EVOLVE ROYALTIES COMMENCES TRADING ON OTCQX

Evolve Royalties Ltd. (“**Evolve**” or the “**Company**”) (CSE: EVR; OTCQX: EVRYF) announces that effective today, its common shares have qualified to trade on the OTCQX® Best Market (“OTCQX”) in the United States under the ticker “EVRYF”. The Company’s common shares will continue to trade on the CSE under the symbol “EVR”.

Joseph de la Plante, President & Chief Executive Officer of Evolve Royalties commented: “Trading on OTCQX significantly enhances Evolve's accessibility to U.S. investors and reflects our commitment to transparency as we scale our portfolio of copper and diversified commodity royalties. We see this as an important step in supporting long-term shareholder value and broadening awareness of Evolve in the U.S. market”.

Comprehensive market data and real-time price quotes can be found on www.otcmarkets.com. The OTCQX Market is the highest-level lowest-risk market for international companies operating in the United States and is restricted to companies with high financial standards, who practice fairness and transparency, and comply with applicable security laws.
