NOTES

1. If you are a member of the Company at the time set out in note 15 below, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the general meeting of the Company.
2. The return of a completed proxy form, other such instrument or any CREST proxy instruction (as described in note 14 below) does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
3. A proxy does not need to be a member of the Company but must attend the meeting to represent you. To appoint as your proxy a person other than the Chairman of the meeting, insert their full name in the box on your proxy form. If you sign and return your proxy form with no name inserted in the box, the Chairman of the meeting will be deemed to be your proxy. Where you appoint as your proxy someone other than the Chairman, you are responsible for ensuring that they attend the meeting and are aware of your voting intentions. If you wish your proxy to make any comments on your behalf, you will need to appoint someone other than the Chairman and give them the relevant instructions directly.
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. In the event of a conflict between a blank proxy form and a proxy form which states the number of shares to which it applies, the specific proxy form shall be counted first, regardless of whether it was sent or received before or after the blank proxy form, and any remaining shares in respect of which you are the registered holder will be apportioned to the blank proxy form. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, you should contact Capita Asset Services, PXS1, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF.
5. To direct your proxy how to vote on the resolutions mark the appropriate box on your proxy form with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

6. To be valid any proxy form or other instrument appointing a proxy must be:
- completed and signed;
 - sent or delivered to Capita Asset Services, PXS1, The Registry, 34 Beckenham Road, Kent, BR3 4ZF; and
 - received by Capita Asset Services no later than 11.00 a.m. on 9 June 2014.
7. In the case of a member which is a company, your proxy form must be executed under its common seal or signed on its behalf by a duly authorised officer of the company or an attorney for the company.
8. Any power of attorney or any other authority under which your proxy form is signed (or a copy of such authority certified notarially or in accordance with the Powers of Attorney Act 1971 or in some other way approved by the Board) must be included with your proxy form.
9. As an alternative to completing your hard-copy proxy form, you can appoint a proxy electronically at www.capitashareportal.com. For an electronic proxy appointment to be valid, your appointment must be received by no later than 11.00 a.m. on 9 June 2014.
10. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
11. You may not use any electronic address provided in your proxy form to communicate with the Company for any purposes other than those expressly stated.
12. Nominated persons
- (a) Any person to whom this notice is sent who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- (b) The statement of the rights of shareholders in relation to the appointment of proxies in paragraph (1) above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the Company.
13. As at 15 April 2014 the issued share capital of the Company comprised of 10,676,839 Ordinary Shares of 10 pence each, carrying one vote each. Therefore, the total number of voting rights of the Company as at 15 April 2014 is 10,676,839.
14. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent, Capita Asset Services (CREST Participant ID: RA10), no later than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

15. Only those members entered on the register of members of the Company at 6.00 p.m. on 9 June 2014 or, in the event that this meeting is adjourned, in the register of members as at 6.00 p.m. on the day two days before the date of any adjourned meeting, shall be entitled to attend and vote at the meeting in respect of the number of ordinary shares registered in their names at that time. Changes to the entries on the register of members after the close of business on 9 June 2014 or, in the event that this meeting is adjourned, in the register of members after the close of business on the day two days before the date of the adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the meeting.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 8 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 9 to 11 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1

The Directors will present their report and the audited accounts for the year ended 31 December 2013 together with the auditors' report thereon.

Resolution 2

Resolution 2 is to approve the Remuneration Report (excluding the remuneration policy) on pages 30 to 34 of the Company's annual report and accounts for the year ended 31 December 2013 ("Annual Report"). Section 439 of the Companies Act 2006 requires that a remuneration report is put to a vote of shareholders at the Annual General Meeting. This vote is advisory and the directors' entitlement to receive remuneration is not conditional on it.

Resolution 3

Resolution 3 is to approve the remuneration policy of the Company for the three year period from the date of this Annual General Meeting (the full text of which is contained on pages 35 to 39 of the Annual Report and Accounts) in compliance with section 439A of the Companies Act 2006. The vote on the remuneration policy is binding in nature in that the Company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a director of the Company unless that payment is consistent with the approved remuneration policy, or has otherwise been approved by a resolution of members. If Resolution 3 is passed, the remuneration policy will take effect from the conclusion of the Annual General Meeting. The remuneration policy will be put to shareholders again no later than the Company's annual general meeting in 2017.

Resolution 4

Final dividends are approved by the shareholders of the Company but cannot be more than the amount recommended by the directors. The directors are recommending a final dividend for the year ended 31 December 2013 of 3.0 pence per ordinary share due and payable on 1 August 2014 to the Shareholders on the register at close of business on 4 July 2014. This resolution seeks shareholders' approval of the proposed dividend.

Resolutions 5

The Articles of Association of the Company require that directors should submit themselves for re-election at least once every three years. This year one of the current directors, G J Casey will retire and each offer himself for re-election. Biographical details relating to director G J Casey can be found on page 19 of the Annual Report.

Resolution 6

The Company is required to appoint auditors at each general meeting at which accounts are laid before shareholders, to hold office until the next such meeting. The resolution proposes that BDO LLP be appointed as auditors for the current year.

Resolution 7

This resolution proposes that the directors be authorised to set the remuneration of the auditors.

Resolution 8

In certain circumstances it is important for the Company to be able to allot shares up to a maximum amount without needing to seek shareholder approval every time an allotment is required. Paragraph 8.1.1 of Resolution 8 would give the directors the authority to allot shares in the Company and grant rights to subscribe for, or convert any security into, shares in the Company up to an aggregate nominal value of £355,894. This represents approximately 1/3 (one third) of the ordinary share capital of the Company in issue (excluding treasury shares) at 15 April 2014 (being the last practicable date prior to the publication of this document). Paragraph 8.1.2 of Resolution 8 would give the directors the authority to allot shares in the Company and grant rights to subscribe for, or convert any security into, shares in the Company up to a further aggregate nominal value of £355,894, in connection with a pre-emptive rights issue. This amount represents approximately 1/3 (one third) of the ordinary share capital of the Company in issue (excluding treasury shares) at 15 April 2014 (being the last practicable date prior to the publication of this document).

Therefore, the maximum nominal value of shares or rights to subscribe for, or convert any security into, shares which may be allotted or granted under resolution 8 is £711,788.

Resolution 8 complies with guidance issued by the Association of British Insurers (ABI).

The authority granted by Resolution 8 will expire on 31 August 2015 or, if earlier, the conclusion of the next annual general meeting of the Company. The directors have no present intention to make use of this authority. However, if they do exercise the authority, the directors intend to follow emerging best practice as regards its use as recommended by the ABI.

Resolution 9

If the directors wish to allot any of the unissued shares of the Company for cash in accordance with Resolution 8, the new shares must generally be offered first to shareholders in proportion to their existing shareholdings.

In certain circumstances, it may be in the interests of the Company for the directors to be able to allot some shares for cash without having to offer them first to existing shareholders.

Under resolution 9 the directors are seeking power to allot equity securities (as defined by section 560 of the Companies Act 2006) or sell treasury shares for cash as if the pre-emption rights contained in Section 561 of the Companies Act 2006 did not apply:

- (a) in relation to pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities or as the directors otherwise consider necessary, up to a maximum nominal amount of £355,894 which represents approximately 1/3 (one third) of the ordinary share capital of the Company in issue (excluding treasury shares) and, in relation to rights issues only, up to a maximum additional amount of £355,894 which represents approximately 1/3 (one third) of the ordinary share capital of the Company in issue (excluding treasury shares), in each case as at 15 April 2014 (being the last practicable date prior to the publication of this document); and
- (b) in any other case, up to a maximum nominal amount of £106,768 which represents approximately 10 per cent. of the ordinary share capital of the Company in issue (excluding treasury shares) as at 15 April 2014 (being the last practicable date prior to the publication of this document).

In addition, there are legal, regulatory and practical reasons why it may not always be possible to issue new shares under a rights issue to some shareholders, particularly those resident overseas. To cater for this, the resolution also permits the directors to make appropriate exclusions or arrangements to deal with such difficulties.

In compliance with the guidelines issued by the Pre-emption Group, the directors, will ensure that other than in relation to a rights issue, no more than 7.5 per cent. of the issued ordinary shares (excluding treasury shares) will be allotted for cash on a non pre-emptive basis over a rolling three year period unless shareholders have been notified and consulted in advance.

The power in resolution 9 will expire when the authority given by resolution 10 is revoked or expires.

The directors have no present intention to make use of this authority

Resolution 10

Resolution 10 will be proposed to allow the Company to call general meetings (other than an annual general meeting) on 14 clear days' notice. A resolution in the same terms was passed at the Company's annual general meeting in 2013. The notice period required by the Companies Act 2006 for general meetings of the Company is 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. Annual general meetings must always be held on at least 21 clear days' notice. It is intended that the flexibility offered by this resolution will only be used for time-sensitive, non-routine business and where merited in the interests of shareholders as a whole. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Resolution 11

The effect of Resolution 11 would be to renew the directors' current authority to make limited market purchases of the Company's ordinary shares of 10 pence each. The power is limited to a maximum aggregate number of 1,067,683 ordinary shares (representing approximately 10 per cent. of the Company's issued share capital as at 15 April 2014 (being the last practicable date prior to publication of this document)). The minimum price (exclusive of expenses) which the Company would be authorised to pay for each ordinary share would be 10 pence (the nominal value of each ordinary share). The maximum price (again exclusive of expenses) which the Company would be authorised to pay for an ordinary share is an amount equal to 105 per cent. of the average market price for an ordinary share for the five business days preceding any such purchase.

The authority conferred by resolution 11 will expire at the conclusion of the Company's next annual general meeting or 15 months from the passing of the resolution, whichever is the earlier. Any purchases of ordinary shares would be made by means of market purchase through the London Stock Exchange. If granted, the authority would only be exercised if, in the opinion of the directors, to do so would result in an increase in earnings per share or net asset value per share and would be in the best interests of shareholders generally. In exercising the authority to purchase ordinary shares, the directors may treat the shares that have been bought back as either cancelled or held as treasury shares (shares held by the Company itself). No dividends may be paid on shares which are held as treasury shares and no voting rights are attached to them.

As at 15 April 2014 (being the last practicable date prior to the publication of this document) the total number of options to subscribe for new ordinary shares in the Company was 678,000 shares representing 6.35 per cent. of the Company's issued share capital (excluding treasury shares) as at that date. Such number of options to subscribe for new ordinary shares would represent approximately 7.06 per cent. of the reduced issued share capital of the Company (excluding treasury shares) assuming full use of the authority to make market purchases sought under resolution 11.

Recommendation

The directors consider that all of the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. The board of directors of the Company recommends that shareholders vote in favour of all resolutions.
