Dear Sirs/Mesdames:

**Re: Libero Copper & Gold Corporation (the “Company”)
Amended and Restated Preliminary Short Form Base Shelf Prospectus
dated January 19, 2022 – Consent of Expert**

I, Robert Sim of SIM Geological Inc., hereby consent to the public filing by the Company of the technical report titled “*Mocoa Copper-Molybdenum Project, Colombia – NI 43-101 Technical Report*” effective November 1, 2021 and dated January 18, 2022 (the “**Technical Report**”) and to any extracts from, or a summary of, the Technical Report in the Company’s amended and restated preliminary short form base shelf prospectus dated January 19, 2022 (the “**Prospectus**”). I also consent to the use of my name in the Prospectus and any amendments or supplements thereto.

I certify that I have read the Prospectus that is being filed by the Company and that it fairly and accurately represents the information in the sections of the Technical Report for which I am responsible and I have no reason to believe that there are any misrepresentations in the information contained in the Prospectus that are derived from the Technical Report or within my knowledge as a result of the services performed by me in connection with the Technical Report.
