MANAGEMENT SOLICITATION**

SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of Bold Ventures Inc. (the “Corporation”) for use at the Annual General and Special Meeting of Shareholders (the “Meeting”) of the Corporation to be held at the offices of Gardiner Roberts LLP, Bay-Adelaide Centre- East Tower, 22 Adelaide Street West, Suite 3600, Toronto, Ontario, M5H 4E3, in the Island Boardroom, at the hour of 11:00 o'clock in the morning (Toronto time), on Tuesday, the 8th day of November, 2016, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

NOTICE-AND-ACCESS

The Corporation has elected to use the “notice-and-access” process that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI-54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and non-registered Shareholders of the Corporation as set out in the “Advice to Non-Registered Shareholders” section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. Notice-and-access may be used by issuers in respect of meetings that occur on or after March 1, 2013. The Corporation anticipates that utilizing the notice-and-access process will substantially reduce both postage and printing costs.

The Corporation has posted the Circular, the Corporation’s audited financial statements for the years ended October 31, 2015 and 2014 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended October 31, 2015 (the “**Annual MD&A**”) on the website, www.boldventuresinc.com.

Although the Circular, Annual Financial Statements and Annual MD&A (collectively, the “**Meeting Materials**”) will be posted electronically online, as noted above, the registered and non-registered Shareholders (subject to the provisions set out below under the heading “Advice to Non-Registered Shareholders”) (collectively the “**Notice-and-Access Shareholders**”) will receive a “notice package” (the “**Notice-and-Access Notification**”), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Notice-and-Access Shareholders are reminded to review the Circular before voting.

Notice-and-Access Shareholders who are registered shareholders will not receive a paper copy of the Meeting Materials unless they contact Computershare Investor Services Inc. in which case Computershare Investor Services Inc. will mail the requested materials within three business days of any request provided the request is made prior to the Meeting. Notice-and-Access Shareholders who are registered shareholders can request a copy of the Meeting Materials **without charge** by contacting Computershare Investor Services Inc. at 1-866-962-0498 within North America or at 514-982-8716 outside of North America up to the date of the Meeting, or any adjournment thereof, or thereafter by contacting the Corporation at 416-864-1456 or by email at info@boldventuresinc.com. **Requests for paper copies of the Meeting Materials must be received at least five (5) business days in advance of the proxy deposit date and time set out below, being 11:00 a.m. on Friday, October 28, 2016, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.** Notice-and-Access Shareholders with questions about notice-and-access may contact Computershare Investor Services Inc. at 1-866-964-0492 up to the date of the Meeting, or any adjournment thereof, and thereafter may contact the Corporation at 416-864-1456 or by email at info@boldventuresinc.com. Notice-and-Access Shareholders who are non-registered shareholders should refer to the heading “Advice to Non-Registered Shareholders” below.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy or voting instruction form are officers or Directors of the Corporation (the “**Management Designees**”). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Transfer Agent of the Corporation, **Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1**. A proxy can be executed by the Shareholder or his attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the second last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Notice-and-Access Notification from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) or an Intermediary (as defined in the “Advice to Non-Registered Shareholders” section below) must return the proxy forms, once voted, to Broadridge or their Intermediary, as applicable, for the proxy to be dealt with.

DEPOSIT OF PROXY

By resolution of the Directors duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED BY 11:00 A.M. (TORONTO TIME) ON FRIDAY, NOVEMBER 4, 2016, BEING NOT LESS THAN 48 HOURS, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, PRECEDING THE DATE OF THE MEETING, OR ANY ADJOURNMENT THEREOF, WITH THE CORPORATION’S TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC.,** provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting to revoke a proxy previously delivered in accordance with the foregoing.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder (a “**Non-Registered Holder**”) deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

The Corporation has decided to use Notice-and-Access in accordance with the requirement of NI 54-101 to deliver the Meeting Materials to Shareholders by posting the Meeting Materials on its website www.boldventuresinc.com. The Meeting Materials will be available on the Corporation's website on or before **October 4, 2016**, and will remain on the website for a full year thereafter. The Meeting Materials will also be available on the Corporation's profile on SEDAR at www.sedar.com. The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation's decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from Broadridge. Please complete and return the VIF to Broadridge in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by Broadridge. For purposes of the Meeting, NOBOs who deliver VIFs in accordance with the instructions on the VIF will be otherwise treated the same as registered Shareholders.

Non-Registered Shareholders who are NOBOs may make their request for paper copies of the Meeting Materials **without charge** by calling Broadridge Investor Communication Solutions, Canada's toll free number at 1-877-907-7643 on or before the day of the Meeting, or any adjournment thereof, or thereafter contact the Corporation at 416-864-1456 or by email at info@boldventuresinc.com.

Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out above, being 11:00 a.m. on Thursday, October 27, 2016, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or

- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy, VIF or Voting Instruction Form wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder’s name in the blank space provided. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF or Voting Instruction Form is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the form of proxy or voting instruction form for use at the Meeting will vote the Common Shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED "FOR":**

- (a) election of the Board of Directors as nominated by Management;
- (b) appointment of McGovern, Hurley, Cunningham, LLP as auditors of the Corporation for the ensuing year and authorizing the directors to fix their remuneration;
- (c) ratification of the 2015 Stock Option Plan; and
- (d) to transact such further and other business as may properly come before the said Meeting or any adjournment or adjournments thereof.

ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR.

The form of proxy or voting instruction form confers discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

REQUIRED ANNUAL DISCLOSURE CONCERNING THE CORPORATION

EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6 for Venture Issuers (the “**Form**”), as such term is defined in National Instrument 51-102.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Corporation’s executive compensation objectives and processes and discusses compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During its fiscal year ended October 31, 2015, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of the Corporation:

- Richard Nemis, President and Chief Executive Officer;
- Rodger Roden, Chief Financial Officer;
- David Graham, Executive Vice-President; and

The Corporation has a compensation committee (the “**Compensation Committee**”) which reviews the compensation of the Named Executive Officers, directors and officers, including the granting of stock options, and makes recommendations to the full Board. The Compensation Committee consists of three (3) independent directors, Jim Glover, Gary F. Zak and Ian Brodie-Brown (Chairman). The Compensation Committee meets on an ad hoc basis as

needed; determines and reviews remuneration arrangements for the directors and the executive team; assesses the appropriateness of the nature and amounts of compensation of such officers on a periodic basis by reference to relevant employment market conditions; and makes recommendations to the board on these matters with a view to ensuring maximum shareholder benefit from the retention of a high quality executive team.

Compensation Objectives and Principles

The Corporation is a mineral exploration company with property interests located in Ontario. The Corporation has no revenues from operations and often operates with limited financial resources. As a result, to ensure that funds are available to complete scheduled programs, the Compensation Committee has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the Named Executive Officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the Named Executive Officers with the interests of the Corporation. The other two elements of the compensation the Corporation awards to its Named Executive Officers are: (i) base cash consulting fees; and (ii) in applicable circumstances, cash bonus payments for achievement of stated milestones or benchmarks. The Corporation does not provide its Named Executive Officers with perquisites or personal benefits that are not otherwise available to all of our employees.

Compensation Processes and Goals

The deliberations of the Compensation Committee are conducted in a special session from which management is absent. These deliberations are intended to advance the key objectives of the compensation program for the Corporation's Named Executive Officers. At the request of the Compensation Committee, the Named Executive Officers may, from time to time, provide advice to the Compensation Committee with respect to the compensation program for the Corporation's Named Executive Officers. The Committee makes recommendations regarding the compensation to be awarded to the Named Executive Officers to the full Board of Directors (either on its own volition or based upon the advice it receives from the Named Executive Officers).

The Corporation relies on its Compensation Committee and its Board of Directors, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its Named Executive Officers. The Board of Directors is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the Named Executive Officers of the Corporation, and to others, including, without limitation, to the Corporation's directors, and for reviewing the Compensation Committee's recommendations regarding the compensation to be awarded to any other officers of the Corporation from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each such officer's position. The Board of Directors incorporates the following goals when it makes its compensation decisions with respect to the Corporation's Named Executive Officers: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of management with the interests of the Corporation's shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources.

The Implementation of the Corporation's Compensation Policies

During the year ended October 31, 2015, the Corporation paid the Chief Executive Officer a salary on a month-to-month basis. The Chief Executive Officer was paid a total of \$Nil for fiscal 2015. This amount was agreed upon between the Chief Executive Officer and the Corporation taking into account the following consideration:

Fees

- the Chief Executive Officer's prior public company and regulatory experience gained through his involvement with a number of public mineral exploration and mining companies;
- the total number of years of the Chief Executive Officer's relevant experience; and
- the financing raised by the Corporation while the Chief Executive Officer has been in office.

The payment of this compensation was not tied to any specific performance goals or similar criteria.

During the year ended October 31, 2015, the Corporation was contractually obligated to pay Rodger Roden, as Chief Financial Officer, a consulting fee of \$2,500 per month (\$4,000 per month March and prior) This amount was agreed upon between the Chief Financial Officer and the Corporation taking into account the following consideration:

- the Chief Financial Officer's prior public company and specialized financial reporting experience gained through senior financial management roles at a number of public mineral exploration and mining companies;
- the Chief Financial Officer's technical experience; and
- the Chief Financial Officer's previous record of success with junior public mineral exploration and mining companies in creating value for shareholders.

The payment of the consulting fee was not dependent on the Chief Financial Officer's fulfillment of any specific performance goals or similar criteria.

Stock Options

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Compensation Committee in developing its recommendations with respect to the granting of new options. The Named Executive Officers were not granted any options during the year ended October 31, 2015.

The granting of options to the other directors of the Corporation under the Corporation's Stock Option Plan provides an appropriate long-term incentive to these directors to provide proper independent oversight to the Corporation with a view to maximizing shareholder value. The number of options the Corporation grants to each of these directors reasonably reflects each director's contributions to the Corporation in his capacity as a director and as a member of one or more committees of the Board (if applicable), including without limitation the Compensation Committee and the Audit Committee. Previous grants of options awarded to the independent directors of the Corporation are taken into consideration when the Corporation considers the granting of new options to the independent directors. No options were granted to the directors during the year ended October 31, 2015.

The compensation of independent directors and the granting of options under the Corporation's Stock Option Plan is determined by the full Board. No fees were paid to the independent directors in fiscal 2015.

STOCK OPTION PLAN

On July 3, 2015, the directors of the Corporation adopted a new 2015 Stock Option Plan (the “Plan”), which was approved by the shareholders of the Corporation on August 13, 2015, to encourage common stock ownership in the Corporation for directors, executive officers, employees and consultants who are primarily responsible for the management and profitable growth of its business, to provide additional incentive for superior performance by such persons and to enable the Corporation to attract and retain valued directors, officers and employees by granting stock options to such persons.

The Plan provides that eligible persons thereunder include any director, employee (full-time or part-time), executive officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding company) with whom the Corporation or a subsidiary has a contract for substantial services.

The Plan is administered by the Board of Directors of the Corporation. The Board of Directors has the authority to determine, among other things, subject to the terms and conditions of the Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the Plan.

The total number of shares which may be reserved and set aside for issuance to eligible persons may not exceed 10% of the issued and outstanding Common Shares from time to time. Investor Relations persons may not be granted options exceeding 2% of outstanding capital and such options must vest over 1 year with no more than 25% vesting in each quarter.

Pursuant to the Plan, the options will not be transferable other than by will or the laws of descent and distribution, the option price to be such price as is to be fixed by the Plan’s administrator but shall not be less than the fair market value of the shares at the time the option is granted and payment thereof shall be made in full on the exercise of the options. The terms of the options may not exceed five years and shall be subject to earlier redemption upon the termination of employment. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding 6 months following the termination of the optionee’s position with the Corporation but only up to and including the original option expiry date. If an optionee dies, the legal representative of the optionee may exercise the optionee’s options for a period not exceeding 1 year after the date of the optionee’s death but only up to and including the original option expiry date. The Plan also contains anti-dilution provisions usual to plans of this type.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise stock options granted under the Plan. The Corporation has no other compensation plans or arrangements in place and none are currently contemplated.

As of the date of this Circular, there are 6,325,000 stock options outstanding under the Plan and 5,005,024 options available for grant as follows:

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No insider of the Corporation, no proposed nominee for election as a director of the Corporation and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, in any transaction since the commencement of the Corporation's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Corporation or any of its subsidiaries, other than disclosed under the headings "Executive Compensation" and "Stock Option Plan" as disclosed below.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

National Instrument 52-110 of the Canadian Securities Administrators ("**NI 52-110**") requires the Corporation, as a Venture Issuer, to disclose annually in its information circular certain information relating to the Corporation's audit committee and its relationship with the Corporation's independent auditors.

The Audit Committee's Charter

The Corporation's Audit Committee is governed by its Audit Committee Charter, a copy of which is annexed hereto as **Schedule "A"**. The Corporation adopted a New Audit Committee Charter on July 3, 2015.

Composition of the Audit Committee

The Corporation's Audit Committee is currently comprised of three (3) directors: Messrs. Jim Glover (Chair), Ian Brodie-Brown and William R. Johnstone. As defined in NI 52-110, two (2) of the directors are independent: Messrs. Jim Glover and Ian Brodie-Brown. Although Mr. Johnstone is not independent as he acts as Corporate Secretary of the Corporation (for no remuneration) and acts as Corporate Counsel of the Corporation, the Board of Directors is of the view that his experience with other public junior resource issuers makes him a valuable member of the Audit Committee as he provides a breadth of relevant experience from other public companies. The Board of Directors is satisfied that his role as Corporate Secretary and counsel to the Corporation does not reasonably interfere with the

exercise of his independent judgment as a member of the Audit Committee. All of the Audit Committee members are financially literate.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed fiscal year, the Corporation's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Relevant Education and Experience

The following is a summary of the relevant education and experience of each of the members of the Corporation's Audit Committee:

Jim Glover

Jim Glover is a Partner Emeritus, Resource Group MNP LLP (since January 1, 2012), previously Assurance Partner, at a mid-sized Chartered Accountant firm in Toronto which acted as auditors for Canadian and U.S. public companies. He articulated with a national firm.

William R. Johnstone

Mr. Johnstone has been a securities lawyer acting for public companies for over twenty-five (25) years. Mr. Johnstone is, and has been, an officer and/or director of numerous public companies and sits, or has sat, on the Audit Committee of many of these companies. During this period of time, Mr. Johnstone has reviewed financial statements and management discussion and analysis of the financial statements and discussed financial issues with management, accountants and auditors. As a result, he has gained an understanding of accounting principles and the ability to analyze and evaluate the financial statements of the Corporation.

Ian Brodie-Brown

Ian Brodie-Brown is an industry consultant and entrepreneur. Mr. Brodie-Brown is a graduate of the University of Toronto and has many years of experience arranging venture capital for emerging companies, he specializes in arranging venture capital for the mining industry. He is the President and Chief Executive Officer of AurCrest Gold Inc., a TSX Venture Exchange ("TSXV") listed junior resource exploration company. He is also a cofounder and President of Cathay Oil & Gas, a private company with foreign resource assets, and has spent a substantial amount of time in the international community through his work with this company.

Mr. Brodie-Brown has developed a strong understanding of the emerging aboriginal issues surrounding today's mineral industry in Canada, and has successfully negotiated MOU's and exploration agreements with First Nation groups.

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditors in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. The Audit Committee will review the engagement of non-audit services as required.

External Auditors Service Fees (By Category)

The fees paid by the Corporation's external auditors in each of the last two (2) fiscal years for audit fees are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees ⁽¹⁾	Tax Fees ⁽²⁾	All Other Fees ⁽³⁾
2015	\$14,460	Nil	\$2,000	Nil
2014	\$31,900	Nil	\$3,560	Nil

Notes:

⁽¹⁾ Fees charged for tax compliance, tax advice and tax planning services.

⁽²⁾ Fees for services other than disclosed in any other column.

The Corporation is relying upon the exemption in section 6.1 of NI 52-110 for venture issuers which allows for an exemption from Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110 and allows for the short form of disclosure of Audit Committee procedures set out in Form 52-110F2.

ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors currently consists of seven (7) directors. The directors have passed a resolution fixing the number of directors to be elected at seven (7). The persons named in the enclosed form of proxy intend to vote for the election as directors of each of the seven (7) nominees of management whose names are set forth in the table below. The Board of Directors has adopted a majority voting policy in order to promote enhanced director accountability. Each Shareholder is entitled to cast their votes for, or withhold their votes from, the election of each director. If the number of shares "withheld" for any nominee exceeds the number of shares voted "for" the nominee, then, notwithstanding that such director was duly elected as a matter of corporate law, he shall tender his written resignation to the Corporation. The Board will consider such offer of resignation and the director's suitability to continue to serve as a Board member after considering, among other things, the stated reasons, if any, why certain shareholders "withheld" votes for the director, the qualifications of the director and whether the director's resignation from the Board would be in the best interests of the Corporation.

These nominees have consented to being named in this Circular and to serve if elected. The Corporation's management does not contemplate that any of the nominees will be unable or unwilling to serve as a director, but if that should occur for any reason prior to the Meeting, the Common Shares represented by properly submitted proxies given in favour of such nominee(s) may be voted by the persons whose names are printed in the form of proxy, in their discretion, in favour of another nominee.

The following table and notes thereto state the names of all the persons proposed to be nominated for election as directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments for the last five years and the number of shares of the Corporation beneficially owned, directly or

To the knowledge of the Corporation, no Director or proposed director of the Corporation is, as at the date of this Circular, or has been in the last 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that, while that person was acting in that capacity,

- (a) was subject to an order that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the director or executive officer ceased to be a director,

chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer,

except for William R. Johnstone who was corporate secretary of PacRim Resources Inc., which was cease traded by the Ontario Securities Commission, the Alberta Securities Commission and the British Columbia Securities Commission for failure to file financial statements, who is corporate secretary and a director of Razore Rock Resources Inc. (formerly Edda Resources Inc.), which was cease traded by the Ontario Securities Commission for failure to file financial statements until January 29, 2008.

For the purposes of subsections (a) and (b) above, “order” means (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days.

Bankruptcies

To the knowledge of the Corporation, no Director or proposed director of the Corporation:

- (a) is, as at the date of this Circular, or has been within the 10 years before the date of this Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director or proposed director,

except William R. Johnstone was an officer and director of Outlook Resources Inc. (“**Outlook**”) until August 2010. Outlook filed a Proposal under the *Bankruptcy and Insolvency Act of Canada* which was approved by the Court on March 21, 2011 and has not yet been finalized

Penalties or Sanctions

To the knowledge of the Corporation, none of the Directors or proposed directors of the Corporation have been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or have entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor making an investment decision except for William R. Johnstone who was reprimanded by the TSXV for breaching three (3) requirements of an undertaking given to the TSXV in his capacity as an officer and director of Outlook in respect of the holding of an Annual Meeting for Outlook in compliance with TSXV policies. Mr. Johnstone was required to resign as an officer and director of Outlook; was restricted to his then current involvement as an officer and/or director of six TSXV listed companies; and is required to obtain prior written approval from TSXV before having any involvement as an officer and/or director of another TSXV listed company. In February of 2016, the TSXV revoked the restrictions and requirements imposed by the TSXV in 2010.

Conflict of Interest

To the best of the Corporation's knowledge and other than as disclosed herein, there are no existing or potential conflicts of interest among the Corporation, its promoters, directors, officers or other members of management of the Corporation except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies and their duties as a director, officer, promoter or management of the Corporation.

The directors and officers of the Corporation are aware of the existence of laws governing accountability of directors and officers for corporate opportunity and requiring disclosure by directors of conflicts of interest and the Corporation will rely upon such laws in respect of any directors' and officers' conflicts of interest or in respect of any breaches of duty to any of its directors and officers.

APPOINTMENT OF AUDITORS

The persons named in the enclosed form of proxy intend to vote for the appointment of McGovern, Hurley, Cunningham, LLP, of North York, Ontario, as auditors of the Corporation to hold office until the next annual meeting of shareholders and to authorize the directors of the Corporation to fix the auditors' remuneration.

On the representations of the said auditors, neither that firm nor any of its partners has any direct financial interest nor any material indirect financial interest in the Corporation or any of its subsidiaries nor has had any connection during the past three years with the Corporation or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

The shareholders are urged by Management to appoint McGovern, Hurley, Cunningham, LLP, as the Corporation's auditors and to authorize the Board of Directors to fix their remuneration.

SCHEDULE “A”

BOLD VENTURES INC. (the “Corporation”)

AUDIT COMMITTEE CHARTER

Purpose of the Audit Committee

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of the Corporation is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Corporation maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Corporation and to foster increased investor confidence in both the Corporation and Canada’s capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation’s management to ensure that the independent auditors serve the interests of shareholders rather than the interests of management of the Corporation. The Committee’s primary duties and responsibilities are to:

- identify and monitor the management of the principal risks that could affect the reliability of financial reporting;
- monitor the integrity of the Corporation’s financial reporting process and system of internal control over financial reporting and accounting compliance;
- be directly responsible for overseeing the work of the external auditor including monitoring the independence and performance of the external auditor;
- be directly responsible for overseeing the internal review processes;
- monitor the Corporation’s compliance with applicable legal and regulatory requirements affecting financial reporting; and
- provide an avenue for effective communication among the audit committee, external auditor, management and the Board.

The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the external auditor as well as anyone in the Corporation. The Committee has the authority to retain, at the Corporation’s expense, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

Composition of the Audit Committee

The Committee shall consist of at least three (3) directors appointed by the Board as provided for in the by-laws of the Corporation and may be removed by the Board in its discretion. At least a majority of the members of the Committee must be independent and each member of the Committee must be financially literate or become financially literate within a reasonable time after his or her appointment to the Committee. At least one (1) member of the Committee shall have accounting or related financial management expertise. The Committee shall establish procedures for quorum, notice and timing of meetings subject to the proviso that a quorum shall be no less than two (2) Committee members. While the Board may recommend a Chair for the Committee, the Committee shall have the discretion to appoint the Chair from amongst its members.

The Canadian Securities Administrators (“CSA”) state that an audit committee member is independent if he or she has no direct or indirect material relationship with the issuer; that is, a relationship that could, in the view of the Board, reasonably interfere with the exercise of the member’s independent judgment. The CSA notes that these relationships may include commercial, charitable, industrial, banking, consulting, legal, accounting or familial relationships. The regulations also include a list of situations that are defined to be material relationships.

The Board shall determine, in its business judgment, whether an individual is financially literate based upon the regulatory definition of financial literacy, meaning the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements. It is the view of the regulators that it is not necessary for a member to have a comprehensive knowledge of generally accepted accounting principles and generally accepted auditing standards to be considered financially literate.

Disclosure must be made in the Corporation’s Information Circular (“IC”) for its annual meeting or in the Corporation’s Annual Information Form (“AIF”) of the name of each Committee member and whether or not the member is independent and financially literate. It should also describe the education and experience of each member that is relevant to his or her responsibilities as a Committee member. If a member is not independent, the Corporation must explain why.

Meetings of the Audit Committee

The Committee shall meet privately at least annually with management and the external auditor to discuss any matters that the Committee or each of these groups believes should be discussed. In addition, the Committee may consider *in camera* sessions at the beginning and/or conclusion of each meeting to discuss privately any matters of interest or concern to the members.

 - i Review the formal written statement and letter submitted by the external auditor that outlines all relationships between the external auditor and the Corporation, and its affiliates and associates.
 - ii Actively engage in a dialogue with the external auditor with respect to any disclosed relationships or services and their impact on the objectivity or independence of the external auditor.

BOLD VENTURES INC.

BOARD CHARTER

The Board of Directors (the “**Board**”) of Bold Ventures Inc. (the “**Corporation**”) is responsible for the stewardship of the business and affairs of the Corporation on behalf of the shareholders by whom they are elected and to whom they are accountable.

The Board shall be constituted with at least two (2) individuals who are independent directors in accordance with the requirements for a Venture Issuer. Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Corporation’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board may appoint one director as Chairman. The Chairman, if appointed, shall be an independent director. The Chairman is responsible for the leadership of the Board and for specific functions to ensure the independence of the Board. Currently, the Board has not appointed a Chairman.

The Senior Officers are accountable to the Board for all authority delegated to the positions. For the purposes of these Corporate Governance Policies, Senior Officer shall be defined as any person holding the position of President, CEO, CFO, COO or Vice President of Exploration.

The Board has the following overall responsibilities:

- in conjunction with management, establishing the direction and strategies for the Corporation and monitoring the implementation of those strategies; and
- monitoring compliance with regulatory requirements and setting the tone for ethical behaviour and standards.

The monitoring and ultimate control of the business of the Corporation is vested in the Board. The Board’s primary responsibility is to oversee the Corporation’s business activities and management for the benefit of the Corporation and its shareholders. The specific responsibilities of the Board include:

- selection, appointment, monitoring, evaluation, rewarding and if necessary the removal of the Senior Officers of the Corporation;
- in conjunction with management, development of the strategic planning process and approving and appropriately monitoring plans, new investments, major capital and operating expenditures, capital management, acquisitions, divestitures and major funding activities;
- monitor and review annually the success of management in implementing the approved strategies and plans;
- establishing appropriate levels of delegation to the Senior Officers to allow them to manage the Corporation’s operations efficiently;
- monitoring actual performance against planned performance expectations and reviewing operating information;
- appreciation of areas of significant business risk and ensuring arrangements are in place to adequately manage those risks;
- overseeing the management of safety and occupational health, environmental issues and community development;

- satisfying itself that the financial statements of the Corporation fairly and accurately set out the financial position and financial performance of the Corporation for the period under review;
- satisfying itself that there are appropriate reporting systems and controls in place to assure the Board that proper operational, financial, compliance, risk management and internal control processes are in place and functioning appropriately;
- ensuring that appropriate external audit arrangements are in place and operating effectively;
- developing the Corporation's approach to corporate governance issues;
- having a framework in place to help ensure that the Corporation acts legally and responsibly on all matters consistent with the Code of Business Conduct and Ethics; and
- reporting to shareholders.

At all times the Board retains full responsibility for guiding and monitoring the Corporation; however, in discharging its stewardship it makes use of committees. To this end, the Board has established the following committees:

- Audit Committee; and
- Compensation Committee.

The Corporation also has in place a Disclosure Committee comprised of the CEO and the Executive Vice President.

Each director has the right to seek independent professional advice on matters relating to his position as a director of the Corporation at the Corporation's expense, subject to the prior approval of the Chairman, or the CEO if there is no Chairman, which shall not be unreasonably withheld.

The independent members of the Board shall meet regularly during the year without any member of the Corporation's management present. Generally these meetings will be held prior to regular Board meetings. Any material business items arising from these meetings shall be brought to the attention of the Corporate Secretary and such matters will be added to the agenda of the next regularly scheduled Board meeting.

In the event of a conflict of interest or where a potential conflict of interest may arise, involved directors will, unless the remaining directors resolve otherwise, withdraw from deliberations concerning the matter. The Board does not specify a maximum term for which a director may hold office.

The responsibility for the day-to-day operation and administration of the Corporation is delegated by the Board to the Senior Officers. The Board ensures that this team is appropriately qualified and experienced to discharge their responsibilities and has in place procedures to assess the performance of the Senior Officers.
