Re: Peak Mining Corporation

We refer to the Management Information Circular relating to the annual and special meeting of the shareholders of NQ Exploration Inc. to be held on December 18, 2017 (after referred as "Management Information Circular").

We consent to being named and to the use, in the above-mentioned Management Information Circular, of our report dated November 17, 2017 to the shareholder of Peak Mining Corporation on the following financial statements:

- Statements of financial position as at December 31, 2016 and 2015;
- Statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2016 and 2015, and a summary of significant accounting policies and other explanatory information.

We report that we have read the Management Information Circular and all information therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a result of our audit of such financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the Management Information Circular as these terms are described in the CPA Canada Handbook – Assurance.

This letter is provided solely for the purpose of assisting the stock exchange to which it is addressed in discharging its responsibilities and should not be used for any other purpose.
