Certain information in this press release may constitute forward-looking information. For example, statements about the Company's future growth or value, potential benefits of using the Company's products, customers' commitment to use the Company's products going forward, the recurring nature of the Company's revenues, the revenues anticipated to be received by the Company from recent contracts referred to above and anticipated market trends are forward-looking information. This information is based on current expectations that are subject to significant risks and uncertainties that are difficult to predict. Actual results might differ materially from results suggested in any forward-looking statements. The Company's business and value may not grow as anticipated or at all, revenue anticipated from contracts may not be received due to many risks, including factors specific to the customer, and anticipated market trends may not occur or continue. Historical growth levels and results may not be indicative of future growth levels or results. The Company assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those reflected in the forward looking-statements unless and until required by securities laws applicable to the Company. There are a number of risk factors that could cause future results to differ materially from those described herein. Please see "Risk Factors Affecting Future Results" in the Company's annual management discussion and analysis dated March 10, 2022 found at www.sedar.com for a discussion of such factors. Please also refer to the Company's management discussion and analysis for the year ended December 31, 2021 for a description of how the Company determines and uses ARR. ARR is a key performance indicator used by the Company and is not meant as an indication such amounts will necessarily be included in revenues in any given fiscal year.
