

22.0 CERTIFICATES OF AUTHORS

22.1 Certificate of Author – Peter A. Christopher P.Eng.

I, Peter A. Christopher, with business address at 3707 West 34th Avenue, Vancouver, British Columbia, do hereby certify that:

1. I am a Consulting Geological Engineer registered (#10,474) with the Association of Professional Engineers and Geoscientists of British Columbia since 1976.
2. I am a Fellow of the Geological Association of Canada.
3. I hold a B.Sc. (1966) from the State University of New York at Fredonia, a M.A. (1968) from Dartmouth College and a Ph.D. (1973) from the University of BC.
4. I have been practicing my profession as a Geologist for over 35 years and as a Consulting Geological Engineer since June 1981. I have authorized over 300 qualifying engineering and exploration reports, and over 20 professional publications. I have work experience in most areas of the United States, Canada, Europe, Papua New Guinea, Mozambique, Madagascar, Mexico and several other Latin American countries. As a result of my experience and qualifications, I am a qualified person as defined in National Instrument 43-101.
5. I have no direct or indirect, nor do I expect to receive any interest directly or indirectly in the properties or securities of Alexander Nubia Inc. or Chrysalis Capital VII Corporation. I am independent of Alexander Nubia Inc. and Chrysalis Capital VII Corporation in accordance with the application of Section 1.4 of National Instrument 43-101.
6. I have based my report entitled “*Technical Report on the Abu Marawat Concession, Egypt*” dated December 20, 2009 on previous exploration experience on vein gold deposits and volcanic massive sulphide deposits, on a review of reports listed in the references and sources of data section and on personal examinations of the Abu Marawat concession areas on February 6th, 2008 and examination of core from the Abu Marawat area on February 7th, 2008. I had no exploration experience on the Abu Marawat property prior to the February 6th, 2008 site examination.
7. I am jointly responsible for all sections of this report except for section 10.3.
8. As of the date of this certificate, to the best of my knowledge, information and belief, this technical report contains all the scientific and technical information that is required to be disclosed to make this technical report not misleading
9. I have read National Instrument 43-101, Form 43-101F1 and believe this report is in compliance with National Instrument 43-101.
10. I consent to the filing of this report with the TSX Venture Exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files .

Dated at Vancouver, British Columbia, this 20th day of December, 2009.

“/s/Peter Christopher”

Peter A. Christopher, P.Eng.
