CERTIFICATE OF AUTHOR

I, Yves A. Buro, ing., do hereby certify that:

- 1) I am a Senior Geologist with Met-Chem Canada Inc. (Met-Chem) with an office situated at Suite 300, 555 René-Lévesque West Blvd, Montréal, Canada;
- 2) I am a graduate of University of Geneva, Switzerland with the equivalent of a B.Sc. and a M.Sc. in Geology obtained in 1976;
- 3) I am a member in good standing of the *Ordre des ingénieurs du Québec* (Reg. 42279);
- 4) I have worked as a geologist continuously since graduation from University in 1976. I have gained direct experience on iron-titanium deposits similar to the La Blache, as exploration geologist, in Canada and iron deposits in the USA, Africa, India, South America;
- 5) I have read the definition of “Qualified Person” set out in National Instrument 43-101 (NI 43-101) and certify that by reason of my education, affiliation with a professional association (as defined by NI 43-101) and past relevant work experience, I fulfill the requirements to be a “Qualified Person” for the purposes of NI 43-101;
- 6) I have participated in the preparation of the report entitled “*Technical Report NI 43-101 on the Mineral Resource of the La Blache Property, Quebec, Canada*” (the “Technical Report”) dated June 28, 2011, under Met-Chem consultation company as geologist. I have prepared or provided supervision on all the sections of the report and I am responsible for all the sections of the report;
- 7) I visited the La Blache property and I spent the day of May 19, 2010 in the field; I have reviewed all available and pertinent documents and technical data regarding Argex’s La Blache project;

- 8) I have had no prior involvement with the La Blache project of Argex Mining Inc. that is the subject of the present Technical Report;
- 9) I state that, at the date of this certificate, and to the best of my qualified knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading;
- 10) I have no personal knowledge, as of the date of this certificate, of any material fact or material change which is not reflected in this Technical Report;
- 11) I am independent of the issuer having applied all the tests defined in section 1.4 of NI 43-101;
- 12) I have read National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.

This 30th day of June 2011

Yves A. Buro
