Forward Looking Statements

This news release includes statements containing certain "forward-looking information" within the meaning of applicable securities law ("forward-looking statements"). Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. These

forward-looking statements are only predictions. Various assumptions were used in drawing the conclusions or making the projections contained in the forward-looking statements throughout this news release. Forward looking statements are based on the opinions, estimates and assumptions of management in light of management's experience and perception of historical trends, current conditions and expected developments at the date the statements are made, such as current and future market conditions, the ability to maintain SG&A costs in line with current expectations, the ability to achieve high margin revenues in the Canadian consumer market, the current and future regulatory environment and future approvals and permits. Forward-looking statements are subject to a variety of risks, uncertainties and other factors that management believes to be relevant and reasonable in the circumstances could cause actual events, results, level of activity, performance, prospects, opportunities or achievements to differ materially from those projected in the forward-looking statements, including the risks associated with: entering the U.S. market, the ability to realize the anticipated benefits associated with the acquisition of Reliva, achievement of Aurora's business transformation plan, general business and economic conditions, changes in laws and regulations, product demand, changes in prices of required commodities, competition, the effects of and responses to the COVID-19 pandemic and other risks, uncertainties and factors set out under the heading "Risk Factors" in the Company's annual information form dated September 24, 2020 (the "AIF") and filed with Canadian securities regulators available on the Company's issuer profile on SEDAR at www.sedar.com and filed with and available on the SEC's website at www.edgar.gov. The Company cautions that the list of risks, uncertainties and other factors described in the AIF is not exhaustive and other factors could also adversely affect its results. Readers are urged to consider the risks, uncertainties and assumptions carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such information. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.
