ABOUT EXCLAMATION INVESTMENTS CORPORATION

exclamation Investments is a business creator that conceives and develops paradigm-shifting businesses in its roles of seed investor, founder and active partner. Leveraging its trans-Atlantic network to develop new business concepts, and its process for transforming ideas and capital into profits, exclamation shareholders participate from the founder stage as they 'get in' at a low cost before significant value is established, and are positioned to 'exit' and realize gains when value is maximized, offering potential returns significantly higher than traditional venture capital and private equity.
