About Water Ways Technologies

Water Ways is the parent company of IAT which is an Israeli based agriculture technology company that specializes in providing water irrigation solutions to agricultural producers. IAT competes in the global irrigation water systems market with a focus on developing solutions with commercial applications in the micro and precision irrigation segments of the overall market. At present, IAT’s main revenue streams are derived from the following business units: (i) Projects Business Unit; and (ii) Component and Equipment Sales Unit. IAT was founded in 2003 by Mr. Ohad Haber with a view of capitalizing on the opportunities presented by micro and smart irrigation, while also making a positive mark on society by making these technologies more widely available, especially in developing markets such as Africa and Latin America. IAT’s past projects include vineyards, water reservoirs, fish farms, fresh produce cooling rooms and more, in over 15 countries.
