NEWS RELEASE

OCTOBER 26, 2016

Advantage Lithium Appoints Callum Grant to the Board of Directors

Vancouver, British Columbia, October 26, 2016 – Advantage Lithium Corp. (the “Company” or “Advantage Lithium”) (TSXV: AAL) is pleased to announce the appointment of Mr. Callum Grant to the Board of Directors. Mr. Grant’s expertise includes exploration, engineering, development, project management and economics related to industrial commodities, particularly lithium in brine. His recent work has focused on projects in the high-altitude North-West Argentine provinces of the Lithium Triangle, including ADY Resources Ltd. (Enirgi Group Corporation).

Mr. Grant will manage the Company’s activities in Argentina, including work on the advanced lithium brine project at Stella Marys, as well as assessing and facilitating potential acquisitions as the Company looks towards expanding its presence in the region.

David Sidoo, President and CEO of Advantage Lithium, said: *“Mr. Grant has already proved invaluable to Advantage Lithium in his capacity as technical advisor for Argentina – helping us to acquire the advanced Stella Marys project, immediately adjacent to Orocobre’s large, inferred resource. He brings with him to the Board, tremendous experience and a strong network of connections in Argentina – both of which will be of great benefit as we continue to grow the Company.”*

Mr. Grant graduated with B.Sc. Honours Geology from the University of Aberdeen, Scotland in 1971 followed by an M.Eng. (Mining) degree from McGill University in 1977. He is a Registered Professional Engineer (P.Eng.) in Ontario & British Columbia, Canada, has served as Qualified Person for mineral resource and mining sign-offs and delivery of scoping through feasibility studies. Mr. Grant is fluent in Spanish and English.
