DURANGO ENGAGES STOCKHOUSE

Vancouver, BC / TheNewswire / February 15, 2018 – Durango Resources Inc. (TSX.V-DGO) (Frankfurt-86A1) (OTC Grey-ATOXF), (the "**Company**" or "**Durango**") announces that further to the news release of January 19, 2018, Durango has engaged Stockhouse to recommend a program to increase market awareness and expand its shareholder base.

Stockhouse had over seven million users in 2017 and offers the industry's most comprehensive programs to reach retail investors. In January 2018, Stockhouse set all time records on www.Stockhouse.com and hit a record 1.25 million unique investors, which translated into over 49 million page views.

Marcy Kiesman, President and CEO of Durango stated, "In order to achieve our goals for 2018, management has strategically considered plans which include increasing market awareness. Stockhouse has access to many qualified and accredited investors who are waiting to hear our story. Durango is positioned for discovery with a diverse portfolio of undervalued Canadian projects ranging from the NMX East project with lithium in pegmatites adjacent to Nemaska Lithium Inc., to the recently announced silver & copper values on its Dianna Lake project in Saskatchewan, and its high-purity limestone project in B.C. which is beneficial to numerous emerging industries."

Additionally, further to the news of December 7, 2017, the Company is still waiting for assay results on its expedited till sampling program completed on prioritized claims neighbouring Osisko Mining Inc. in the Windfall Lake area of Quebec. The Company also has assay results pending on reconnaissance samples taken last fall from its project near GT Gold in the golden triangle of B.C.
