Stans Energy Corp Announces Revised Terms to Non-Brokered Private Placement

NOT FOR DISTRIBUTION TO US NEWS WIRE SERVICES

Stans Energy Corp. (TSX-V: HRE, OTCQB: HREEF), ("Stans" or the "Company") announces amended closing terms to its previously announced non-brokered private placement financing (See Press Release dated September 13, 2016 and October 4, 2016).

The Proposed Offering of Common Shares

The closing of the private placement has been adjusted to November 24, 2016. The private placement financing is for a placement of up to \$600,000 (the "Offering Amount") consisting of up to 12,000,000 units at a price of \$0.05 per Unit. Each Unit will consist of one common share in the capital of the Company and one share purchase warrant (each whole warrant a "Warrant"). Each Warrant will be exercisable to acquire one additional common share of the Company for a period of 60 months at a price of \$0.06 per common share.

Stans intends to use the gross proceeds from the Offering to fund its ongoing corporate overhead and conducting of due diligence on the Pervomayskiy Lithium Mineralization Stockpile and Zaibaikalsky Mill. Proceeds will not be used to pay management fees, nor is it proposed to make payments to any related parties.

The Offering is open to all accredited investors and financial institutions, subject to certain limitations. Any existing shareholder interested in participating in the Offering should contact the Company in accordance with the contact information set forth below. The Company may pay registrants a cash commission of 5% of the gross proceeds of this Offering in respect of investors solicited or introduced by such registrants. Registrants will also be entitled to receive warrants to purchase that number of common shares of the Company as equals 5% of the total offering subscribed by investors solicited or introduced by such registrants, at an exercise price of \$0.06 per share, for a term of 60 months.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Closing of the Offering will be subject to certain closing conditions, including the approval of the Toronto Stock Exchange.

About Stans Energy

Stans Energy Corp. is a resource development company focused on advancing rare and specialty metals properties and processing technologies. Stans is now transitioning into a supplier of materials and technologies that will assist in satisfying the future energy supply, storage and transmission needs of the world. Previously, the Company acquired, among other things, the right to mine the past producing rare earth mine, Kutessay II, in the Kyrgyz Republic. Due to the expropriation actions taken by the Government of the Kyrgyz Republic, the Company is undertaking international arbitration litigation to protect the Company's rights and recover damages estimated at over US\$210,000,000, caused by the Republic.

We seek safe harbour.
