YDREAMS GLOBAL SIGNS WITH LAUNCH TRAMPOLINE PARK TO OPEN SECOND ARKAVE VR ARENA IN THE U.S.

VANCOUVER, B.C. – December 10th, 2018 – YDreams Global Technologies Inc. (TSX-V: YD) ("YDreams" or the "Company") a leading designer and developer of augmented and virtual reality experiences, today announced that its second U.S. installation of its Arkave VR platform will be at Launch Trampoline Park in Doral, Florida.

Launch Doral is conveniently located in the Miami suburb of Doral, home to many top attractions including Golf Resorts and Shopping Malls and is only one mile from the Miami International Airport and the many nearby hotels.

Arkave VR is a product created by YDreams Global to be a premium option for thousands of Family Entertainment Centers – FECs - that are looking for an affordable and highly immersive Virtual Reality solution. In November, the Company officially launched the product at IAAPA, the world's largest event for FECs and Theme Parks.

Initial contact with the store owners of Launch Doral was made during IAAPA, negotiations moved fast, and installation is set for the second week of January 2019. Launch Doral marks the second Arkave VR Arena deal signed since IAAPA joining Andretti Karting who will be debuting Arkave VR at their Marietta GA location in the coming weeks.

The recently opened Doral location of Launch offers their customers a state-of-the-art facility that holds not only trampolines but also extreme dodgeball, a giant airbag, tumble tracks, basketball, battle beam, slack line and an amazing arcade games selection.

"We are very excited to receive an Arkave arena in our park. Among many other VR attractions being shown, Arkave got our attention due to its real free-roaming structure. The project was able to become a reality thanks to the dynamic YDreams team." - Jonas Roter - Owner Launch Doral

Launch Trampoline Park is a franchise business that is rapidly expanding in the U.S. with 19 locations open in 14 States but with another 24 locations announced for 2019 increasing the presence to 24 States.

“We are thrilled to have signed Launch Doral, we had an instant connection with the owners and had a great time playing Arkave. When we created this product we had in mind entrepreneurs that were looking to bring a great new attraction to their business. Launch Trampoline Park has a very innovative franchise business model that is a great fit with our product. We hope this is just the first of many arenas with the Launch family.” – stated Daniel Japiassu – CEO of YDreams Global.

About Launch Trampoline Parks

Launch Trampoline Parks is a part of one of the fastest-growing family recreation trends. The trend started almost a decade ago with only a handful of trampoline parks and has grown with industry revenues at approximately $680 million according to the industry association.
Each Launch Trampoline Park is a year-round destination-entertainment and recreation center of connected trampolines forming giant jumping surfaces. Our parks also feature the popular Dodgeball Courts, Slam Dunk Basketball, Foam Pits, and Kid’s Courts. The arcade and Launch Café provide guests with more services while providing additional revenue streams to owners. This makes Launch the perfect social gathering place for date night, birthday parties, family events, corporate events, church outings, fundraisers or just friendly get-togethers in a safe and enjoyable environment.

About YDreams Global

YDreams Global Interactive Technologies Inc. (www.ydreamsglobal.com) is a technology company with offices in Vancouver, São Paulo and Rio de Janeiro. that combines Augmented and Virtual Reality Technology, Design and Intelligence to respond to the challenges and demands of today’s users and consumers.
