Arkave Virtual Reality Gaming Platform is a Hit and Starts Global Expansion

Vancouver, BC – September 17th, 2018 – YDreams Global Technologies Inc. (TSX-V: YD) (“YDreams” or the “Company”) is pleased to present its September monthly corporate update. YDreams has been extremely busy the last few months and will initiate monthly corporate update to keep the communications open to shareholders. Arkave continues to get rave reviews as it begins to expand globally. The YDStudio division has one of its best quarters ever and YDreams showcases its Virtual Reality expertise at a couple of industry leading shows.

Arkave VR:

Arkave VR was the main attraction at “Game XP” last week, one of the largest gaming festivals in South America. This was the perfect opportunity for YDreams to debut the latest version of its hit game “The Last Squad”, a VR multiplayer, free roaming experience.

6 Arkave VR arenas were set up allowing groups of 18 people at a time to play. Background video stories to the game were shown, setting the table for an amazing immersive experience. Ranking boards were displayed allowing the gamers to see who the big winner was of each game.

Francisco Chaves, Head of Arkave VR said “It was impressive to have over 4,000 players during the 4-day event playing our game. After the first day when the gates opened, people would run to our Arkave VR arena to be able to play and in many cases more than once.” Also stating “This format was a huge success and Arkave VR was voted the best attraction of the event.”

Expansion of the Arkave VR Arenas in the United States are underway and negotiations with a distributor for Family Entertainment Centers has begun. The product is a turnkey solution and considered one of the best VR Multiplayers experience in the world.

YDreams will soon be opening an Arkave VR Store in Vancouver, B.C. located in Gastown. The store will be featuring the Arkave VR arenas and will have VR and e-sport related products for sale. It will also have a professional e-Sports area, dedicated to local teams and tournaments.

YDStudio Division:

The YDStudio division has signed 8 new contracts over July and August, of which 6 are new clients. Highlighted by an Augmented Reality App for Hyundai Motor Brazil, other contracts spanned the telecom and energy sectors as well as major shopping mall experiences. These sales will add an estimated \$600,000 CAD in revenues for the company.

September, we delivered a virtual reality experience showing the future of shopping malls for Sonae Sierra which debuted at one of the largest conventions for the industry in South America.

Financial:

As previously reported on the last Management's Discussion and Analysis, the Company's gross profit for first half of 2018 increased by \$452,289 from a gross loss of \$37,961 during the six months ended June 30, 2017 to a gross profit of \$414,328 during the six months ended June 30, 2018.

Events:

Extraordinary Future

The Company would like to extend a special invite to shareholders and those interested in experiencing The Arkave VR to attend Extraordinary Future, an event taking place at the Vancouver Trade and Convention Centre (East) September 19 – 20, 2018.

The Company will have a full Arkave VR arena, with the latest version of The Last Squad.

Daniel Japiassu, CEO of YDreams Global will also be participating on a panel titled:

“E-Gaming: Where is it headed and where is the money?” Moderated by Chris Parry.

Shareholders interested in attending can email hey@ydreamsglobal.com to receive a discount code for the event.
