Update on Liquidation of Irri-Al-Tal Ltd.

Further to its press release dated October 1, 2024, and previous disclosures regarding its strategic shift toward the Canadian market to streamline operations and reduce both fixed and variable costs, Water Ways announced that on October 1, 2024, it filed an application (the "**Application**") to cease operations of its Israeli subsidiary, Irri-Al-Tal Ltd. ("**IAT**"). The filing of the Application was approved by the directors of Water Ways and is not expected to affect the revenues and operation of Water Ways which primarily come from its Canadian subsidiary, Heartnut Grove WWT Inc. ("**HGWWT**").

The Application will not affect any assets of Water Ways that are held directly by Water Ways or through HGWWT and is expected to take approximately three years, an increase from the initially anticipated five to twelve month period as a result of delays in collecting amounts owed to IAT by customers located in international jurisdictions.
