

CERTIFICATE OF QUALIFICATIONS

WILLIAM N. PEARSON, PH.D., P.GEO.

I, William N. Pearson, Ph.D., P.Geo. do hereby certify that:

1. I am President of Pearson Geological Ltd.
2. I am a graduate of the University of British Columbia in 1974 with a Bachelor of Science Honours degree in Geology, of Queens University, Kingston, Ontario with a Masters of Science degree in Economic Geology in 1977 and of Queen's University with a Doctor of Philosophy in Economic Geology in 1980.
3. I am registered as a Professional Geoscientist (P.Geo.) in the Provinces of Ontario (Reg. No. 0001) and British Columbia (Reg. No. 18540).
4. I have worked as a Geologist for a total of 34 years since my graduation. My relevant experience for the purpose of the Technical Report is:
 - Review and reporting as a consultant and company executive on exploration and mining projects in 16 countries in North America, South America, Central America, Europe, East Asia and Australia for due diligence and regulatory requirements
 - Have extensive experience in gold exploration in Central America
 - Previously and presently managing exploration programs for epithermal gold deposits
5. I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI43-101) and past relevant work experience, I fulfill the requirements to be a "qualified person" for the purposes of NI43-101.
6. I am responsible for overall preparation of the this report entitled "Technical Report on Orosi Mine, Nicaragua: 2008 Exploration Program and Mineral Resource Estimate, San Juan Zone dated March 14, 2009, including all sections except Sections 16, 17 (Mineral Reserves) and 18.
7. I visited the Orosi Mine area exploration projects and reviewed results from these projects on a regular basis from October 2007 to October 2008. Since October 1, 2007 I have supervised all aspects of exploration for Central Sun Mining including supervision of on-going work at the Orosi Mine area projects.
8. As of the date hereof, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

9. I am not independent of Central Sun applying the tests set out in Section 1.4 of NI43-101.
10. I have read NI 43-101F1, and the Technical Report has been prepared in compliance with NI43-101 and Form 43-101F1.
11. I consent to the filing of this Technical Report with any stock exchange and other regulatory authority and any publication by them, including electronic publication in the public company files on their websites accessible by the public, of this Technical Report.
