Item 5 Full Description of Material Change

5.1 Full Description of Material Change

The Company has launched Asantae Java™ Whole Bean Canada. The whole bean Breakfast Blend coffee roast adds to the mix of ground coffees that are now available in Canada, all of which feature the triple-patented HealthyRoast® process.

The Company has the North American rights to a triple-patented HealthyRoast® process that preserves the natural health properties of coffee beans. In addition, Asantae Java is certified organic by the OCIA and is produced in ways that are kind to the environment, wildlife and local communities.

Asantae Java Whole Bean was launched in the United States in January of this year and will be available in Canada next week. The coffee will be available in a one-pound bag in the Breakfast Blend roast.
