Dear Shareholder

Notice of General Meeting

Introduction

Following the recent change in the Company's Strategy (further details of which are set out below) there has been a big increase in demand for the ordinary shares of 25 pence each (the "**Ordinary Shares**") in the Company. We are writing to you to seek your approval for certain proposals to help meet this demand. The purpose of this document is to convene a general meeting at which the requisite new shareholder authorities will be sought. The General Meeting will be held at 2.00 p.m. on 26 November 2020 at the offices of Baillie Gifford, Calton Square, 1 Greenside Row, Edinburgh, EH1 3AN.

Background

On 22 July 2020 the Board announced that it was implementing a new strategy for the management of the Company (the "**Strategy**"). The announcement set out that after an extensive review of the Company's management arrangements, it had entered into an investment management agreement to appoint Baillie Gifford as the Company's investment manager, Company Secretary and Administrator subject to shareholder approval. Further to this announcement a shareholder circular was issued on 24 August 2020 setting out recommended proposals for the appointment of Baillie Gifford as the new investment manager, adoption of a new investment policy and a tender offer for up to 40 per cent. of the issued share capital of the Company.

Shareholders approved these proposals at a general meeting on 16 September 2020. As a result of these changes, the Company now aims to produce long term capital growth by investing predominantly in shares of, or depositary receipts representing the shares of, Chinese companies. The portfolio consists of a diversified portfolio of 40 to 80 securities and up to 20 per cent. of the total assets of the Company may be invested in unlisted securities. In addition, the Company is also able to employ gearing, which typically would not exceed 20 per cent. of gross asset value at the time of drawdown.

On 2 October 2020, 17,401,665 Shares were purchased by J.P. Morgan Cazenove pursuant to the tender offer for a total consideration of approximately £67.5 million. This represented approximately 26.38 per cent. of the issued share capital of the Company. The shares purchased pursuant to the tender offer were held in treasury by the Company.

In order to meet continuing demand for the Ordinary Shares Directors wish to seek your approval to renew its shareholder authorities to issue further Ordinary Shares on a non pre-emptive basis prior to the Company's next annual general meeting ("**AGM**"). The Directors are not able to allot any Ordinary Shares unless they have been given the authority to do so by shareholders in accordance with the Companies Act 2006 (as amended) (the "**Act**"). Furthermore, the pre-emption rights, which attach to the Ordinary Shares by virtue of the provisions of the Act and the Financial Conduct Authority's Listing Rules, and prevent the Directors from issuing the Ordinary Shares without first offering them to the existing shareholders in proportion to their existing holdings, may only be disapproved with the express authority from shareholders.

How the existing authorities have been used

Following the implementation of the Strategy we have seen an increase in demand for the Ordinary Shares and the shares have been consistently trading at a premium to NAV. In order to meet the continuing demand for the Ordinary Shares, the Board is seeking the renewal of its shareholder authorities to issue Ordinary Shares and resell Ordinary Shares held in treasury, on a non pre-emptive basis, prior to the Company's next annual general meeting, which is expected to be held by the end of June 2021 (the "**Proposal**") as the existing authorities are now close to being exhausted. These new authorities, if granted, will permit the Company to continue to issue Ordinary Shares which, based on current issuing patterns, may otherwise be prevented if the existing authorities are fully utilised prior to the next AGM.

When the Ordinary Shares are trading at a premium new Ordinary Shares are issued to meet natural demand in the market. The Board may buy back shares when they are standing at a substantial and anomalous discount to the Company's NAV.

Whilst it was envisaged that the authority granted at the 2020 AGM would be sufficient issuance authority for the Company up until the 2021 AGM, the Board is pleased to report that following the implementation of the Strategy there has been strong demand for the Ordinary Shares. Since the granting of authority at the 2020 AGM, approximately 5.51 million Ordinary Shares have been issued using this authority, all of which have been issued since the approval of the Strategy on 16 September 2020.

The premium on the issue of such new Ordinary Shares has covered the cost of operating the issue of the Ordinary Shares and has also provided some additional net asset value enhancement for existing investors.

Reasons for seeking the extension and early renewal of the authorities

As at 5 November 2020 (the latest practicable date prior to the publication of this document) the Company only has capacity to issue a further 590,646 Ordinary Shares either by issuing new shares or reselling shares held in treasury, on a non pre-emptive basis, until the authority is renewed at the 2021 AGM.

The Board wishes to continue to satisfy demand for the Ordinary Shares during the period up to the Company's next AGM. The Board believes that the increase in demand for the Ordinary Shares from a wide range of investors is likely to continue given the increased profile of the Company since implementation of the Strategy. The Board has seen increased demand for the Company's Ordinary Shares from a wide range of investors, including an increasing number of retail investors. The Board is pleased with the strong progress that the Company has made and is delighted with the support shown by existing and new investors. Shareholders should bear in mind that Ordinary Shares bought at a high premium to NAV can quickly lose substantial value if the premium is eroded.

The Board believes that any share issuance pursuant to the **Proposal** has the following principal benefits:

- it will make the Ordinary Shares more accessible to a wider range of investors which may lead to increased liquidity in the Ordinary Shares in the secondary market;
- the size of the Company's asset base may be increased, potentially spreading its costs over a larger capital base thereby reducing the ongoing charges ratio;
- it will enable the Company to continue to issue shares and assist in managing the premium to NAV of the Ordinary Shares; and
- an issue of Ordinary shares at a premium to the NAV can potentially lead to an increase in the NAV for existing shareholders.

The costs of seeking fresh authorities are relatively limited and are expected to be covered by the premium on issuing new Ordinary Shares.

If such renewed authorities are granted by shareholders, the Directors will only use the authorities to disapply pre-emption rights and issue Ordinary Shares:

- (i) at a premium to NAV;
- (ii) to meet demand from investors; and
- (iii) when the Directors believe that it is in the best interests of the Company and its shareholders to do so.

The General Meeting

The Proposal is conditional on the approval of shareholders. You will find set out at the end of this document a notice convening the General Meeting at which shareholders will be asked to consider and, if thought fit, approve the Proposals. The General Meeting is to be held at 2.00 p.m. on 26 November 2020 at the offices of Baillie Gifford, Calton Square, 1 Greenside Row, Edinburgh, EH1 3AN.

The resolutions will be proposed at the General Meeting as an ordinary and a special resolution. The resolutions will, if passed, enable the Directors to allot and issue new Ordinary Shares, in addition to their existing authority without first offering such Ordinary Shares to existing shareholders *pro rata* to their existing shareholdings up to an aggregate nominal amount of £2,449,949.25 (being 9,799,797 Ordinary Shares) which equates to approximately 20 per cent. of the total Ordinary Share capital of the Company in issue as at 5 November 2020 (the latest practicable date prior to the publication of this document).

In accordance with the Company's articles of association, all shareholders entitled to vote and be present by proxy at the General Meeting shall upon a show of hands have one vote and upon a poll shall have one vote in respect of every Ordinary Share held.

Given the risks posed by the spread of COVID-19 and in accordance with the provisions of the Company's articles of association, the Corporate Insolvency and Governance Act 2020 and Government guidance, the Directors will impose entry restrictions on attendance at the General Meeting in order to ensure the health, wellbeing and safety of the Company's shareholders and officers as well as compliance with the venue's security requirements.

The Board therefore urges shareholders to comply with the UK Government's instructions to stay safe and not undertake unnecessary travel. However shareholders may and are strongly encouraged to participate in the business of the General Meeting by exercising their votes in advance of the General Meeting by completing and returning the form of proxy. The Board and the Company's manager will ensure that a quorum of three shareholders is present at the General Meeting to allow it to take place and for the proxy votes to be exercised.

Action to be taken

Shareholders will find enclosed a form of proxy for use in connection with the General Meeting. Whether or not shareholders propose to attend the General Meeting, they are requested to complete, sign and return the form of proxy as soon as possible, in accordance with the instructions printed on it.

To be valid, the enclosed form of proxy must be lodged with the Company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY or lodged at www.proxyappointment.com as soon as possible and, in any event, so as to arrive by not later than 2.00 p.m. on 24 November 2020.

Recommendation

The Directors consider the passing of the resolutions to be in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that shareholders vote in favour of the resolutions.

The Directors intend to vote in favour of the resolutions in respect of their own beneficial holdings of Ordinary Shares (amounting to 57,628 Ordinary Shares, representing approximately 0.12 per cent. of the issued share capital of the Company as at the date of this document).

Yours faithfully

Susan Platts-Martin

Notes:

1. Given the risks posed by the spread of COVID-19 and in accordance with the Company's articles of association, the Corporate Insolvency and Governance Act 2020 and Government guidance, the Company is not expecting shareholders to attend the General Meeting and will impose entry restrictions on attendance at the General Meeting in order to ensure the health, wellbeing and safety of the Company's shareholders and officers as well as compliance with the venue's security requirements. Shareholders are therefore strongly encouraged to register their votes in advance by submitting proxy forms to the Company's Registrar in accordance with the procedure set out in these notes.
2. As a shareholder you are entitled to appoint a proxy or proxies to exercise all or any of your rights to attend, speak and vote at the General Meeting. A proxy need not be a member of the Company but must attend the General Meeting to represent you. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You can only appoint a proxy using the procedure set out in these notes and the notes to the proxy form.
3. A proxy must vote in accordance with any instructions given by the shareholder by whom the proxy is appointed. A proxy has one vote on a show of hands in all cases (including where one shareholder has appointed multiple proxies) except where he is appointed by multiple shareholders who instruct him to vote in different ways, in which case he has one vote for and one vote against the resolution.
4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the registrar's website www.euroclear.com/CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
5. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the meeting or any adjournment. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
6. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
7. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
8. The return of a completed proxy form or other instrument of proxy will not prevent you attending the General Meeting and voting in person if you wish. If you have appointed a proxy and attend the General Meeting in person your proxy appointment will remain valid and you may not vote at the General Meeting unless you have provided a hard copy notice to revoke the proxy to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY or www.eproxyappointment.com not later than 2.00 p.m. on 24 November 2020.
9. Given the emerging risks posed by the spread of Covid-19 and in accordance with the provisions of the Articles of Association, the Company may impose entry restrictions on shareholders wishing to attend the General Meeting. Such restrictions may include preventing access to the meeting. Other restrictions may be imposed as the chair of the meeting may specify in order to ensure the safety of those attending the General Meeting.
10. To have the right to attend, speak and vote at the General Meeting (and also for the purposes of calculating how many votes a member may cast on a poll) shareholders must be registered in the Register of Members of the Company no later than close of business on the day which is two days (excluding non-working days) before the day of the General Meeting or any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

11. If the General Meeting is adjourned to a time not more than 48 hours after the record date applicable to the original General Meeting, that time will also apply for the purpose of determining the entitlement of Shareholders to attend and vote (and for the purposes of determining the number of votes they may cast) at the adjourned General Meeting. If, however, the General Meeting is adjourned for a longer period then, to be so entitled, Shareholders must be entered on the Company's Register of Members at the time which is 48 hours before the time fixed for the adjourned General Meeting or, if the Company gives new notice of the adjourned General Meeting, at the record date specified in that notice.
12. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 (nominated persons). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.
13. Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Companies Act 2006. Pursuant to the Companies (Shareholders' Rights) Regulations 2009 (SI 2009/1632), multiple corporate representatives appointed by the same corporate shareholder can vote in different ways provided they are voting in respect of different shares.
14. Any person holding 3 per cent. or more of the total voting rights of the Company who appoints a person other than the Chair of the meeting as his proxy will need to ensure that both he and his proxy comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.
15. A quorum consisting of three or more shareholders present in person or by proxy is required for the General Meeting. If, within half an hour after the time appointed for the General Meeting, a quorum is not present the General Meeting shall be adjourned for seven days at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of adjournment need be given at any such adjourned meeting. Those shareholders present in person or by proxy shall constitute the quorum at any such adjourned meeting.
16. As at 5 November 2020 (being the last business day prior to the publication of this notice) the Company's issued share capital consisted of 48,998,989 ordinary shares carrying one vote each. Therefore, the total voting rights in the Company as at 5 November 2020 were 48,998,989 votes.
17. Further information regarding the meeting which the Company is required by Section 311A of the Companies Act 2006 to publish on a website in advance of the meeting (including this Notice), can be accessed at <https://www.bailliegiufford.com/en/uk/individual-investors/funds/baillie-gifford-china-growth-trust/>.
