This Form 52-109F1R (the “**Amended Form**”) has been filed as the previous Forms 52-109FV1 filed on SEDAR+ on April 10, 2026 (the “**First Form**”) and April 21, 2026 (the “**Second Form**”) respectively, contained errors. The error in the First Form was that it was dated April 9, 2026 rather than April 10, 2026, the date on which the First Form was filed. The error in the Second Form was that it was in the wrong format, that is, the Second Form was a Form 52-109FV1. The correct form was Form 52-109F1R. This Amended Form is properly dated as at April 23, 2026, the date on which it is filed and is in the proper form, Form 52-109F1R.

Yours truly,
