

Manganese X Energy Corp. Announces Private Placement Financing

// THIS PRESS RELEASE IS NOT INTENDED FOR RELEASE OR DISSEMINATION IN THE UNITED STATES //

Montreal, Quebec – November 26, 2024 - **Manganese X Energy Corp. (TSXV: MN) (FSE: 9SC) (TRADEGATE: 9SC) (OTCQB: MNXXF) (the "Company" or "Manganese X")** is pleased to announce that it has arranged a non-brokered private placement offering of up to 11,428,571 common shares of the Company at a price of \$0.035 per common share for aggregate proceeds of up to \$400,000 (the "**Offering**").

Each common share shall qualify as a "flow-through share" for the purposes of the *Income Tax Act* (Canada) (a "**FT Share**"). Proceeds from the Offering shall be used for Canadian Exploration Expenses ("**CEE**") and "flow-through mining expenditures" as defined in the *Income Tax Act* (Canada) to be incurred on or before December 31, 2025, and renounced with an effective date no later than December 31, 2024, to the initial subscribers of the FT Shares in an aggregate amount not less than the subscription proceeds.

All securities issued in connection with the Offering will be subject to a hold period under applicable Canadian securities laws expiring four months and one day from the date of closing of the Offering. Subject to receipt of all necessary regulatory approvals, including acceptance by the TSX Venture Exchange, Manganese X anticipates that the Offering will be closing in mid-December 2024. Finder's fees payable to certain qualified finders will be applicable.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities offered have not been and will not be registered under the *United States Securities Act of 1933*, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons unless registered under the U.S. Securities Act and applicable state securities laws, unless an exemption from such registration is available.

About Manganese X Energy Corp.

Manganese X's mission is to advance its Battery Hill project into production, thereby becoming the first public actively-traded manganese mining company in Canada and the U.S. to commercialize EV compliant high purity manganese, potentially supplying the North American supply chain. The Company intends on supplying value-added materials to the lithium-ion battery and other alternative energy industries, as well as striving to achieve new carbon-friendly more efficient methodologies, while processing manganese at a lower competitive cost.

Cautionary Note Regarding Forward-Looking Statements:

*This news release contains certain "forward-looking information" and "forward-looking statements" (collectively "**forward-looking statements**") within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein, without limitation, are forward-looking statements. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Forward-looking statements in this news release relate to, among other things, completion of the Offering, including the receipt of approvals thereof and the use of proceeds related thereto. Actual future results may differ materially. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, the inability of the Company to obtain all necessary approvals related to the Offering. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these items. The Company does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by applicable securities laws.*
