Item 4 – Summary of Material Change

Curis announces that it has arranged a $7 million non-brokered private placement financing, pursuant to which Curis will issue a total of 11,666,667 common shares in the capital of Curis (“**Shares**”) at a price of $0.60 per Share to existing shareholder Taseko Mines Limited (“**Taseko**”). Upon the completion of the private placement, Taseko will own approximately 17% of the outstanding shares of Curis and will also retain certain information rights and a pro rata right to participate in future financings subject to customary exceptions.

Item 5 – Full Description of Material Change

On November 20, 2013, Curis announced that it had arranged a $7 million non-brokered private placement financing, pursuant to which Curis would issue a total of 11,666,667 Shares at a price of $0.60 per Share to Taseko, in two tranches as follows:

a) 3,333,333 Shares to be issued in exchange for payment of $2,000,000 upon approval of the private placement by the Toronto Stock Exchange; and

b) 8,333,334 Shares to be issued in exchange for payment of $5,000,000 on January 2, 2014.

Taseko will have the right to nominate one individual for appointment to the Company’s technical advisory committee so long as it meets certain Share ownership thresholds.

Taseko will also have the right to participate pro rata in future financings of Curis in order to maintain ownership of Shares in the same proportion as of the date prior to the closing of such future financing so long as it meets certain Share ownership thresholds.

Proceeds from this private placement will be used to advance the development of the Company's in-situ copper recovery project in Florence, Arizona. The issuance of the Shares and the closing of the transaction is subject to the final approval of the Toronto Stock Exchange. The Shares issued under the private placement, are subject to a four month and a day hold period.
