Cautionary Statements Regarding Forward Looking Information

This news release contains “forward-looking information” within the meaning of applicable securities laws relating to the proposal to complete the Transaction and associated transactions. Any such forward-looking statements may be identified by words such as “expects”, “anticipates”, “believes”, “projects”, “plans” and similar expressions. Readers are cautioned not to place undue reliance on forward-looking statements. Statements about, among other things, the Transaction. These statements should not be read as guarantees of future performance or results. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Although such statements are based on management’s reasonable assumptions, there can be no assurance that the Transaction will occur. The Company assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by applicable law.
