Forward-Looking Statements

Certain statements contained in this press release constitute "forward-looking information" as such term is defined in applicable Canadian securities legislation. The words "may", "would", "could", "should", "potential", "will", "seek", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions as they relate to Water Ways. All statements other than statements of historical fact may be forward-looking information. Such statements reflect Water Ways' current views and intentions with respect to future events, and current information available to Water Ways, and are subject to certain risks, uncertainties and assumptions. Material factors or assumptions were applied in providing forward-looking information. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Should any factor affect Water Ways in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, Water Ways does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and Water Ways undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law. Water Ways' results and forward-looking information and calculations may be affected by fluctuations in exchange rates and its own share prices. All figures are in Canadian dollars unless otherwise indicated.
