Dear Sirs:

Re: Bryant Resources Inc. (the "Company")
Prospectus

I am the author of the Technical Report dated March 12, 2008, entitled "Technical Report on Carp Property", prepared by Alojzy A. Walus, P.Geo. (the "Revised Report") referred to in the prospectus of the Company dated August 14, 2008 (the "Prospectus").

I consent to being named in the Prospectus and to the use of the Revised Report in the Prospectus.

I have read the Prospectus and confirm that:

I have no reason to believe that there are any misrepresentations in the information contained in the Prospectus derived from the Revised Report or that is within my knowledge as a result of the services performed by me in connection with the Revised Report; and the section in the Prospectus headed "Narrative Description of the Business" fairly and accurately summarizes the Revised Report and omits no material information contained in the Revised Report.

Yours truly,

Per: Alojzy A. Walus, M.Sc., P.Geo.
