VATIC VENTURES UPDATES ON DELAYS IN FILING Q4 ANNUAL AND Q1 INTERIM STATEMENTS DUE TO COVID-19 PANDEMIC

Vancouver, BC, July 31, 2020 - Vatic Ventures Corp. (the "**Company**" or "**Vatic**") (TSXV:VCV; FRA:V8V3) further to its June 22, 2020 news release, the Company has delayed filing its annual financial statements, management's discussion and analysis, and officer certificates for the year ended February 28, 2020, due to logistics and delays caused by the COVID-19 pandemic. Vatic has also delayed filng its Q1 interim financial statements, management's discussion and analysis, and officer certificates for the quarter ended May 31, 2020.

Vatic is relying on exemptive relief recently granted by Canadian securities regulatory authorities that allows it to delay the filing of its annual documents required by National Instrument 51-102 by June 28, 2020 and interim documents by July 30, 2020. In response to the coronavirus disease 2020 pandemic securities regulatory bodies in Canada have granted a blanket exemption (BCI 51-517) allowing issuers an additional 45 days to complete their regulatory filings.

Vatic estimates that its 2020 annual documents and Q1 interim documents will be available for filing at its earliest opportunity, which is expected to occur on or before September 15, 2020. Until such time as the 2020 annual documents and Q1 interim documents are filed, Vatic's management and other insiders are subject to a trading blackout that reflects the principles contained in section 9 of National Policy 11-207 - Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions.

There have been no material business developments since the date of the last interim financial statements, filed on January 28, 2020, however, the Company has issued news releases subsequent to January 28, 2020, copies of which are available on SEDAR at **www.sedar.com**.
