1. Concert Party Directors.

To Ordinary Shareholders, participants in the ISA and Savings Scheme and, for information only, holders of awards under the Performance Share Scheme and the Deferred Bonus Plan.

Dear Shareholder

1. Introduction

The purpose of this letter is to provide you with an explanation of the resolutions to be proposed at the eighty-ninth annual general meeting of the Company, which will be held at Cayzer House, 30 Buckingham Gate, London SW1E 6NN, at 11.30 a.m. on Thursday 19 July 2018 and to seek your approval of them. The notice of AGM is set out at the end of this document.

The first part of the AGM (resolutions 1 to 14 inclusive) will address the ordinary business of the AGM. The second part of the AGM (resolutions 15 to 19 inclusive) will seek the necessary shareholder approvals for:

- the Authority to Make Market Purchases;
- a waiver which the Panel has agreed to grant (subject to Independent Shareholders' approval) of any obligation on the Concert Party under Rule 9 of the Takeover Code which might arise if the Company makes purchases of Ordinary Shares pursuant to the Authority to Make Market Purchases;
- the renewal of the Company's authority to allot unissued Ordinary Shares;
- the renewal of the Directors' authority to allot Ordinary Shares, or transfer Ordinary Shares from treasury, on a non pre-emptive basis; and
- the renewal of the Directors' authority to convene general meetings of the Company, other than annual general meetings, on 14 clear days' notice.

All of the resolutions to be proposed at the AGM (including for the proposals outlined above) are explained in further detail below.

2. Ordinary business

The ordinary business of the AGM comprises resolutions 1 to 14 inclusive.

Resolution 1: Annual Report

The Directors are required to lay the Annual Report before the AGM. The Directors approved the Annual Report on 24 May 2018. Although not a statutory requirement, resolution 1 seeks the approval of the Annual Report by Ordinary Shareholders, who will be given the opportunity to ask questions about the Annual Report at the AGM.

A copy of the Annual Report accompanies this document.

Resolution 2: Directors' remuneration report

The Directors' remuneration report comprises three sections:

- an annual statement by the Chairman of the Remuneration Committee, which summarises and explains the major decisions taken and changes made to Directors' remuneration during the year;
- a remuneration policy, which sets out the framework for future remuneration payments to Directors;
- an annual report on Directors' remuneration, which sets out payments made to Directors during the year.

The statement by the Chairman of the Remuneration Committee and the annual report on Directors' remuneration are required to be put to an annual advisory vote of shareholders. The remuneration policy is subject to a binding vote of shareholders and must be approved at least every three years, although an earlier vote will be required if the Remuneration Committee wishes to implement any policy changes or if an advisory vote on an annual report on Directors' remuneration is not passed. The current remuneration policy was approved by shareholders at the 2017 AGM and no changes are proposed to it this year.

Resolution 2 therefore seeks approval of the Directors' remuneration report for the year ended 31 March 2018, other than the part containing the remuneration policy, the relevant sections of which are set out on pages 43 and 44 and 53 to 59 of the Annual Report. As required by the 2006 Act, the Company's auditor, KPMG LLP, has audited those parts of the annual report on Directors' remuneration required by the legislation to be audited and its report is set out on pages 66 to 69 of the Annual Report. As stated above, this resolution is advisory in nature and does not affect the remuneration paid to any Director.

Resolution 3: Final dividend

The Directors have proposed a final dividend of 41.5p per Ordinary Share for the year ended 31 March 2018, payable on 9 August 2018 to Ordinary Shareholders on the register of members as at the close of business on 29 June 2018. Resolution 3 seeks Ordinary Shareholders' approval of this dividend.

Resolutions 4 to 12: Election and re-election of Directors

In accordance with the provisions of the UK Corporate Governance Code, all of the Directors are offering themselves for re-election or, in the case of Mr Davison who was appointed with effect from 1 January 2018, election, as set out in resolutions 4 to 12.

Biographies of the Directors proposed for election or re-election and details of the specific experience and attributes that they bring to the Board which enable them to contribute effectively to the leadership of the Company, in addition to their general commercial judgement, are set out below.

He currently sits on the advisory committees of a number of Caledonia's fund investments and is Chairman of The Henderson Smaller Companies Investment Trust and a non-executive director of Polar Capital Holdings. He is also Chairman of Heritage of London Trust and the Bronze Oak Tree Project.

Mr Cayzer-Colvin brings to the Board broad senior management experience and investment expertise.

- ***The Hon C W Cayzer, Non-Executive Director (resolution 8)***

Having gained experience of merchant banking, commercial banking and corporate and project finance with Baring Brothers, Cayzer Irvine and Cayzer Ltd, The Hon Charles Cayzer was appointed an executive director of Caledonia in 1985, becoming non-executive in 2012, and is also a member of the Nomination Committee. During his period as an executive director of Caledonia, he was responsible for a large number of investment acquisitions and disposals and served on the boards of many investee companies, mostly in the property and hotel sectors. He is currently Chairman of Cayzer Trust and the Bedford Estate.

The Hon C W Cayzer brings to the Board broad commercial experience and also extensive knowledge of commercial property.

- ***Mr S J Bridges, Independent Non-Executive Director (resolution 9)***

Stuart Bridges was appointed a non-executive director of Caledonia in 2013 and is Chairman of the Audit Committee and a member of the Governance and Nomination Committees. A chartered accountant, he was until May 2017 Group Chief Financial Officer of Nex Group, which he joined in 2015 after some 16 years as Chief Financial Officer of Hiscox. Prior to Hiscox, he held positions in various financial services companies in the UK and US, including Henderson Global Investors. He is a member of the Finance Committee of The Royal Institution.

Mr Bridges brings to the Board a wide knowledge of both the insurance and investment markets, as well as financial oversight expertise.

- ***Mr C H Gregson, Senior Independent Non-Executive Director (resolution 10)***

Charles Gregson was appointed a non-executive director of Caledonia in 2009 and is Chairman of the Governance and Remuneration Committees and a member of the Nomination Committee. He spent his business career at United Business Media and its predecessor companies in a number of divisional and head office roles and has served on a number of boards in the financial services sector, including St James's Place, Provident Financial, MAI and International Personal Finance, and in the media services sector, including United Business Media and PR Newswire Europe. He is currently non-executive Chairman of Nex Group and Non-Standard Finance.

Mr Gregson brings to the Board extensive senior board level experience as well as experience of managing relationships with the media, regulators and the institutional investor community.

- ***Mrs S C R Jemmett-Page, Independent Non-Executive Director (resolution 11)***

Shonaid Jemmett-Page was appointed a non-executive director of Caledonia in 2015 and is a member of the Audit, Governance, Nomination and Remuneration Committees. She spent the first 20 years of her career at KPMG in London and Tokyo, rising to the position of Partner, Financial Services. In 2001, she moved to Unilever, where she was Senior Vice President, Finance and Information for Asia, based in Singapore, before returning to the UK as Finance Director for Unilever's global non-food business. In 2009, she joined CDC Group as Chief Operating Officer, a position she held until 2012. Since then, she has focused on non-executive appointments and is currently non-executive Chairman of MS Amlin and a non-executive director of Greencoat UK Wind.

Mrs Jemmett-Page brings to the Board extensive financial oversight and international business experience, in particular in the Far East.

- **Mr G B Davison, Independent Non-Executive Director (resolution 12)**

Guy Davison was appointed a non-executive director of Caledonia with effect from 1 January 2018 and is a member of the Audit and Nomination Committees. After qualifying as a chartered accountant, he spent four years at Larpent Newton before joining Cinven, the leading international private equity firm, in 1988 as a founding partner, remaining with the firm until his retirement in January 2017. During that time, he was central to the development and expansion of the business from the time of its buy-out from British Coal in 1995 to one which today employs around 120 staff in offices in Guernsey, London, Frankfurt, Paris, Madrid, Milan, Luxembourg, Hong Kong and New York.

During his 29 years at Cinven, Mr Davison held numerous board positions, representing Cinven as chairman or non-executive director at some 25 of its portfolio companies, including Ahlsell, the Nordic region's leading trading company in installation products and tools and machinery, Maxeda, the largest DIY retailer in the Benelux countries, Gala Coral, the UK gaming business, and William Hill, the UK betting chain.

Mr Davison brings to the Board over 30 years' knowledge and experience of private equity investing, both in the UK and in Europe, which is of particular benefit to Caledonia's unquoted portfolio.

Following completion of the Board's annual evaluation process, the Nomination Committee is of the opinion (confirmed by the Chairman) that all of the Directors offering themselves for election or re-election continue to provide effective contributions to the performance of the Board and to demonstrate commitment to their roles as Directors. Accordingly, the Nomination Committee recommends that all of the Directors proposed for election or re-election at the AGM should be elected or re-elected.

Under the Listing Rules, where a premium listed company has a controlling shareholder or shareholders (being a person or persons acting in concert who exercise or control 30 per cent. or more of the company's voting rights), the election or re-election of any director determined by its board to be independent must be approved by a majority vote of both (i) all of the shareholders of the company and (ii) the independent shareholders, being those who are not controlling shareholders. If the election or re-election of an independent director is not approved by votes of both all shareholders and the independent shareholders and the company still wishes to propose that director for election or re-election, it must propose a further resolution, to be approved by all shareholders, at a meeting which must be held more than 90 days, but within 120 days, of the first votes. In the interim, the relevant independent director is treated as having been elected or re-elected until the meeting at which the further resolution is proposed. The level of the shareholding of the Concert Party in Caledonia means that these provisions apply to Caledonia's independent directors.

The Board has determined that Stuart Bridges, Charles Gregson, Shonaid Jemmett-Page and Guy Davison are independent and accordingly the resolutions for their election or re-election (resolutions 9 to 12 inclusive) will be subject to the dual voting procedure described above. Single resolutions will be proposed at the AGM for the election or re-election of each Director on which all shareholders may vote, but the Company will separately count the number of votes cast in favour by Independent Shareholders to determine whether the second requisite majority has been met. The Company will announce the results of the votes on each basis after the AGM has been held.

The Listing Rules also require that, where a premium listed company has a controlling shareholder, a circular to shareholders relating to the election or re-election of an independent director must include details of any existing or previous relationship, transaction or arrangement that the proposed independent director has, or has had, with the listed company, its directors, any controlling shareholder or any associate of a controlling shareholder. It must also include a description of why the listed company considers the proposed independent director will be an effective director, how the listed company has determined that the proposed director is independent and the process followed by the listed company for the selection of the proposed independent director.

Caledonia has received confirmation from each of the above Directors that, other than by virtue of their positions as Directors of Caledonia or as present or past shareholders in the Company, there are no existing or previous relationships, transactions or arrangements as referred to above requiring disclosure, except as listed below:

- Mr Bridges was Group Chief Financial Officer of Nex Group plc from 1 September 2015 until 31 May 2017, when Mr Gregson was non-executive Chairman;
- Mrs Jemmett-Page was Caledonia's audit partner at KPMG Audit Plc from November 1995 to March 2001.

The attributes that enable the independent Directors to make an effective contribution to the Board are described in their biographies above. To determine their independence, the Board has taken into account the experience and standing of the individual Directors concerned and the strength of character and judgement demonstrated by them. It has also considered the relationships or circumstances listed above, which, in the case of Mr Bridges and Mr Gregson, are included in those identified by the UK Corporate Governance Code as being likely to affect, or which could appear to affect, a director's judgement. As explained on page 35 of the Annual Report, the Board does not consider that any of these relationships or circumstances has any influence on the ability of the Directors concerned to exercise independent judgement in relation to the affairs of Caledonia.

To recruit new independent non-executive directors, the Nomination Committee will normally engage an independent search consultant to find appropriate candidates with the requisite skills, although the Nomination Committee may also consider candidates introduced from other sources. All of the independent Directors proposed for election or re-election were selected following a search conducted by external consultants.

None of the Executive Directors has a contract of service which cannot be terminated within one year. The Non-Executive Directors seeking election or re-election are appointed under letters of appointment which do not provide any entitlement to compensation in the event of their ceasing to be Directors.

Resolutions 13 and 14: Re-appointment and remuneration of the auditor

Resolution 13 seeks approval, as recommended by Caledonia's Audit Committee, of the re-appointment of KPMG LLP as auditor to the Company until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 14 will give authority to the Directors to agree the auditor's remuneration.

3. Special business

The special business to be considered at the AGM comprises resolutions 15 to 19 inclusive.

Resolution 15: Authority to make market purchases by the Company of its Ordinary Shares

Authority was granted by Ordinary Shareholders to the Company at the 2017 AGM to purchase up to a maximum of 5,538,100 Ordinary Shares, representing approximately 10 per cent. of the then issued Ordinary Shares. Ordinary Shareholders are being asked by resolution 15, which will be proposed as a special resolution, to grant a new authority (which will replace the existing authority) to Caledonia to purchase up to a maximum of 5,537,370 Ordinary Shares, which represents approximately 10 per cent. of the issued Ordinary Shares as at the Latest Practicable Date.

If the resolution is passed, it will empower the Company to make market purchases on the London Stock Exchange of up to 5,537,370 Ordinary Shares at a price per Ordinary Share not more than the higher of:

- a. 5 per cent. above the average of the middle market quotations for Ordinary Shares during the five Business Days preceding any such purchase; and
- b. the higher of:
 - i. the price of the last independent trade in Ordinary Shares; and
 - ii. the highest current independent bid relating thereto on the trading venue where the purchase is carried out;

nor less than 5p, being the nominal value of an Ordinary Share.

The Authority to Make Market Purchases will only be utilised if the Board believes that purchases of Ordinary Shares will be in the best interests of Caledonia and Ordinary Shareholders as a whole and will result in an increase in net asset value per Ordinary Share. In considering whether to exercise the Authority to Make Market Purchases, the Board will take into account both the longer term investment opportunities available to Caledonia and any discount at which the Ordinary Shares are trading in the market relative to the net asset value per Ordinary Share.

A purchase of Ordinary Shares by the Company pursuant to the Authority to Make Market Purchases could increase the percentage of voting rights held by the Concert Party. In certain circumstances (described below), such an increase could trigger an obligation on the Concert Party to make a mandatory offer for the whole of the issued share capital of the Company pursuant to the Takeover Code. Accordingly, Independent Shareholders will be asked to renew the waiver of the mandatory offer provisions granted at the 2017 AGM such that purchases of Ordinary Shares by the Company pursuant to the Authority to Make Market Purchases will not trigger a requirement for the Concert Party to make a mandatory offer for the entire issued share capital of the Company. Further details relating to this waiver are set out below.

There are currently outstanding awards over 1,078,064 Ordinary Shares under the Performance Share Scheme and over 156,804 Ordinary Shares under the Deferred Bonus Plan, in aggregate representing approximately 2.23 per cent. of the issued Ordinary Shares as at the Latest Practicable Date. If the Authority to Make Market Purchases was exercised in full, the Ordinary Shares under award would represent approximately 2.48 per cent. of the issued Ordinary Shares. It is, however, the Board's policy, where possible, to source awards exercised under the Performance Share Scheme or called under the Deferred Bonus Plan using Ordinary Shares held by the Employee Share Trust, thereby avoiding dilution of Ordinary Shareholders' holdings.

The Authority to Make Market Purchases, if granted, will expire at the close of business on 19 October 2019 or, if earlier, at the conclusion of the next annual general meeting of the Company.

Ordinary Shares purchased by the Company pursuant to the Authority to Make Market Purchases may be cancelled, or held in treasury and subsequently cancelled, or sold for cash, or used to satisfy share-based awards issued to employees pursuant to the Performance Share Scheme and the Deferred Bonus Plan. Since the 2017 AGM, the Company has purchased 7,283 Ordinary Shares for cancellation. No Ordinary Shares are currently held in treasury.

Resolution 16: Waiver of mandatory offer provisions set out in Rule 9 of the Takeover Code

Resolution 16, the Waiver Resolution, which will be proposed as an ordinary resolution, seeks Independent Shareholders' approval of a waiver of the obligation that could arise on the Concert Party to make a general offer for the entire issued share capital of the Company as a result of purchases by the Company of Ordinary Shares pursuant to the Authority to Make Market Purchases.

The Panel has ruled that a group of Ordinary Shareholders is deemed to form a concert party for the purposes of the Takeover Code. As at the Latest Practicable Date, these shareholders, being Cayzer Trust, the Concert Party Directors, the Employee Share Trust, the directors of Cayzer Trust and other members of the wider Cayzer family, between them were interested in 26,835,749 Ordinary Shares, representing approximately 48.46 per cent. of the shares carrying voting rights of the Company. The Concert Party's highest percentage of shares carrying voting rights held in the 12 months prior to the Latest Practicable Date was approximately 48.46 per cent.

Under Rule 9 of the Takeover Code, where any person who, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30 per cent., but does not hold shares carrying more than 50 per cent., of the voting rights of a company and such person, or any persons acting in concert with him, acquires an interest in any other shares in the company which increases the percentage of shares carrying voting rights in which he is interested, such person would normally have to extend a general offer to all shareholders to acquire their shares for cash at not less than the highest price paid by him, or parties acting in concert with him, during the 12 months prior to the announcement of the offer.

The percentage of shares carrying voting rights in which the Concert Party is interested could be increased by the purchase by the Company of Ordinary Shares through the exercise by the Company of the Authority to Make Market Purchases. Pursuant to Rule 37 of the Takeover Code, any increase in the percentage of shares carrying voting rights of the Concert Party resulting from such an exercise would normally be treated as an acquisition of interests in shares by the Concert Party for the purposes of Rule 9 of the Takeover Code. Accordingly, if the effect of such exercise was to increase the percentage of shares in which the Concert Party is interested, this could result in members of the Concert Party being obliged to make a general offer for the entire issued Ordinary Share capital of the Company.

In accordance with Rule 37 and Appendix 1 of the Takeover Code, the Panel has agreed to waive any requirement on the Concert Party to make a general offer to all shareholders of the Company which could arise as a result of an exercise of the Authority to Make Market Purchases, provided that the Independent Shareholders have passed, on a poll, the Waiver Resolution. In no circumstances will the Company make market purchases of Ordinary Shares which would result in the percentage of voting rights in which the Concert Party is interested exceeding 49.9 per cent. Accordingly, Independent Shareholders are being asked to approve the Waiver Resolution which, if so approved, will expire at the close of business on 19 October 2019 or, if earlier, at the conclusion of the next annual general meeting of the Company.

The waiver by the Panel will (subject to the discretion of the Panel) be invalidated if any further purchases of Ordinary Shares are made by any member of the Concert Party in the period between the date of this document and the date of the AGM. The waiver by the Panel will also not apply to the purchase of Ordinary Shares by the Concert Party itself, which would remain subject to the provisions of Rule 9 of the Takeover Code as described above. In the event that resolution 16 is passed, the Concert Party will not be restricted from making an offer for the Company.

The Concert Party has no intention of increasing or materially decreasing its interest in Caledonia, although this interest may subsequently increase to not more than 49.9 per cent. as a result of the exercise by the Company of the Authority to Make Market Purchases. The Concert Party remains fully supportive of Caledonia's management and has no intention to make any changes to the future business of the Company, to the continued employment of the employees and management of the Company and its subsidiaries (including material changes in their employment conditions or the balance of their skills and functions), to its pension scheme arrangements, to its fixed assets or to the existing trading facilities for the Company's Ordinary Shares. The Concert Party has also confirmed to the Company that it has no intentions in relation to the strategic direction of the Company, including in respect of the location of the Company's place of business or headquarters. The Company does not carry out research and development.

In considering whether to seek a waiver of the mandatory offer provisions set out in Rule 9 of the Takeover Code, the Non-Concert Party Directors have taken into account: (i) their belief that market purchases of Ordinary Shares as envisaged by resolution 15, details of which are set out above, will be in the best interests of Caledonia and Ordinary Shareholders as a whole; and (ii) the potential increase in the aggregate Concert Party holding, subject to the limit of this increase to a maximum of 49.9 per cent. from its current 48.46 per cent. interest in shares carrying voting rights in the Company.

Further details in relation to the Waiver Resolution are set out in Part II of this document.

Resolution 17: Authority to allot unissued Ordinary Shares

Resolution 17, which will be proposed as an ordinary resolution, seeks to renew the authority granted at the 2017 AGM to allot unissued Ordinary Shares. Whilst they do not have any present intention of exercising any such authority, the Directors believe that it would be in the Company's interests to retain the maximum flexibility permitted by guidance

issued by the Investment Association and, accordingly, are seeking authority to allot Ordinary Shares up to a nominal amount of £1,845,790, representing approximately two-thirds of the issued Ordinary Shares as at the Latest Practicable Date. Of this amount, Ordinary Shares with a nominal value of £922,895, representing approximately one-third of the issued Ordinary Shares as at the Latest Practicable Date, would only be available for allotment in connection with pre-emptive rights issues as set out in the resolution.

The authority, if granted, will last until the next annual general meeting of the Company or, if earlier, the close of business on 19 October 2019.

Resolution 18: Authority to allot Ordinary Shares on a non pre-emptive basis

Resolution 18, which will be proposed as a special resolution, seeks to renew the Directors' authority to allot Ordinary Shares for cash in connection with a rights issue or other than pro rata to existing Ordinary Shareholders. In the case of an issue of Ordinary Shares other than pro rata to existing Ordinary Shareholders, the authority will be limited to a nominal amount of £138,434, which represents approximately 5 per cent. of the issued Ordinary Shares as at the Latest Practicable Date. If granted, the authority will last until the next annual general meeting of the Company or, if earlier, the close of business on 19 October 2019. This authority to allot shares on a non pre-emptive basis will also apply to the transfer of Ordinary Shares held in treasury, if any.

The Board will comply with the provision of the Statement of Principles of the Pre-Emption Group that no more than 7.5 per cent. of the issued Ordinary Share capital should be allotted for cash, or transferred from treasury, on a non pre-emptive basis during any rolling three-year period.

Resolution 19: Notice of general meetings

Resolution 19, which will be proposed as a special resolution, seeks to renew the shareholder approval granted at the 2017 AGM to enable the Company to continue to convene general meetings, other than annual general meetings, on 14 clear days' notice.

An amendment to the 2006 Act, which came into force in 2009, increased the notice period for general meetings to 21 days. A listed company may, however, continue to call general meetings on 14 clear days' notice, provided that: (i) the company offers the facility for members to vote by electronic means accessible to all members who hold shares that carry rights to vote at general meetings; and (ii) members have passed a special resolution approving shorter notice at the immediately preceding annual general meeting or at a general meeting held since the annual general meeting.

The Board believes that it will be beneficial to preserve the current ability to convene general meetings, other than annual general meetings, on 14 clear days' notice and, accordingly, is seeking to renew the requisite shareholder approval at the AGM. This shorter notice period will not however be used as a matter of course, but only when merited by the business of the meeting and after taking into consideration the provision of the UK Corporate Governance Code that notices of general meetings and related papers should be sent to shareholders at least 14 working days before the meeting. If granted, the approval will last until the next annual general meeting of the Company and it is the Board's intention to renew the authority at each subsequent annual general meeting.

5. Recommendations

Resolutions other than the Waiver Resolution

The Board believes that the proposals described above regarding the resolutions to be proposed at the AGM (other than the Waiver Resolution which was considered by the Non-Concert Party Directors whose recommendation is set out below) to be in the best interests of the Company and Ordinary Shareholders as a whole. Accordingly, the Board recommends Ordinary Shareholders to vote in favour of such resolutions at the AGM, as the Directors and certain of their close family members and connected persons intend to do in respect of their own beneficial holdings of Ordinary Shares, which amount to approximately 2.90 per cent. of the issued Ordinary Shares.

The Waiver Resolution

The Non-Concert Party Directors, who have been so advised by J.P. Morgan Cazenove, consider the waiver of the obligations that could arise on the Concert Party to make an offer under Rule 9 of the Takeover Code on the exercise of the Authority to Make Market Purchases to be fair and reasonable and in the best interests of the Independent Shareholders and the Company as a whole. In providing its advice to the Non-Concert Party Directors, J.P. Morgan Cazenove has taken into account the Non-Concert Party Directors' commercial assessments. Accordingly, the Non-Concert Party Directors unanimously recommend that Independent Shareholders vote in favour of the Waiver Resolution to be proposed at the AGM, as the Non-Concert Party Directors and certain of their close family members and connected persons intend to do in respect of their own beneficial holdings of Ordinary Shares, which amount to approximately 0.09 per cent. of the issued Ordinary Shares.

In accordance with the provisions of the Takeover Code, the Concert Party is considered to be interested in the outcome of the Waiver Resolution and, accordingly, none of its members will vote on this resolution.

Yours faithfully

David Stewart
Chairman

6. Directors

Executive Directors

6.1. Executive Directors have service contracts with Caledonia Group Services as follows:

Name	Date of contract	Job title	Annual salary to 31.03.18 (£)	Current annual salary (£)	Notice period	Unexpired term
W P Wyatt	02.06.05	Chief Executive	524,500	540,000	12 months	Rolling 12 months
S A King	19.11.09	Finance Director	376,000	387,000	12 months	Rolling 12 months
J M B Cayzer-Colvin	19.04.05	Executive Director	317,750	327,000	12 months	Rolling 12 months

6.2. Pursuant to each Executive Director's service contract:

6.2.1. Caledonia Group Services may, at its discretion, terminate the relevant service contract without notice and make a payment in lieu of notice; and

6.2.2. (other than in the case of Mr King) Caledonia Group Services is required to pay a liquidated sum to the Executive Director if the relevant service contract is terminated within one year of a change of control of the Company.

Any such payment in lieu of notice or liquidated sum may not exceed one year's total emoluments for the relevant Executive Director.

6.3. Caledonia Group Services operates a discretionary annual bonus scheme for each Executive Director. The amount of bonus payable, which is limited to 100 per cent. of basic salary, depends on the level of the outperformance of Caledonia's diluted net asset value per Ordinary Share on a total return basis over the Retail Prices Index and on the attainment of individual performance objectives. In the case of Mr Cayzer-Colvin, part of the annual bonus is also determined by reference to the performance and objectives of the pool of capital for which he is responsible. The payment of any such bonus is subject to the overriding discretion of the Remuneration Committee.

6.4. Under the Company's current Directors' remuneration policy, any bonus that amounts to more than 50 per cent. of the basic salary of an Executive Director for the financial year to which the bonus relates is compulsorily deferred into Ordinary Shares for a three-year period under the Deferred Bonus Plan.

6.5. Under their service contracts, Mr Wyatt, Mr King and Mr Cayzer-Colvin, are entitled to have a fixed percentage of basic salary paid into personal pension arrangements or alternatively may receive this as a cash supplement. The percentage of basic salary is 22.5 per cent. for Mr Wyatt and 17.5 per cent. for Mr King and Mr Cayzer-Colvin. Where a Director elects to receive a cash supplement in lieu of pension contribution, the supplement is reduced by such amount as is necessary to make the payment cost neutral to the Company taking into account its National Insurance contributions.

6.6. Each Executive Director receives additional benefits, which include items such as a cash allowance in lieu of a company car, private health care and life insurance. Certain Executive Directors may also hold external non-executive directorships unrelated to the Company's business, in relation to which it may be agreed that those Executive Directors retain the fees arising therefrom. Mr King retains fees from a non-executive directorship of TT Electronics plc and Mr Cayzer-Colvin retains fees from a non-executive directorship of The Henderson Smaller Companies Investment Trust plc.

6.7. Save as disclosed above, there are no entitlements to commissions, profit sharing arrangements or any other specific compensation payments under any Executive Director's service contract.

Chairman and Non-Executive Directors

- 6.8. The Chairman and the Non-Executive Directors do not have service contracts, but are appointed under letters of appointment that provide for termination without notice or compensation. Appointments are for a fixed period of three years, unless the Chairman or the relevant Non-Executive Director is not re-elected by Ordinary Shareholders at the next annual general meeting at which he or she stands for re-election. The Chairman and the Non-Executive Directors receive fees, which include fees payable in relation to memberships of Board committees, as follows.

Name	Fee (£)

The Hon C W Cayzer also retains fees from a non-executive directorship of General Practice Investment Corporation Limited, a company in which Caledonia has an investment.

- 6.11. Each of the Directors has the benefit, under article 211 of the Articles, of an indemnity, to the extent permitted by the 2006 Act, against any liability incurred by him for negligence, default, breach of duty or breach of trust in relation to the affairs of the Company.

7. Material contracts

No contracts have been entered into by the Group, other than in the ordinary course of business, within the period of two years prior to the publication of this document, which are or may be material.

8. Current ratings

Dun & Bradstreet Inc ('D&B') publishes failure scores on companies within its database, which predict the likelihood that an organisation will obtain legal relief from its creditors or cease operations over the next 12 month period. The D&B failure score is a relative measure of risk within a range of 1 to 100, whereby a failure score of 1 represents organisations that have the highest probability of failure, and 100 the lowest, within their country. As at the Latest Practicable Date, Caledonia and Cayzer Trust had D&B failure scores of 100 and 98 respectively.

Notes

1. A member is entitled to appoint a proxy to exercise all or any of his or her rights to attend, speak and vote on his or her behalf at the annual general meeting. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the company.
2. To be valid, a form of proxy must be deposited so as to be received no later than 11.30 a.m. on 17 July 2018, with the company's registrar, Link Asset Services, by one of the following methods: (i) by post to the address provided for such purpose in the form of proxy; or (ii) by hand during normal business hours to Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU; or (iii) online at www.signalshares.com using the investor code printed on the form of proxy; or (iv) in the case only where ordinary shares are held in CREST (as an alternative to methods (i), (ii) and (iii)), via the CREST Proxy Voting Service (as defined in the Circular). A form of proxy accompanies this document. The return of a completed form of proxy does not preclude a member from attending and voting at the meeting in person.
3. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the company specifies that only those members holding ordinary shares who are entered on the register of members as at the close of business on 17 July 2018 or, in the event that the meeting is adjourned, on the register 48 hours before the time of any adjourned meeting(s), shall be entitled to attend and/or vote in respect of the number of ordinary shares registered in their names at that time. Changes to the entries on the register of members after the close of business on 17 July 2018 or, in the event that the meeting is adjourned, on the register of members 48 hours before the time of any adjourned meeting(s), shall be disregarded in determining the rights of any person to attend or vote at the meeting(s), notwithstanding any provisions in any enactment, the articles of association of the company or other instrument to the contrary.
4. CREST members who wish to appoint a proxy or proxies through the CREST Proxy Voting Service may do so for the annual general meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual (as defined in the Circular). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST Proxy Voting Service to be valid, the appropriate CREST message ('CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK and Ireland Limited ('Euroclear') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Asset Services (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time(s) of receipt will be taken to be the time(s) (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After such time(s), any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular

messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. Any person to whom this notice is sent who is a person nominated under section 146 of the 2006 Act to enjoy information rights ('Nominated Person') may, under an agreement between him or her and the member by whom he or she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the annual general meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.
6. The statement of the rights of members in relation to the appointment of proxies in paragraphs 1 to 4 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by members of the company.
7. Any member which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that each corporate representative is appointed to exercise the rights attached to a different share or shares held by that member.
8. Any member attending the meeting has the right to ask questions relating to the business of the meeting. The company must cause any such question to be answered unless: (a) to do so would interfere unduly with the preparation of the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it would be undesirable to do so in the interests of the company or the good order of the meeting.
9. As at 13 June 2018, being the latest practicable date prior to the publication of this document, the company's issued share capital included 55,373,734 ordinary shares with voting rights. No ordinary shares were held in treasury and therefore, as at 13 June 2018, there was a total of 55,373,734 ordinary shares with voting rights in issue.
10. A copy of this notice and any other information required by section 311A of the 2006 Act can be found at the company's website, www.caledonia.com. Members may not use any electronic address (within the meaning of section 333(4) of the 2006 Act) provided in this notice of meeting (or the Circular or any related document) to communicate with the company for any purposes other than those expressly stated.
11. It is possible that, pursuant to members' requests made in accordance with section 527 of the 2006 Act, the company will be required to publish on a website a statement in accordance with section 528 of the 2006 Act setting out any matter that the members concerned propose to raise at the meeting relating to the audit of the company's latest audited accounts. The company cannot require the members concerned to pay its expenses in complying with those sections. The company must forward any such statement to its auditor by the time it makes the statement available on the website. The business which may be dealt with at the meeting includes any such statement.
