

WASTE CONNECTIONS ANNOUNCES REGULAR QUARTERLY CASH DIVIDEND

TORONTO, ONTARIO, July 29, 2019 - Waste Connections, Inc. (TSX/NYSE: WCN) (“Waste Connections” or the “Company”) today announced that its Board of Directors has declared a regular quarterly cash dividend of \$0.16 U.S. per common share of the Company. The regular quarterly cash dividend will be paid on August 26, 2019, to shareholders of record at the close of business on August 12, 2019. The Board intends to review the quarterly dividend each October, with a long-term objective of increasing the amount of the dividend.

Shareholders of Waste Connections whose common shares are held by a bank or broker that participates in U.S. depository DTC will receive payment of their dividends in U.S. dollars. Shareholders of Waste Connections whose common shares are held by a bank or broker that participates in Canadian depository CDS will receive payment of their dividends in Canadian dollars, calculated based on the Bank of Canada’s daily average exchange rate on August 12, 2019. Shareholders of Waste Connections who hold their shares in direct registration with Computershare, the Company’s transfer agent, will receive payment of their dividends in Canadian dollars if they are residents of Canada, as reflected in Waste Connections’ shareholders register, and will receive their dividend payments in U.S. dollars if they are not residents of Canada, including if they are residents of the U.S.

About Waste Connections

Waste Connections is an integrated solid waste services company that provides non-hazardous waste collection, transfer, disposal and recycling services in mostly exclusive and secondary markets in the United States and Canada. Through its R360 Environmental Solutions subsidiary, Waste Connections is also a leading provider of non-hazardous oilfield waste treatment, recovery and disposal services in several of the most active natural resource producing areas in the United States, including the Permian, Bakken and Eagle Ford Basins. Waste Connections serves more than seven million residential, commercial, industrial, and exploration and production customers in 42 states in the U.S., and six provinces in Canada. Waste Connections also provides intermodal services for the rail haul movement of cargo and solid waste containers in the Pacific Northwest.

Safe Harbor and Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995 (“PSLRA”), including “forward-looking information” within the meaning of applicable Canadian securities laws. These forward-looking statements are neither historical facts nor assurances of future performance and reflect Waste Connections’ current beliefs and expectations regarding future events and operating performance. These forward-looking statements are often identified by the words “may,” “might,” “believes,” “thinks,” “expects,” “intends” or other words of similar meaning. All of the forward-looking

statements included in this press release are made pursuant to the safe harbor provisions of the PSLRA and applicable Canadian securities laws. Forward-looking statements involve risks and uncertainties. Forward-looking statements in this press release include, but are not limited to, statements about the timing and amount of cash dividends. Important factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, risk factors detailed from time to time in the Company's filings with the SEC and the securities commissions or similar regulatory authorities in Canada. You should not place undue reliance on forward-looking statements, which speak only as of the date of this press release. Waste Connections undertakes no obligation to update the forward-looking statements set forth in this press release, whether as a result of new information, future events, or otherwise, unless required by applicable securities laws.
