

Certificate of Qualification

William Douglas Roy, P.Eng.

I, William Douglas Roy, M.A.Sc., P.Eng., do hereby certify that:

1. I am a Mining Engineer with MineTech International Limited, located on Hollis Street, Halifax, Nova Scotia, Canada, B3H2P6 and a Senior Associate Mining Engineer with CSA Global Geosciences Canada Ltd. located at 365 Bay St., Suite 501, Toronto, Ontario, Canada. M5H 2V1.
2. I graduated with a bachelor's degree in Mining Engineering from the Technical University of Nova Scotia, now Dalhousie University, in 1997. In addition, I graduated with a Master of Applied Science in Mining Engineering from the DalTech, now Dalhousie University, in 2000.
3. I am a member of the Association of Professional Engineers of Nova Scotia (APENS), Registration Number 7472.
4. I have worked as a Mining Engineer for 20 years since graduating from university. I have experience in mineral resource estimation and engineering design work for precious metals, base metals, and industrial minerals. I have operations experience in underground and surface hard rock, metal mines.
5. I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101.
6. I am responsible for the preparation of Sections 16.1, 16.3 and 16.4, and portions of Sections 1, 25, and 26 of the technical report titled "Preliminary Economic Assessment Update on the Goliath Gold Project, Kenora Mining District, Ontario" for Treasury Metals Inc. and with an effective date of April 17, 2017 (the "Technical Report"). I have twice visited the Goliath Gold property, most recently in November 2011, for two days.
7. I have had prior involvement with the property that is the subject of the Technical Report, all of an independent nature. My prior involvement has mainly involved the preparation of technical reports for regulatory purposes. Most recently, I co-authored the report, "Preliminary Economic Analyses of the Goliath Gold Project, Kenora Mining Division, Northwestern Ontario, Canada," prepared for Treasury Metals Inc., Effective Date July 19, 2012.
8. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
9. I am independent of the issuer applying all of the tests in section 1.5 of National Instrument 43-101.
10. I have read National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.
11. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

Effective Date: Feb 2, 2017

DATED this 17th Day of April 2017

["SIGNED AND SEALED"]
