Forward-Looking Statements

This press release may contain or refer to forward-looking information based on current expectations. In some cases, forward-looking statements can be identified by terminology such as “anticipate”, “may”, “expect”, “believe”, “prospective”, “continue” or the negative of these terms or other similar expressions concerning matters that are not historical facts. These statements should not be understood as guarantees of future performance or results. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Although such statements are based on management's reasonable assumptions, there can be no assurance that actual results will be consistent with such statements. Forward-looking statements are subject to significant risks and uncertainties, and other factors that could cause actual results to differ materially from expected results. These forward-looking statements are made as of the date hereof and we assume no responsibility to update or revise them to reflect new events or circumstances.
