President and Chief Executive Officer Mr. Graham Keevil stated, "We are excited by the swift closing of this offering following several years of limited access to capital. Through the dedication of the Board of Directors and the early adoption of our proposed growth plan by the financial community we are positioned to both advance and grow the gold exploration portfolio we have endeavoured to maintain through the most recent market downturn. The focus has always been to create an asset base that is relatively market proof, and I think we will achieve that in the coming months."

On Behalf of the Board,
