

**CERTIFICATES OF QUALIFIED PERSONS****CERTIFICATE Alistair Barton**

I, Alistair Heatley Barton, FAusIMM, CP Geo., do hereby certify that:

1. I am Principal Geologist and Director at:  
Barton Metals Pty Ltd  
40 Balmerino Drive,  
Carina, Queensland, 4152, AUSTRALIA.
  2. I graduated with an Associate Diploma and Fellowship Diploma in Geology from the Royal Melbourne Institute of Technology in 1973 and 1974 respectively.
  3. I am a Fellow of the Australasian Institute of Mining and Metallurgy (FAusIMM) and I am an accredited Chartered Professional (Geology).
  4. I have worked as a geologist for a total of 37 years since graduation in the gold, base metals, coal and industrial minerals industries including exploration, project development, mining operations, contract mining and engineering services, consulting, capital fund raising and public company management. Commodity experience includes copper, lead, zinc, gold, silver, tin, tungsten, molybdenum, tantalite, nickel, uranium, indium, heavy mineral sands, coal, iron ore, blue metal quarry products, some clays, silicon, silica sand, pyrite (for sulphur), semi-precious gem stones (aquamarine, topaz), limestone and dolomite. I have operated throughout Australia and also have overseas experience in Canada, China, Mongolia, Mozambique, Mexico, Fiji, the Philippines, Solomon Islands and New Zealand. Of relevance to this Project is my experience of more than 10 years in managing scoping studies, pre-feasibility studies and feasibility studies.
  5. I have read the Policy and this report is prepared in compliance with its provisions. I have read the definition of Qualified Person set out in National Instrument 43-101 (NI 43-101) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a Qualified Person for the purposes of NI 43-101.
  6. For the purposes of the Technical Report entitled: "Revised Preliminary Economic Assessment for a 15 Million Tonne Per Annum Mine With Higher Magnetite Recoveries, Taysan Copper Gold Project and dated 28<sup>th</sup> February 2012" of which I am author, I am a Qualified Person as defined in national Instrument 43-101 ("the Policy") and a Competent Person as defined under the JORC Code (2004)
  7. I am responsible for the preparation of the Technical Report to Crazy Horse Resources, Inc. entitled "Revised Preliminary Economic Assessment for a 15 Million Tonne Per Annum Mine With Higher Magnetite Recoveries, Taysan Copper Gold Project " and dated 28<sup>th</sup> February 2012, relating to the Project areas.
  8. I have read National Instrument 43-101 and Form 43-101 F1, and the Technical Report has been prepared in compliance with that instrument and form.
  9. I have had an involvement in the Project areas since April 2011. The nature of this involvement includes the technical report write up, management of the scoping studies and full technical and commercial reviews of the project and reviews of the pre-feasibility programme and budgets. I visited the Project area and the Batangas Port for a total of one day in April 2011.
  10. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
  11. I am independent of the issuer applying all of the tests in Section 1.5 of NI 43-101.
  12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
-

13. I have not had prior involvement with the property that is the subject of the Technical Report.
14. I have no direct or indirect interest in the property that is the subject of this report.
15. I do not hold, directly or indirectly, any shares in CZH or other companies with interests in the Taysan Project
16. I do not hold any direct interest in any mineral tenements in the Philippines.
17. I will receive only normal consulting fees for the preparation of this report.

Dated 28<sup>th</sup> February 2012.
