

## **Voxtur to Present at the SNN Network Canada Virtual Event December 7-9, 2021**

TORONTO and TAMPA, Fla., Dec. 06, 2021 (GLOBE NEWSWIRE) -- Voxtur Analytics Corp. (TSXV: VXTR; OTCQB: VXTRF) ("Voxtur" or the "Company"), a technology company creating a more transparent and accessible real estate lending ecosystem, is pleased to announce its participation in the SNN Network Canada Virtual Event, taking place virtually December 7-9, 2021.

Voxtur's Chief Investment Officer, Jordan Ross, will present the Company's vision for becoming the largest and most trusted provider of data, SaaS-based applications, and tech-enabled services in the property technology space. The conference will be a live, interactive online event where investors are invited to ask the Company questions in real-time. An archived webcast will be made available for attendees who cannot join the event live.

Additionally, Mr. Ross will participate in a panel, "Big Data & Artificial Intelligence", taking place on December 7, 2021 at 9:15 AM ET.

### **SNN Network Canada Virtual Event 2021**

### **About Voxtur**

Voxtur is a transformational real estate technology company that is redefining industry standards in a dynamic lending environment. The Company offers targeted data analytics to simplify tax solutions, property valuation and settlement services throughout the lending lifecycle for investors, lenders, government agencies and servicers. Voxtur's proprietary data hub and workflow platforms more accurately and efficiently value assets, originate and service loans, securitize portfolios and evaluate tax assessments. The Company serves the property lending and property tax sectors, both public and private, in the United States and Canada. For more information, visit [www.voxtur.com](http://www.voxtur.com).

Neither TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
