Decade Announces Non-Brokered Private Placement of Flow-Through and Non-Flow-Through Units

Stewart, BC – Decade Resources Ltd. (the “Company”) is pleased to announce it is using its best efforts to complete a non-brokered private placement of flow-through and non-flow-through units to raise aggregate gross proceeds of up to \$600,000.

The flow-through offering will be comprised of up to 7,142,857 flow-through units, at a price of \$0.07 per flow-through unit, for gross proceeds of up to \$500,000. Each flow-through unit will be comprised of one flow-through common share and one transferable non-flow-through common share purchase warrant, each warrant being exercisable for the purchase of one additional common share, at a price of \$0.08 per share, for a two year period.

The offering of non-flow-through units will be comprised of up to 1,666,666 units, at a price of \$0.06 per unit, for gross proceeds of up to \$100,000. Each unit will be comprised of one common share and one transferable common share purchase warrant, each warrant being exercisable for the purchase of one additional common share, at a price of \$0.07 per share, for a two year period.

The proceeds from the sale of the flow-through units will be expended on the Company's properties located in British Columbia and the proceeds from the sale of non-flow-through units will be used for working capital purposes.

Certain directors and officers of the Company may participate in the private placement. Any such participation would be considered to be a “related party transaction” as defined under Multilateral Instrument 61-101 (“MI 61-101”). The transaction will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of any units issued to or the consideration paid by such persons will not exceed 25% of the Company's market capitalization. Finders' fees may be payable in connection with the private placement.
