In order to receive a paper copy in time to vote before the meeting, your request should be received by August 31, 2023.

Shareholders entitled to vote who do not expect to be present at the Meeting are urged to date, sign and return the form of Proxy or voting instruction form delivered to them with the Notice-and-Access Notification (defined below).

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for this Annual and Special Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the Annual Financial Statements and related Annual MD&A and other meeting materials (collectively the **"Meeting Materials"**), shareholders receive a notification (the **"Notice-and-Access Notification"**) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting.

Meeting materials, including the Circular, are available under the Corporation's SEDAR+ profile at: <https://www.sedarplus.ca/landingpage/> and at www.stansenergy.com and at <https://docs.tsxtrust.com/2095>.

If you have questions about notice-and-access, please call TSX Trust Company toll-free at 1-866-600-5869 in North America. Non-registered holders can call Broadridge Investor Communications Solutions, Canada toll free at 1-877-830-4936 on or before the day of the Meeting, or any adjournment thereof.

A shareholder may attend the Meeting or any adjournment thereof in person or may be represented by proxy. Shareholders who are unable to attend the Meeting or any adjournment thereof in person are requested to date, sign and return the accompanying form of proxy for use at the Meeting or any adjournment thereof. To be effective, the form of proxy for the Meeting must be deposited with the Corporation's registrar and transfer agent, TSX Trust Company, Proxy Department, at 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1, Facsimile No. (416) 595-9593, no later than 2:00 p.m. (EST) on September 12, 2023 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement of the Meeting.

The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or the shareholder's attorney authorized in writing or, if the shareholder is a company, under its corporate seal by an officer or attorney thereof duly authorized.

The persons named in the form of proxy for the Meeting are directors and/or officers of the Corporation. Each shareholder of the Corporation has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to attend and to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.

SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR BEFORE VOTING.

DATED at Toronto, Ontario, as of the 8th day of August, 2023.

BY ORDER OF THE BOARD OF DIRECTORS

"Rodney Irwin"

Rodney Irwin
Interim Chief Executive Officer and President

NOTE: The directors have fixed the hour of 2:00 o' clock in the afternoon (Toronto time) September 12, 2023 before which time the instrument of proxy to be used at the Meeting must be deposited with the Corporation c/o TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1.

STANS ENERGY CORP.
ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON THURSDAY, SEPTEMBER 14, 2023

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of STANS ENERGY CORP. (the “**Corporation**”) for use at an Annual and Special Meeting (the “**Meeting**”) of the Shareholders of the Corporation to be held on line on September 14, 2023, at 2:00 PM (Toronto time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. It is expected that the solicitation will be by mail primarily, but proxies may also be solicited personally by regular employees of the Corporation. The cost of such solicitation will be borne by the Corporation.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares of the Corporation held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so.

Unless otherwise specified, all information contained in this Circular is given as of August 8, 2023. The record date for the Meeting has been set as August 8, 2023 (the “**Record Date**”) and, unless otherwise specified, all amounts shown represent Canadian dollars.

NOTICE AND ACCESS

The Corporation has elected to use the “notice-and-access” provisions that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations* (“**Notice-and-Access**”), for distribution of this Circular and other meeting materials to registered shareholders of the Corporation and Beneficial Holders (as defined herein). Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR+ and one other website, rather than mailing paper copies of such meeting materials to shareholders. The Corporation anticipates that use of Notice-and-Access will reduce the Corporation’s printing and mailing costs and be more environmentally friendly.

The Corporation has posted the Circular and its audited financial statements and management discussion and analysis for the year ended December 31, 2022 and 2021 (collectively, the “**Meeting Materials**”) under its SEDAR+ profile at: <https://www.sedarplus.ca/landingpage/> and at www.stansenergy.com.

Although the Meeting Materials will be posted electronically online, registered shareholders and Beneficial Holders (subject to the provisions set out below under the heading “Non-Registered Holders”) will receive a “notice package” (the “**Notice Package**”) by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form (“**Proxy**”), in the case of registered shareholders, or voting instruction form (“**VIF**”), in the case of Beneficial Holders. Shareholders should follow the instructions for completion and deliveries contained in the Proxy or VIF and are reminded to review the Circular before voting.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact TSX Trust Company in which case TSX Trust Company will mail the requested materials within three business days of any request provided the request is made prior to the Meeting. Notice-and-Access Shareholders with questions about notice-and-access may contact TSX Trust Company toll free at 1-866-600-5869 in North America, 416-342-1091 in the Toronto area or the Corporation by e-mail at boris@stansenergy.com.

Requests for paper copies of the Meeting Materials should be made by 5:00 p.m. (EDT) on August 31, 2023 in order to receive the Meeting Materials in time to vote before the Meeting.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed instrument of proxy (the "**Proxy**") are officers and directors of the Corporation who have been selected by the directors of the Corporation and have indicated their willingness to represent as proxies the shareholders who appoint them.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM AND ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY. SUCH RIGHT MAY BE EXERCISED BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE FORM OF PROXY AND BY INSERTING IN THE BLANK SPACE PROVIDED FOR THAT PURPOSE THE NAME OF THE DESIRED PERSON OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND, IN EITHER CASE, DELIVERING THE COMPLETED AND EXECUTED PROXY TO THE CORPORATION C/O TSX Trust Company ("TSX Trust") SUITE 301, 100 Adelaide Street West, TORONTO, ONTARIO M5H 4H1, OR BY FAX AT 416-595-9593 AT ANY TIME PRIOR TO 2:00 P.M. (TORONTO TIME) ON THE 12th DAY OF SEPTEMBER 2023.

A shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized and deposited at the registered office of the Corporation at any time prior to 2:00 p.m. (Toronto time) on September 12, 2023, or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law. The Corporation's registered office is located at Suite 101, 2466 Dundas Street West, Toronto, Ontario M6P 1W9.

As noted in the Notice of Meeting accompanying this Circular, Shareholders may also elect to vote electronically in respect of any matter to be acted upon at the Meeting. Votes cast electronically are in all respects equivalent to and will be treated in the exact same manner as, votes cast via a paper form of proxy. To vote electronically, interested Shareholders are asked to go to the website shown on the form of proxy and follow the instructions provided. Please note that each Shareholder exercising the electronic voting option will need to refer to the control number indicated on their proxy form to identify themselves in the electronic voting system. Shareholders should also refer to the instructions on the proxy form for information regarding the deadline for voting shares electronically. If a Shareholder votes electronically, they are asked not to return the paper form of proxy by mail.

ADVICE TO NON-REGISTERED HOLDERS

Non-registered shareholders of the Corporation should review the information set forth in this section carefully.

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”) of which the Intermediary is a participant (a “**Non-Registered Holder**”).

The Corporation has decided to use Notice-and-Access in accordance with the requirement of NI 54-101 to deliver the Meeting Materials to shareholders by posting the Meeting Materials on its website www.stansenergy.com. The Meeting Materials will be available at <https://docs.tsxtrust.com/2095> and on the Corporation’s website and will remain posted for a full year thereafter. The Meeting Materials will also be available on the Corporation’s profile on SEDAR+ at: <https://www.sedarplus.ca/landingpage/>. The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation’s decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from TSX Trust Company. Please complete and return the VIF to TSX Trust Company in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. TSX Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by TSX Trust Company. For purposes of the Meeting, NOBOs who deliver VIFs in accordance with the instructions on the VIF will be otherwise treated the same as registered shareholders.

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder, but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or
- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically, the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy, VIF or Voting Instruction Form wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder's name in the provided blank space. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF or Voting Instruction Form is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy will vote or withhold from voting the common shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such common shares will be voted FOR each of the matters identified in the Notice and described in this Circular.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

Compensation discussion and analysis

The compensation of the NEOs of the Corporation consists of a salary portion, discretionary bonus and an incentive stock option component. The Corporation's compensation decisions are based on (a) value of the particular services that the individual NEO contributes to advancing objectives of the corporation and (b) what the corporation can reasonably afford to pay, given its higher priority operating commitments to ensure its ability to continue as a going concern. The value of the particular services is determined in the context of the prevailing market rates (e.g. the Board of Directors reviews compensation of the NEO's within a selected sample of junior mining companies of a similar size and characteristics to the Corporation), whereas any particular constraints on the amounts that the Corporation can reasonably afford to pay are determined in the context of the operating budget of the Corporation. The specific salary compensation rates are set by the Board and are periodically reviewed, as deemed appropriate. The Corporation is therefore relying on its stock option plan and bonus component to provide sufficient incentive to its NEOs to provide their services to the Corporation and bring the compensation level in line with the actual value of the services.

Compensation Committee

The role of the Compensation Committee is to review and provide recommendations to the Board in respect of compensation matters. It met numerous times during the year ended December 31, 2022, principally as an adjunct to board meetings, but also privately, to discuss specific compensation to the NEOs who are also directors. Individual committee members also met privately with management to review the Corporation's approach to executive compensation.

The Compensation Committee's reviews are conducted no less frequently than annually and include a competitive market analysis of compensation paid for executive officers of companies of similar business, size and stage of development. The Committee then recommends an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In making recommendations as to incentives, including discretionary bonuses, the Compensation Committee considers both individual and corporate performance.

During each annual review and assessment by the Compensation Committee of the Corporation's executive compensation program, the Compensation Committee also explicitly and implicitly takes into consideration any risks associated with such program. At the present time, the Compensation Committee has not identified any risks associated with the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation. In the assessment of senior management and the Board, the risks and uncertainties facing the Corporation that are likely to have a material adverse effect on the Corporation are disclosed quarterly in the Corporation's management discussion and analysis of the Corporation's financial condition and results of operations for the most recently completed quarter. No such risks relate to the Corporation's compensation policies and practices.

The Compensation Committee will continue to review with management the approach to executive compensation and, if it becomes appropriate, will consider alternative or supplemental compensation arrangements.

Compensation Plan and Policies

The Corporation's compensation policies are designed to recognize and reward individual performance as well as to provide a competitive level of compensation. The Corporation's current compensation plan consists of the following elements:

- base salaries;
- annual incentive bonuses;
- option-based awards; and
- benefits and perquisites.

A description of each element and its purpose is described below.

Base Salaries

The purpose of the base salary is to attract and retain executives by providing a competitive base compensation. The level of base salary for each NEO is determined by the level of responsibility and the importance of the position to the Corporation, within competitive industry ranges. The Compensation Committee makes recommendations to the Board regarding base salaries of the NEOs. Adjustment has been made from time to time to reflect budgetary constraints on the Corporation.

Annual Incentive Bonuses

Annual incentive bonuses are a short-term variable compensation element, designed to reward NEOs on an annual basis for achieving the Corporation's business objectives. The Corporation's business objectives are generally established by the Board at the start of each year and may be reviewed during the year. Determination of the amount of bonus awarded to each NEO is based on an assessment by the Compensation Committee of several factors including contribution of the individual to overall progress of the Corporation in achieving its stated business objectives. The purpose of the annual incentive bonus is to pay for performance, align the NEO's economic interest with the Corporation's business objectives and to motivate and retain the executives. The Board has the discretion to alter the conditions of any bonus, if warranted. Discretionary bonuses may be paid to other employees at the discretion of the Board.

Option-Based Awards

Option-based awards are designed to align executive and Shareholder interests, focus executives on long term value creation and also to support the retention of key executives. NEOs may be issued stock options to purchase Common Shares or other option-based awards as recommended by the Compensation Committee and authorized by the Board. NEOs are excluded from the decision-making process regarding option-based compensation to be awarded to them. Previous grants of option-based awards are taken into account when

considering new grants to the NEOs. Further information concerning option grants to NEOs and directors, and regarding the terms of the Option Plan of the Corporation are set out in this Circular.

Benefits and Perquisites

NEOs also participate in the Corporation's benefit plans that are available to all employees. The level of other perquisites depends on the employee's position. The purpose of the benefits and perquisites is to attract, retain and motivate the employees.

The following table contains information about the compensation awarded to, earned by, paid to or payable to, directors in their capacity as directors of the Corporation, in their capacity as members of a committee of the board of directors of the Corporation, or as consultants or experts, during the Corporation's most recently completed financial year (2022).

The Plan was initially adopted by the board of directors of JM Capital Inc., the Corporation's predecessor, on October 26, 2006. The amended Plan was presented to the shareholders, and was last approved by the shareholders on September 25, 2015, being the last meeting of shareholders held prior to this meeting.

The Plan provides for a maximum limit of 10% of the outstanding

If prior to the exercise of an option, the holder ceases to be a director, officer, employee or consultant, the option shall be limited to the number of common shares purchasable by him immediately prior to the time of his cessation of office or employment and he shall have no right to purchase any other common shares. Fractional shares will not be issued and where a fraction results from the consolidation of the issued and outstanding common shares, the higher number of shares will be issued.

The Board of Directors may, in their sole discretion, revoke this Special Resolution before it is acted upon without further approval of the shareholders of the Corporation. Any officer or director of the Corporation is hereby authorized to execute, file and deliver such documents, Articles of Amendment, instruments and deeds and do such further acts and things and obtain such approvals as may be deemed necessary or requisite to give effect to the foregoing."

Rodney Irwin,
Interim Chief Executive Officer and acting President

**SCHEDULE “A”
STANS ENERGY CORP.
FORM 58-101F2 - CORPORATE GOVERNANCE DISCLOSURE
(VENTURE ISSUERS)**

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. The Canadian Securities Administrators (the “CSA”) have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices*, which prescribes certain disclosure by the Corporation of its corporate governance practices. This disclosure is presented below.

Board of Directors

There are currently six (5) members of the Corporation’s board of directors (the “Board”): Rodney Irwin (Interim Chief Executive Officer and Acting President); Boris Aryev (Chief Operating Officer); and three independent directors, Gordon Baker (Board Chair), Douglas Underhill, and Albert Grenke.

Management is nominating five individuals to the Board, all of which are current directors of the Corporation.

The Guidelines suggest that the board of directors of every listed Corporation should be constituted with a majority of individuals who qualify as “independent” directors under MI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Corporation.

Of the proposed nominees, two are “inside” or management directors and accordingly such persons are not considered to be “independent” within the meaning of MI 52-110. The other four directors are considered by the Board to be “independent” within the meaning of MI 52-110.

Rodney Irwin is Chair of the Board.

Directorships

The following table sets out the proposed directors, officers and promoters of the Corporation that are, or have been within the last five years, directors, officers or promoters of other reporting issuers:

Name	Name and Jurisdiction of Reporting Issuer	Name of Trading Market	Position(s) Held	Term
Gordon Baker Board Chair	Jemtec Inc.	TSX Venture	Director, Member of Audit Committee	January 1994 to present
Douglas Underhill Director	Appia Energy Corp.	TSX Venture	Director	April 2014 to present

Orientation and Continuing Education

While the Corporation does not have formal orientation and training programs, new directors are provided with access to publicly filed documents of the Corporation, technical reports, internal financial information, the Corporation’s corporate governance policies, and management and technical experts and consultants.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

The Board has also implemented a Code of Business Conduct and Ethics, which it periodically reviews. This Code aims to encourage the appropriate standards of conduct and behavior of directors, officers, employees and contractors (collectively the "**Corporation Representatives**") in carrying out their roles for the Corporation. The Corporation Representatives are expected to act with integrity and objectivity, striving at all times to enhance the reputation and performance of the Corporation. It addresses compliance with laws, conflicts of interest, outside activities, political activities, non-arms length financing of Corporation Representatives by the Corporation, bribery and improper payments, dealings with government and public officials, gifts and business courtesies, public disclosure, confidential information, personal benefits, fair dealing, delegation of duties, health and safety, discrimination and harassment, reporting of violations and compliance.

Nomination and Assessment of Directors

The Board of Directors is responsible for identifying individuals qualified to become new directors and recommending to the Board of Directors new director nominees for the next annual meeting of shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, show support for the Corporation's mission and strategic objectives, and a willingness to serve.

Compensation

The Corporation has a Compensation committee.

The members of the Compensation Committee are:

- Gordon R. Baker, QC, Board Chair
- Rod Irwin
- Doug Underhill

Gordon Baker and Doug Underhill are independent directors.

The role of the Compensation Committee is to review and provide recommendations to the Board in respect of compensation matters. The Compensation Committee reviews and considers compensation paid for executive officers of companies of similar business, size and stage of development and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation.

The members of the Compensation Committee have been fulfilling the role of a compensation committee for the Corporation as members of the Audit Committee since November 2008 for Mr. Baker and since June 2009 for Mr. Underhill, and as such are versed in compensation matters relevant to the Corporation.
