be ANVC's initial contribution; (3) on or before November 1 of each year, the LLC manager shall prepare and deliver to the non-manager(s) a detailed proposed budget and program for the following calendar year; the proposed budget must be approved by the holders of a majority of the members' interests; (4) each member may elect to participate in full, in part or not at all in the funding of a proposed budget and program, and the members' interests shall be adjusted to proportion of the parties' initial contributions and subsequent contributions to approved budgets and programs; (5) if a member's interest is reduced to less than ten percent (10%), such member shall be deemed to have withdrawn from the LLC and its member's interest shall be transferred to the non-withdrawing member(s) and the withdrawing member's interest shall be converted to a 3.5 % net profits royalty interest granted by the LLC to the withdrawing member (with net profits to be determined after the LLC's recoupment of capital expenditures, by amortization or depreciation, and operating expenses); (6) each member's right to transfer its membership interest shall be subject to the other member(s) right of first refusal to purchase the membership interest of the transferor in accordance with Form 5; (7) WKM shall be the initial manager of the Joint Venture and shall remain the manager so long as it maintains a fifty percent (50%) or greater membership interest in the LLC or, if the LLC has more than two members, a plurality of the members' interests; (8) the manager's obligation is to maintain the LLC property in good standing at all times and the manager will be reimbursed by the LLC a management fee of 10% of the actual cost of the manager's personnel related expenditures incurred to oversee the business of the LLC with a limitation of \$500,000 in any annual period ; and (9) such other terms generally included in joint venture operating agreements in the mining industry in Nevada.

(e) In the event that WKM offers payment of the Ten Million Dollars, ANVC shall have the option to decline the payment of the Ten Million Dollars in which event the Property shall be transferred into a Joint Venture and WKM shall transfer

to ANVC by deed a twenty-five percent (25%) interest in the Joint Venture prior to the Final Payment Date. WKM shall request notice of ANVC's intention to decline the payment of the Ten Million Dollars no later than 26 months after the Date of the Closing, and ANVC shall provide such notice of their intention to decline the payment no later than 27 months after the Date of the Closing. If WKM does not offer payment to ANV prior to 26 months after the Date of Closing, then the Property shall be transferred into a Joint Venture and WKM shall transfer to ANV by deed a twenty-five percent (25%) interest in the Joint Venture prior to the Final Payment Date. If ANVC does not respond to WKM's offer of payment of the Ten Million Dollars prior to 27 months after the Date of the Closing, it is assumed that ANVC has accepted the offer of payment and payment of the Ten Million Dollars is to be made on or before the Final Payment Date.

3. Form of PSA. The initial form of the detailed PSA shall be prepared by WKM's counsel within 30 business days of the parties signing this Letter Agreement and the parties shall negotiate in good faith the final form of the PSA.

4. Title. Regarding the unpatented mining claims which constitute all or a portion of the Property, ANVC represents that:

(a) the claims were located in accordance with applicable Federal and state laws and regulations; ANVC makes the foregoing representation to its knowledge in respect of the unpatented mining claims which were located by third parties. ANVC has no personal knowledge of the actions taken by third party locaters in the chain of title;

(b) all assessment work requirements for the claims have been performed, all filings and recordings of proof of performance have been completed and all Federal and other applicable annual unpatented mining claim maintenance and rental fees have been paid;

(c) the claims are in good standing, and ANVC holds record title to the claims subject to the paramount title of the United States and other matters of title disclosed in writing by ANVC;

(d) ANVC has the authority and right to convey the interests described in this Letter Agreement; and

(e) the claims are free and clear of all liens, claims, encumbrances, production royalties and security interests created by, through or under ANVC, except as otherwise provided in this Letter Agreement or disclosed in writing by ANVC.

WKM acknowledges that the Property is situated in a historic mining district and that ANVC has disclosed in writing to WKM that conflicts exist or may exist among certain of the unpatented mining claims included in the Property. WKM also acknowledges that certain of the unpatented mining claims included in the Property underlie a public highway and that the lands within the federal highway are withdrawn from location under the mining law. ANVC makes no representation or warranty concerning the discovery or presence of valuable minerals on the unpatented mining claims which comprise all or a portion of the Property. In respect of unpatented mining claims located by third parties, ANVC makes the representations in (a) and (b) (regarding annual assessment work) to ANVC's best knowledge. Title to the Property will be conveyed at closing by Grant, Bargain and Sale Deed. The Property will include any associated surface rights, access rights, water rights,

permits and other associated real and personal property. WKM understands that the Property will be conveyed subject to net smelter returns royalties of approximately four percent (4%) on Hasbrouck and two percent (2%) on Three Hills, as shown on the spreadsheet furnished to WKM by ANV and attached to this Letter Agreement. WKM acknowledges the existence of the obligation to pay federal annual mining claim maintenance fees and the duty of the owner of unpatented mining claims to pay such fees.

5. Conditions. WKM's obligations to close the transaction under this Letter Agreement are subject to the following conditions:

(a) Satisfactory completion, in WKM's sole judgment, of legal, title and environmental diligence with respect to the Property. The transaction shall be subject to WKM's satisfaction on title (including pending or threatened litigation), and no environmental liability arising prior to the Date of Closing. WKM is obligated to notify ANVC of objections to title and other conditions within 50 days after the date of this Letter Agreement and is obligated to deliver to ANVC copies of WKM's environmental investigative reports. If WKM objects to any matter identified in its investigation, it may terminate this Letter Agreement or it may elect to proceed with the Closing.

(b) Completion and the parties' execution of the PSA, financing, board approvals, regulatory approvals and other customary conditions in the mining industry for similar assets sales.

(c) That no Material Adverse Effect shall have occurred, prior to the Date of Closing. "Material Adverse Effect" shall mean any event, occurrence, or development affecting the Property which would be reasonably expected to result in a material permanent decrease in the value of the Property.

6. Access, Permitting and Safety.

(a) ANVC agrees that beginning on the date it accepts this Letter Agreement and during the term of this Letter Agreement, it will provide WKM, its partners, contractors, consultants, and banks or other financial professionals with access to all assays, drill hole data, other data, studies, title information, agency correspondence, notices of violation, reports and other information in its possession related to the Property, mineralization or potential mineralization on the Property, and environmental conditions on or affecting the Property (collectively, the "Information"). Recipients of the above information must acknowledge receipt of the Confidentiality Agreement (as defined in Section 7) and their agreement to be bound thereunder. ANVC will also assist, if requested, with obtaining access to governmental agencies having jurisdiction over its permits. ANVC shall deliver copies of all title reports and opinions in its custody or possession regarding the Property to WKM, within ten (10) days after accepting this Letter Agreement.

(b) WKM and its partners, contractors, consultants and banks or other financial professionals shall be provided access to the Property for examination and testing of the Property. WKM agrees that it will comply with all permits and other authorizations held by ANVC and ANVC's safety rules with respect to the Property and ANVC agrees that it will facilitate such activities under such permits to the extent it can legally do so. In carrying out the foregoing, WKM will comply with the requirements of OSHA or MSHA, when applicable, and to the safety rules and regulations required by ANVC of its employees and contractors and shall defend,

indemnify and hold ANVC harmless for any failure to so comply. ANVC will have the right to have one or more observers present at all operations conducted by WKM on the Property.

7. Confidentiality. The terms and conditions of this Letter Agreement and all Information and other information disclosed in writing during the course of the discussions between the parties concerning the proposed PSA will be and remain governed by the Confidentiality Agreement, dated July 29, 2013, (the "Confidentiality Agreement") between WKM and ANV, which shall survive termination of this Letter Agreement. WKM shall inform all recipients of data and information of the existence of the Confidentiality Agreement and the recipients' obligation to comply with its terms.

8. Non-Compete. ANV agrees that the PSA will include a covenant under which ANV agrees, for itself and its successors, that without the prior written consent of WKM, which may be withheld for any reason whatsoever in WKM's sole discretion, ANVC will not compete with WKM within an "Area of Interest" of one (1) mile surrounding the external boundary of the Property as it exists today. This covenant will exist for a period of 30 months following the Date of Closing and will preclude ANVC and its successors from acquiring any right or interest in any patented or unpatented mining claims or any other interest in property or by locating unpatented mining claims within the Area of Interest. Should ANVC come into an ownership position within such one mile area inadvertently, such as resulting from a merger or broader acquisition, ANVC shall offer such position (to the extent it is within the Area of Interest) to WKM for the cost of acquisition.

9. Exclusivity. In consideration of WKM's payment of \$500,000 ANV and its affiliates agree that for a 90-day period commencing on the date of this Letter Agreement, ANV and its affiliates will not enter into any agreement, discussion, or negotiation with, or provide information to, or solicit, encourage, entertain or consider any inquiries or proposals from any other corporation, person or party whomsoever with respect to the disposition, or lease of the Property or any part thereof, or any business combination including the Property.

10. Miscellaneous.

(a) A party's rights under this Letter Agreement, or any of its rights, interests or obligations hereunder, may not be assigned or delegated without the express consent of the other party, except that WKM may assign its rights, interests and obligations to an affiliate, provided that WKM agrees to guarantee the affiliates obligations.

(b) This Letter Agreement and the Confidentiality Agreement are the sole agreements between the parties with respect to the subject matter hereof and supersede all prior understandings, writings, proposals, representations, or communications, oral or written, of either party relating to the subject matter hereof. This Letter Agreement can be modified only by a writing signed by an authorized representative of each party that states it amends this Letter Agreement.

(c) This Letter Agreement may be terminated by WKM and negotiations relating to the proposed definitive agreement may be abandoned by WKM at any time, for any reason, without further obligation of WKM. However, WKM's and ANVC's obligations under Section 6(b), Section 7 and this Section 10 shall survive termination. Both parties shall negotiate in good faith the final form of the PSA. If

all other conditions of this Letter Agreement have been met, including for avoidance of doubt the payment of the \$19,500,000, and the PSA has not been finalized as of 90 days after the execution of this Letter Agreement, this Agreement shall survive until the PSA is finalized."

(d) Each party will bear its own expenses incurred in connection with this Letter Agreement and negotiation and drafting of the PSA.

(e) This Letter Agreement and the PSA will be governed by Nevada law.

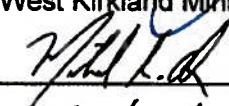

(f) This Letter Agreement may be executed in counterparts, each of which will be deemed an original when one counterpart has been executed by each party.

If this Letter Agreement is consistent with your understanding of our mutual intent that ANV sell the Properties to WKM and that WKM purchase the Properties from ANV, please so indicate by signing in the place provided below, retaining a copy for your records, and returning a copy (by fax or pdf file) to me.
