

Voxtur Announces Expected Release of Financial Results for Q1 2023

TORONTO, July 19, 2023 -- Voxtur Analytics Corp. (TSXV: VXTR; OTCQB: VXTRF) ("Voxtur" or the "Company"), a North American technology company creating a more transparent and accessible real estate lending ecosystem, announced today that it will release financial results for the first quarter ended March 31, 2023, before market opens on Monday, July 24, 2023 or sooner. At that time, the financial results and related documents will be posted on www.sedar.com.

"The trading halt instituted today was unexpected as we issued our 2022 audited financial results on Monday, July 17, as anticipated and we are within the 2-month remedy period with respect to filing of the Q1 financial statements in order to maintain the Management Cease Trade Order. We apologize for any inconvenience to our shareholders, and we are working diligently to have the trading halt lifted. We understand that the release of our Q1 financial results will allow that to occur," said Gary Yeoman, CEO of Voxtur.

Shareholder Call

The Company will host a conference call at 9 a.m. Eastern time on Wednesday, July 26th, 2023, following the release of Q1 financial results to discuss details of the Company's performance, including a general company update, followed by a question-and-answer period with analysts. Details related to the above referenced conference call will be provided later this week.
