Dear Sirs/Mesdames:

**Re: 1844 Resources Inc. (the "Company")
Final Short Form Prospectus – Consent of Expert**

In connection with the Company's final short form prospectus dated August 26, 2022, including the documents incorporated by reference therein (the "**Prospectus**"), I, Claude Duplessis, P.Eng., and a "qualified person", as defined in National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*, hereby consent to the use of my name in connection with references to my involvement in the preparation of the technical report entitled "*Lac Arsenault Project, NI 43-101 Technical Report, Québec, Canada*" dated November 1, 2021, as amended May 11, 2022, with an effective date of April 15, 2021 (the "**Technical Report**"), and to references in the Technical Report, or portions thereof, in the Prospectus and to the inclusion and incorporation by reference of information derived from those section of the Technical Report that I am responsible for preparing, in the Prospectus.

I also hereby confirm that I have read the Prospectus, and I have no reason to believe there are any misrepresentations in the information contained therein that are derived from those sections of the Technical Report that I am responsible for preparing, or that within my knowledge as a result of the services I performed in connection with the Technical Report.

Yours truly,

Claude Duplessis, P.Eng.
GoldMinds Geoservices Inc.
