## About Jaguar Financial Corporation

Jaguar Financial is a Canadian merchant bank generally investing in companies Jaguar Financial determines to be undervalued, overlooked and underappreciated. The investments made are usually event-driven, for example, where an investment is made in a company that is the subject of a takeover bid or where some other change is initiated by a third party or a shareholder of the subject company. Jaguar Financial's objective is to assist management of the undervalued company to create value that the market is missing.
