# Aurora Solar Engages Paradox Public Relations for Investor Relations Services

**North Vancouver, BC, Canada, June 30, 2017 –** Aurora Solar Technologies Inc. ("**Aurora**")("**Company**")(TSX.V: ACU, OTCBB: AACTF, FSE: A82), a leader in inline measurement and control technology for the photovoltaic manufacturing industry, is pleased to announce that it has entered into an investor relations agreement (the "Agreement") with Paradox Public Relations Inc. ("Paradox"), pursuant to which Paradox shall provide investor relations services to the Company. The Agreement is for a term of 24 months, during which time Paradox will facilitate communications between the Company, its shareholders, and prospective investors; and develop an investor relations program designed to raise awareness of the Company's business among prospective investors and the investment community.

Under the terms of the Agreement, the Company will compensate Paradox $7,000 per month for the 24-month term of the Agreement, with the right to cancel the Agreement after the first 6 months of service by providing 30 days written notice. The Company will also issue Paradox, subject to TSX-V approval, 400,000 options at the June 30, 2017 closing price.

**About Aurora Solar Technologies:**

Aurora's mission is to deliver exceptional results to the photovoltaic industry through measurement and control of critical processes during solar cell manufacturing.

We measure and map the results of critical cell fabrication processes, providing real-time visualization of material properties and true production tool performance. Our products provide process engineers and production-line operators with the means to rapidly detect and correct process excursions, material faults, limit variations, and optimize processes, thereby eliminating yield-reducing and profit-killing product variation.

We are creating the standard for quality control systems for the global photovoltaic industry.

Headquartered in North Vancouver, Canada, and founded by experienced leaders in process measurement, semiconductor manufacturing and industrial automation, the Company's shares are listed on the TSX Venture Exchange and trade under the symbol "ACU". The Company was formerly "ACT Aurora Control Technologies". For more information, Aurora's website is located at www.aurorasolartech.com.
