THIRD AMENDED AND RESTATED CREDIT AGREEMENT

THIS AGREEMENT dated as of April 30, 2021,

BETWEEN:

PIPESTONE ENERGY CORP.
as Borrower

- and -

**THE PERSONS PARTY HERETO FROM TIME TO TIME IN THEIR CAPACITY AS
LENDERS**

- and -

NATIONAL BANK OF CANADA
as Administrative Agent

PREAMBLE:

The Borrower, NBC and certain of the other Lenders are party to the Existing Credit Agreement. The Borrower has requested and the Lenders have agreed to amend and restate the Existing Credit Agreement and to provide the Credit Facilities to the Borrower on the terms and conditions herein set forth. NBC has agreed to act as Agent for the Lenders under such Credit Facilities, all on the terms and conditions and for the purposes set out in this Agreement.

AGREEMENT:

In consideration of the covenants and agreements between the Parties contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1 INTERPRETATION

1.1 Definitions.

Capitalized words and phrases used in the Loan Documents, the Schedules hereto and in all Communication expressed to be made pursuant to this Agreement will have the meanings set out in Schedule A, unless otherwise defined in any of the Loan Documents.

1.2 Headings.

Headings, subheadings and the table of contents contained in the Loan Documents are inserted for convenience of reference only, and will not affect the construction or interpretation of the Loan Documents.

1.3 Subdivisions.

Unless otherwise stated, reference herein to a Schedule or to an Article, Section, paragraph or other subdivision is a reference to such Schedule to this Agreement or such Article, Section, paragraph or other subdivision of this Agreement. Unless specified otherwise, reference in Schedule A to a Schedule or to an Article, Section, paragraph or other subdivision is a reference to such Schedule or Article, Section, paragraph or other subdivision of this Agreement.

1.4 Number.

Wherever the context in the Loan Documents so requires, a term used herein importing the singular will also include the plural and vice versa.

1.5 Statutes, Regulations and Rules.

Any reference in the Loan Documents to all or any section or paragraph or any other subdivision of any Law will, unless otherwise expressly stated, be a reference to that Law or the relevant section or paragraph or other subdivision thereof, as such Law may be amended, substituted, replaced or re-enacted from time to time.

1.6 Permitted Encumbrances.

Any reference in any of the Loan Documents to a Permitted Encumbrance is not intended to and will not be interpreted as subordinating or postponing, or as any agreement to subordinate or postpone, any obligation of any Loan Party to the Lenders under any of the Loan Documents to any Permitted Encumbrance.

1.7 Monetary References.

Whenever an amount of money is referred to in the Loan Documents, such amount will, unless otherwise expressly stated, be in Canadian Dollars.

1.8 Time.

Time will be of the essence of the Loan Documents.

1.9 Governing Law.

This Agreement will be governed by and construed in accordance with the Law in force in the Province of Alberta from time to time.

1.10 Enurement.

The Loan Documents will be binding upon and will enure to the benefit of the Parties and their respective successors and permitted assigns.

1.11 Amendments.

No Loan Document may be amended orally and, subject to Sections 17.16 and 18.1(d), any amendment may only be made by way of an instrument in writing signed by the Parties.

1.12 No Waiver.

- (a) Subject to Section 17.16(a), no waiver by a Party of any provision or of the breach of any provision of the Loan Documents will be effective unless it is contained in a written instrument duly executed by an authorized officer or representative of such Party. Such written waiver will affect only the matter specifically identified in the instrument granting the waiver and will not extend to any other matter, provision or breach.
- (b) The failure of a Party to take any steps in exercising any right in respect of the breach or non-fulfillment of any provision of the Loan Documents will not operate as a waiver of that right, breach or provision, nor will any single or partial exercise of any right preclude any other or future exercise of that right or the exercise of any other right, whether in Law or otherwise.

1.13 Severability.

If the whole or any portion of this Agreement or the application thereof to any circumstance will be held invalid or unenforceable to an extent that does not affect the operation of this Agreement in question in a fundamental way, the remainder of this Agreement in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, will not be affected thereby and will be valid and enforceable to the fullest extent permitted by applicable Law.

1.14 Inconsistency.

To the extent that there is any inconsistency or ambiguity between the provisions of this Agreement and any other Loan Document, the provisions of this Agreement will govern to the extent necessary to eliminate such inconsistency or ambiguity.

1.15 Accounting Terms and Principles.

Except as otherwise expressly provided, all accounting terms, principles and calculations applicable to the Credit Facilities will be interpreted, applied and calculated, as the case may be, in accordance with GAAP. The basis of accounting and all calculations set out in this Agreement will be applied and made on a consistent basis and will not be changed for the purposes of this Agreement unless required by GAAP or as agreed to by the Lenders in writing, such agreement not to be unreasonably withheld. It will be reasonable for the Lenders to withhold their consent if a proposed change could adversely affect the obligations of the Borrower or rights of the Lenders under the Loan Documents.

1.16 Accounting Changes.

- (a) In the event that any Accounting Change occurs, the Borrower will deliver an Accounting Change Notice to the Agent together with a description of the nature of such Accounting Change and the effect, if any, of the Accounting Change on the Borrower's current and immediately prior year's financial statements. If the Borrower, the Agent or the Majority Lenders reasonably determine that any such change would cause an amount required to be determined for the purposes of any financial calculation hereunder (including for the purposes of determining the applicable margin in Section 3.10(a)) (each, a "**Financial Calculation**") to be materially different than the amount that would be determined without giving effect to such change, then the Borrower, the Agent or the Majority Lenders, as the case may be, shall deliver an Accounting Change Notice to the other Parties (through the Agent) of such Accounting Change. Such notice shall state whether the Borrower, the Agent or the Majority Lenders, as applicable, wishes to revise the method of calculating one or more of the Financial Calculations (including the revision of any of the defined terms used in the determination of such Financial Calculation) in order that amounts determined after giving effect to such Accounting Change and the revised method of calculating such Financial Calculation will approximate the amount that would be determined without giving effect to such Accounting Change and without giving effect to the revised method of calculating such Financial Calculation. The Accounting Change Notice shall be delivered by the Borrower to the Agent within 60 days after the end of the Fiscal Quarter in which the Accounting Change is implemented or, if such Accounting Change is implemented in the fourth Fiscal Quarter or in respect of an entire Fiscal Year, within 120 days after the end of such period. Following receipt of an Accounting Change Notice, either the Borrower or the Majority Lenders may provide a proposal to the other as to how to amend the provisions of this Agreement to give effect to the foregoing.
- (b) If, pursuant to the Accounting Change Notice, the Borrower does not indicate that it desires to revise the method of calculating one or more of the Financial Calculations, the Majority Lenders or the Agent, as applicable, may within 30 days after receipt of the Accounting Change Notice, notify the Borrower that they wish to revise the method of calculating one or more of the Financial Calculations in the manner described above.
- (c) If the Agent, the Borrower or the Majority Lenders so indicate that they wish to revise the method of calculating one or more of the Financial Calculations, the Borrower and the Lenders shall in good faith attempt to agree on a revised method of calculating such Financial Calculation, provided that until such time as any such agreement in writing has been reached, such method of calculation shall not be revised and all amounts to be determined thereunder shall be determined without giving effect to the Accounting Change. For greater certainty, if no notice of a desire to revise the method of calculating the Financial Calculations in respect of an Accounting Change is given by either the Borrower, the Agent or the Majority Lenders within the applicable time period described above, then the method of

calculating the Financial Calculations shall not be revised in response to such Accounting Change and all amounts to be determined pursuant to the Financial Calculations shall be determined after giving effect to such Accounting Change.

- (d) If a Compliance Certificate is delivered in respect of a Fiscal Quarter or Fiscal Year in which an Accounting Change is implemented without giving effect to any revised method of calculating any of the Financial Calculations, and subsequently, as provided above, the method of calculating the Financial Calculation is revised in response to such Accounting Change, or the amounts to be determined pursuant to the Financial Calculations are to be determined without giving effect to such Accounting Change, the Borrower shall, as soon as reasonably possible, deliver a revised Compliance Certificate. Any Event of Default which arises as a result of the Accounting Change and which is cured by this Section 1.16 shall be deemed to have never occurred.
- (e) For the purposes of this Agreement, including all calculations required to be made hereunder, any lease which would have been accounted for as an operating lease under GAAP as in effect on December 31, 2018 shall, notwithstanding any subsequent change in GAAP, maintain such treatment and in any event shall not constitute a capital lease or financing lease for the aforementioned purposes (whether such lease is entered into or assumed before or after December 31, 2018).

1.17 Schedules.

The following are the Schedules which form part of this Agreement:

Schedule A:	Definitions
Schedule B:	Commitments
Schedule C:	Form of Environmental Certificate
Schedule D:	Form of Compliance Certificate
Schedule E:	Form of Assignment Agreement
Schedule F:	Form of Notice of Borrowing
Schedule G:	Form of Notice of Rollover or Notice of Conversion or Notice of Repayment
Schedule H:	Loan Party Information
Schedule I:	Form of Request for Offer of Extension
Schedule J:	Form of Oil and Gas Ownership Certificate
Schedule K:	Form of LMR and Decommissioning Expense Worksheet

1.18 Amendment and Restatement.

The Existing Credit Agreement is hereby amended and restated in the form of this Agreement. On the Amendment and Restatement Date, all Indebtedness of the Borrower to the Lenders and the Agent under the Existing Credit Agreement shall be construed as Indebtedness of the Borrower to the Lenders and the Agent under this Agreement. Further:

- (a) each “Advance” outstanding under either the “Syndicated Facility” or the “Additional Facility” (as each such term is defined in the Existing Credit Agreement) of the Existing Credit Agreement will (A) be deemed to be outstanding as an Advance in an equivalent Accommodation under the Syndicated Facility, (B) reduce the amount available under the Syndicated Facility by the principal amount of such loans, and (C) otherwise be subject to the terms and conditions of this Agreement;
- (b) each “Advance” outstanding under the “Operating Facility” (as each such term is defined in the Existing Credit Agreement) will (A) be deemed to be outstanding as an Advance in an equivalent Accommodation under the Operating Facility, (B) reduce the amount available under the Operating Facility by the principal amount of such loans, and (C) otherwise be subject to the terms and conditions of this Agreement; and
- (c) each Existing Hedging Agreement shall be deemed to be a Swap Document.

1.19 Changes to LMR.

If (a) as a result of any change in any applicable Law, rule, policy, regulation, order or directive, any applicable Energy Regulator ceases to use a liability management (or equivalent) rating as a means of determining whether a corporation is in compliance with such regulator’s abandonment and reclamation policies, regulations and directives in any one or more Material Jurisdiction, (b) the method of calculation of any LMR changes in any material manner in any Material Jurisdiction, or (c) if the threshold for which (i) license transfers of regulated properties shall be permitted under an Energy Regulator’s licensee liability regime in any Material Jurisdiction changes in any material respect or (ii) any security deposits will be required to be provided to the applicable Energy Regulator changes in any material respect, then, in any such case, the Borrower and the Agent shall enter into good faith discussions with a view to determining a comparable rating system or threshold, as applicable, to replace the concept of LMR as set forth herein that is, at such time, broadly accepted as the prevailing market practice for such regulation in the applicable Material Jurisdiction, with the intent of having the respective positions of the Lenders and the Borrower after such change conform as nearly as possible to their respective positions immediately prior to such change; provided that, until any such agreement is reached, the LMR shall continue to be calculated as if no such change had occurred. Upon the Borrower and the Agent agreeing on such methodology for determining LMR and the thresholds set forth herein, the Borrower and the Lenders party hereto shall enter into documentation to amend the provisions hereof to refer to such rate and make all other adjustments incidental thereto. The Parties agree that such amendment shall require the consent of the Majority Lenders notwithstanding anything to the contrary set out herein.

ARTICLE 2

This Agreement will become effective upon the following conditions being satisfied (unless waived in writing by all of the Lenders):

- (f) the Lenders having completed to their satisfaction all operational, legal and financial due diligence, including but not limited to engineering reviews,

ARTICLE 3 CREDIT FACILITIES

3.1 Syndicated Facility.

Subject to the terms and conditions hereof and effective on the Amendment and Restatement Date, the Lenders hereby establish the Syndicated Facility in favour of the Borrower. Accommodations under the Syndicated Facility may be drawn down, repaid and redrawn from time to time by the Borrower during the Revolving Period in Canadian Dollars or the Canadian Dollar Exchange Equivalent thereof in U.S. Dollars, or any combination thereof, to a maximum of the Syndicated Facility Commitment Amount. Each Lender's initial Individual Syndicated Facility Commitment Amount is set out in Schedule B.

3.2 Operating Facility.

Subject to the terms and conditions hereof and effective on the Amendment and Restatement Date, the Operating Lender hereby establishes the Operating Facility in favour of the Borrower. Accommodations under the Operating Facility may be drawn down, repaid and redrawn from time to time by the Borrower during the Revolving Period in Canadian Dollars or the Canadian Dollar Exchange Equivalent thereof in U.S. Dollars, or any combination thereof, to a maximum of the Operating Facility Commitment Amount.

3.3 Extension of Revolving Period.

(a) End of Revolving Period. The Revolving Period will end on May 30, 2022.

(b) Extension of Credit

- (i) The Borrower may, provided no Default or Event of Default has occurred and is continuing, request an Offer of Extension in respect of each Lender for which there is a Revolving Period at such time (each a “**Revolving Lender**”) not more than 90 days and not less than 60 days prior to (A) the last day of the then current Revolving Period or (B) at the Borrower's option, May 31 of each year. Such request shall be made by the Borrower by delivering to the Agent an executed Request for Offer of Extension and, if not previously delivered, the most current financial statements and production information required to be delivered by it hereunder. The Agent shall within 2 Banking Days of receipt thereof notify the Revolving Lenders of such Request for Offer of Extension and each Revolving Lender shall notify the Agent and the Borrower as to whether or not it agrees (in its sole discretion) to such request no later than 30 days prior to the last day of the then current Revolving Period (the “**Notification Date**”); provided that, if a Revolving Lender does not so notify the Agent and the Borrower on or prior to the Notification Date, such Revolving Lender shall be deemed to have elected not to agree to such Request for Offer of Extension.

- (ii) If the Borrower fails to make a Request for Offer of Extension within the time provided above, the then current Revolving Period will not be followed by a new Revolving Period and will continue until the Conversion Date with each such Lender's Commitment Amount remaining available for Drawdown until the Conversion Date applicable to such Lender.
- (iii) If the Majority Revolving Lenders agree to such Request for Offer of Extension, the Agent shall forthwith deliver to the Borrower an Offer of Extension with respect to all Credit Facilities on behalf of the Revolving Lenders who have agreed to extend. Any such Offer of Extension shall be open for acceptance by the Borrower until the Banking Day immediately preceding the last day of the then current Revolving Period. Upon written notice by the Borrower to the Agent accepting an outstanding Offer of Extension and agreeing to the terms and conditions specified therein, if any, the Revolving Period, in respect of those Revolving Lenders agreeing to such an extension, shall be extended to the date specified in the Offer of Extension subject to the terms and conditions, if any, specified in such Offer of Extension effective on the date of acceptance by the Borrower of the Offer of Extension.
- (iv) If any Lender that receives notification from the Agent that the Borrower has made a Request for Offer of Extension, elects not to or is deemed not to make an Offer of Extension (each a "**Non-Agreeing Lender**"), the Agent shall forthwith so advise each of the other Lenders which do agree to provide an Offer of Extension and each such Lender shall have the right (but not the obligation) to purchase the Individual Commitment Amount of such Non-Agreeing Lenders (each a "**Non-Agreeing Lender Commitment Amount**") for a purchase price in an amount equal to the Aggregate Principal Amount of the Advances owing to such Non-Agreeing Lenders (or such lower amount as may otherwise be agreed to by the applicable Non-Agreeing Lender in its sole discretion), together with accrued interest thereon to the date of payment of such principal amount and all other Obligations payable by the Borrower to such Non-Agreeing Lenders under this Agreement and the other Loan Documents (including all losses, costs and expenses suffered or incurred by the Non-Agreeing Lenders as a result of complying with this Section 3.3(b) and all amounts owing to it under Sections 3.10(h), 18.5 and 18.6). Each of the other Lenders wishing to exercise its rights to purchase the Non-Agreeing Lender Commitment Amount (a "**Purchasing Lender**") shall so notify the Borrower, the Agent and each of the other Lenders in writing, and such Purchasing Lender shall thereupon be obligated to purchase not less than 15 days prior to the last day of the then current Revolving Period, an amount equal to the Non-Agreeing Lender Commitment Amount multiplied by such Purchasing Lender's Rateable Portion of the Commitment Amount, over the aggregate of all Purchasing Lender's Rateable Portion of the Commitment Amount, or as otherwise agreed to by the Borrower and all Purchasing Lenders. The Purchasing Lender shall be deemed to have made an Offer of Extension in

respect of the Non-Agreeing Lender Commitment Amount so purchased and the applicable Conversion Date applicable to such commitment shall, upon acceptance of such offer by the Borrower, be extended to the Conversion Date applicable to such Lender and such Credit Facility. The Non-Agreeing Lenders, the Purchasing Lenders, the Agent, the Borrower and each of the other Lenders, if any, shall forthwith duly execute and deliver any necessary documentation to give effect to such purchase, whereupon the Non-Agreeing Lenders shall, as of the effective date thereof, be released from its obligations to the Borrower hereunder and under the other Loan Documents arising subsequent to such date.

- (v) If a Non-Agreeing Lender Commitment Amount is not purchased pursuant to Section 3.3(b)(iv), at the option of the Borrower:
 - (A) so long as no Default or Event of Default exists and is continuing or could reasonably be expected to result therefrom, the Borrower may repay all Advances (which shall include, for greater certainty, the face amount of all Bankers' Acceptances and BA Equivalent Loans accepted by such Non-Agreeing Lender) and other Obligations owing hereunder and under the other Loan Documents to such Non-Agreeing Lender on the applicable Conversion Date and, upon such repayment, the Non-Agreeing Lender shall cease to be a Lender hereunder and the Non-Agreeing Lender Commitment Amount shall be terminated; the Syndicated Facility Commitment Amount or the Operating Facility Commitment Amount, as applicable, shall be reduced by the amount of the terminated Non-Agreeing Lender Commitment Amount, and the Rateable Portion of each remaining Lender shall be adjusted accordingly;
 - (B) the Non-Agreeing Lender shall, if requested by the Borrower, assign and transfer such Non-Agreeing Lender Commitment Amount to a Lender pursuant to Section 16.2; or
 - (C) the undrawn portion of the Non-Agreeing Lender Commitment Amount shall, effective at 5:01 p.m. (Montreal time) on the applicable Conversion Date, be cancelled and such Non-Agreeing Lender's Individual Commitment Amount shall thereafter convert to a one year non-revolving term facility as provided for in Section 3.4.
- (vi) A Revolving Period may only be extended pursuant to Section 3.3(b)(i) if the Majority Revolving Lenders agree to provide an Offer of Extension, and if such Majority Revolving Lenders do not agree to provide an Offer of Extension, (a) the provisions of Sections 3.3(b)(iv) and 3.3(b)(v) shall not be applicable and the provisions of Section 3.4 shall apply, and (b) the undrawn portion of the Individual Commitment Amounts of all Revolving Lenders (including the Operating Lender) shall, effective at 5:01 p.m.

(Montreal time) on the Conversion Date, be cancelled and such Revolving Lenders' Individual Commitment Amount shall thereafter convert from a Syndicated Facility to a one year non-revolving term facility as provided for in Section 3.4.

- (vii) This Section 3.3 shall apply from time to time to permit successive extensions of the Revolving Period, any Conversion Date, the Syndicated Facility Termination Date and the Operating Facility Termination Date if and for so long as the Majority Revolving Lenders have agreed in accordance with Section 3.3(b)(vi); provided that no such extension will occur unless all Credit Facilities are so extended.

3.4 Conversion to Term Loan.

- (a) Syndicated Facility. Subject to Sections 3.3(b)(iv) and 3.3(b)(v), the undrawn portion of any Non-Agreeing Lender Commitment Amount in respect of the Syndicated Facility will be automatically cancelled at 5:01 p.m. (Montreal time) on the Conversion Date applicable to such Non-Agreeing Lender. Effective at such Conversion Date, the Syndicated Facility will, with respect to a Non-Agreeing Lender, cease to be a revolving type facility and, unless unconditionally and irrevocably repaid in accordance with Section 3.3(b)(v)(A), will become a one year non-revolving term loan facility, repayable in accordance with Section 3.6(a)(ii).
- (b) Operating Facility. Subject to Sections 3.3(b)(iv) and 3.3(b)(v), the undrawn portion of the Operating Facility Commitment Amount will be automatically cancelled at 5:01 p.m. (Montreal time) on the then current Conversion Date in respect of the Operating Lender. Effective at such time on such Conversion Date, the Operating Facility will cease to be a revolving type facility, and unless unconditionally and irrevocably repaid in accordance with Section 3.3(b)(v)(A), will become a one year non-revolving term loan facility, repayable in accordance with Section 3.6(b)(ii).

3.5 Maturity Date.

The Borrower will not be entitled to request an Advance from a Syndicated Facility Lender which has a Maturity Date after the Syndicated Facility Termination Date applicable to such Syndicated Facility Lender. The Borrower will not be entitled to request an Advance from the Operating Lender which has a Maturity Date after the Operating Facility Termination Date.

- (c) Borrowing Base Shortfall. If at any time there occurs a Borrowing Base Shortfall, the Agent shall, at the direction of any Lender, deliver to the Borrower a notice setting out the amount of the Borrowing Base Shortfall (the “**Shortfall Notice**”). Upon receipt of the Shortfall Notice, the Borrower will do one of the following or a combination thereof:
 - (i) reduce the Obligations under the Credit Facilities by the amount of the Borrowing Base Shortfall within 30 days of receipt of the Shortfall Notice, with the proceeds of such reduction to be paid to the Syndicated Facility Lenders and the Operating Lender on a *pro rata* basis based on the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount of each such Credit Facility;
 - (ii) eliminate the Borrowing Base Shortfall by providing in favour of the Agent for and on behalf of the Lenders and the Swap Lenders additional security, such security to be in form and substance acceptable to the Lenders, in their discretion, to be delivered by the Borrower to the Agent for and on behalf of the Lenders within 30 days of receipt of the Shortfall Notice; or
 - (iii) eliminate the Borrowing Base Shortfall within 30 days of receipt of the Shortfall Notice by such other means as are acceptable to the Lenders, including adding additional P&NG Rights acceptable to the Lenders to the Borrowing Base Properties or by making a prepayment in accordance with Section 3.6(f).

Notwithstanding the foregoing provisions of this Section 3.6(c), nothing herein contained will affect or modify the rights of the Lenders under the Loan Documents or the obligations of the Borrower thereunder.

- (d) Effect of Borrowing Base Shortfall. If a Shortfall Notice is given, then unless and until the Borrowing Base Shortfall is eliminated as required by Section 3.6(c), the Borrower will:
- (i) not request Advances under any Credit Facility, except for the Rollover or Conversion of a then maturing Advance, provided the Maturity Date of such maturing Advances following their Conversion or Rollover, as the case may be, does not exceed the earlier of:
 - (A) one month from such date; and
 - (B) the date which is 30 days after delivery of the Shortfall Notice;
 - (ii) provide to the Agent, for the benefit of the Lenders, such information available to it to assist in determining the forecasted Available Cash Flow over the anticipated period of the Borrowing Base Shortfall;
 - (iii) not dispose or permit the disposition of any Borrowing Base Property except pursuant to paragraphs (a), (b) and (c) of the definition of Permitted Dispositions or as otherwise agreed to by the Majority Lenders; and
 - (iv) pay the increased compensation required under Section 3.10(d).

If the Borrowing Base Shortfall is eliminated, then the Borrower will no longer be subject to the restrictions and obligations imposed in this Section 3.6(d).

- (e) Dedication of Available Cash Flow. Following receipt of a Shortfall Notice and until the Borrowing Base Shortfall described therein is eliminated, the Borrower will dedicate on a monthly basis to the Aggregate Principal Amount of the Credit Facilities such portion of Available Cash Flow as is designated by the Majority Lenders to eliminate as soon as possible, and in any event within 30 days, the Borrowing Base Shortfall, such monthly deductions to be apportioned between the Aggregate Principal Amount under each Credit Facility in accordance with Section 3.6(c)(i). The first such monthly deduction will take place no later than 30 days after the Shortfall Notice is delivered.
- (f) Prepayment. Any prepayment for the purpose of eliminating a Borrowing Base Shortfall will be shared by the Lenders in accordance with Section 3.6(c)(i).
- (g) Payments to Agent. All payments of the Obligations of the Borrower to the Lenders under each Credit Facility will be made by the Borrower to the Agent for the account of the applicable Lenders, and, except to the extent otherwise provided herein, in accordance with each such Lender's Rateable Portions in such Credit Facility. All payments of the Obligations of the Borrower to the Operating Lender

under the Operating Facility will be made to the Operating Lender. Any payment received by the Agent or the Operating Lender after 3:00 p.m. (Montreal time) shall be deemed, for all purposes, to have been received by the Agent or the Operating Lender, as applicable, on the next Banking Day.

- (h) Borrower May Elect Application of Payments. Subject to the requirements of Sections 3.6(a)(ii) and 3.6(b)(ii) and provided that no Borrowing Base Shortfall, Default or Event of Default has occurred and is continuing, the Borrower may elect, upon notice to the Agent, to apply all or any portion of the amount of any permanent payment of the Aggregate Principal Amount of the Syndicated Facility or the Operating Facility solely to the Revolving Lenders thereunder, solely to the Term Lenders thereunder, or to a combination thereof, and in each such case, (i) in respect of a payment to such Revolving Lenders, each such Revolving Lender shall receive its Rateable Portion of the aggregate payment made to all of such Revolving Lenders, and (ii) in respect of a payment to such Term Lenders, each such Term Lender shall receive its Rateable Portion of the aggregate payment made to all of such Term Lenders.

3.7 Prepayment and Cancellation.

Subject to Section 9.5 and upon the Borrower giving the Agent not less than 2 Banking Days prior written notice, the Borrower may at any time prepay (in respect of the Syndicated Facility only, in minimum amounts of Cdn. \$ [REDACTED] as applicable, for any amount in excess thereof) without premium, bonus or penalty, any or all of the Aggregate Principal Amount under any Credit Facility, except that (i) a Bankers' Acceptance will not be paid prior to its Maturity Date except pursuant to Section 9.5, (ii) a LIBOR Based Loan may only be paid prior to its Maturity Date in accordance with Sections 8.2 and 11.2, and (iii) any Letter of Credit may only be prepaid if such Letter of Credit is returned to the Operating Lender for cancellation or collateralized in accordance with Section 5.8. At any time during a Revolving Period, the Borrower may also, upon the Borrower giving the Agent not less than 2 Banking Days prior written notice, cancel (in minimum amounts of Cdn. \$ [REDACTED] as applicable, for any amount in excess thereof) any undrawn portion of the Syndicated Facility Commitment Amount or the Operating Facility Commitment Amount, as applicable, including any undrawn portion resulting from a prepayment. Any prepayment or cancellation in respect of the Syndicated Facility will be made *pro rata* to all Syndicated Facility Lenders on the basis of each Syndicated Facility Lender's Rateable Portion of the Syndicated Facility. Any such cancellation and resulting prepayment made to a Term Lender will result in a permanent reduction of its Individual Commitment Amount.

3.8 Use of Proceeds.

The Borrower will be entitled, subject to the provisions hereof dealing with Hostile Acquisitions, to use the proceeds of the Credit Facilities for general corporate purposes of the Loan Parties.

On the Amendment and Restatement Date until the date on which the next Compliance Certificate is delivered hereunder, the Senior Debt to EBITDA Ratio will be Level ■.

- (b) Changes in Rates due to Change in Ratio. With respect to Advances made under a Credit Facility, the effective date on which any change in interest rates, BA Stamping Fees or standby fees occurs will be the first day of the Fiscal Quarter commencing immediately after the Fiscal Quarter in which a Compliance Certificate is delivered which evidences a change in the Senior Debt to EBITDA Ratio. If the Borrower fails to deliver a Compliance Certificate in accordance with Section 13.2(e), then the applicable margin shall be deemed to be at Level ■ in the Pricing Table until such time as the applicable Compliance Certificate is delivered (and notwithstanding the Default which arises from such failure to so deliver such Compliance Certificate). Any increase or decrease in (i) the interest rates on LIBOR Based Loans outstanding on the effective date of a change in the Senior Debt to EBITDA Ratio will apply proportionately to each such LIBOR Based Loan outstanding on the basis of the number of days remaining in the term to maturity thereof, and (ii) the BA Stamping Fees on Bankers' Acceptances outstanding on the effective date of a change in the Senior Debt to EBITDA Ratio will apply for new Bankers' Acceptances issued after such effective date or on any Rollover of an existing Bankers' Acceptance but otherwise the stamping fees on any Bankers' Acceptance existing at such effective date will not change. The Letter of Credit Fees outstanding on the effective date of a change in the aforesaid rates and fees will apply for new Letters of Credit issued or renewed after such effective date such that the Letter of Credit Fee on any such existing Letter of Credit will not change until the maturity or renewal thereof.
- (c) Restatement of Ratio. If the Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Borrower's financial results having to be restated or if the Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Senior Debt to EBITDA Ratio was lower (and the corresponding Level in the Pricing Table was lower) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then the Borrower will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, BA Stamping Fees, Letter of Credit Fees and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Senior Debt to EBITDA Ratio, and the underlying components thereof, been reported correctly in the first instance.
- (d) Borrowing Base Shortfall or Event of Default. Effective upon the occurrence and during the continuance of a Borrowing Base Shortfall or an Event of Default (the "**Effective Date**"), the interest rates then applicable to Canadian Prime Rate Loans, LIBOR Based Loans, U.S. Base Rate Loans, BA Stamping Fees and Letter of Credit Fees will each increase by ■ per annum and such increase

will remain in effect for as long as a Borrowing Base Shortfall or Event of Default subsists. Any such increase in interest rates, BA Stamping Fees and Letter of Credit Fees will on the Effective Date apply proportionately to each LIBOR Based Loan, Bankers' Acceptance and Letter of Credit outstanding on the basis of the number of days remaining in the term to maturity of each such Advance. The Borrower will pay to the Lenders any resulting increase in BA Stamping Fees or Letter of Credit Fees on or prior to the third Banking Day following the Effective Date. In the event that the Event of Default or Borrowing Base Shortfall no longer subsists and the Borrower has paid in advance the increased BA Stamping Fees or Letter of Credit Fees for the term to maturity of a Bankers' Acceptance or a Letter of Credit, the Lenders will apply the amount of the increase for the remaining term to maturity of such Advance against future Obligations of the Borrower under the applicable Credit Facility.

- (e) Increase in Rates on Conversion Date. The interest rates and fees applicable to the Credit Facilities determined in accordance with Section 3.10(a) shall, effective upon and during the Term Period, each increase by [REDACTED]. With respect to LIBOR Based Loans, Bankers' Acceptances or Letters of Credit outstanding on the Conversion Date, such increase shall apply on the basis of the number of days remaining in the term to maturity of each such Advance. With respect to Bankers' Acceptances drawn under a Credit Facility, the Borrower will pay to the Agent for the benefit of the applicable Lenders any resulting increase in BA Stamping Fees with respect to outstanding Bankers' Acceptances on or prior to the third Banking Day following the applicable Conversion Date.
- (f) Agency Fee. The Borrower will pay to the Agent, on an annual basis, the agency fee agreed upon between the Borrower and the Agent, the amount thereof to be kept confidential by the Borrower.
- (g) Standby Fee. The Borrower will, effective from and including the Amendment and Restatement Date to and including the Conversion Date in respect of the applicable Credit Facility, pay to the Agent for the benefit of the Lender or Lenders under each such Credit Facility, a standby fee in Canadian Dollars from time to time equal to the Basis Points set forth in the Pricing Table, calculated on the basis of a 365 or 366 day calendar year, as applicable, multiplied by (i) in respect of the Syndicated Facility, the Syndicated Facility Commitment Amount less the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount of the Syndicated Facility; and (ii) in respect of the Operating Facility, the Operating Facility Commitment Amount less the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount of the Operating Facility. The standby fee will be calculated daily and will be payable monthly in arrears on the first Banking Day of each month for the previous month, as well as on the first Banking Day of the Term Period. Standby fees will be distributed to each Lender on such *pro rata* of their Individual Commitment Amount on the applicable Credit Facility.
- (h) Expenses. The Borrower will pay or reimburse the Agent and the Lenders, as applicable, for the reasonable out of pocket expenses, including reasonable legal

fees and disbursements (on a solicitor and his own client full indemnity basis) and costs, incurred by the Agent and the Lenders, as applicable, in connection with the negotiation, preparation, execution and maintenance of the Loan Documents and the protection and enforcement of their rights and remedies under the Loan Documents.

3.11 Borrowing Base.

- (a) Borrowing Base. The Borrowing Base as of the Amendment and Restatement Date is \$225,000,000, provided that each Credit Facility is made available by the applicable Lenders in accordance with their respective Individual Commitment Amounts as set forth in Schedule B.
- (b) Setting of Borrowing Base. During any Revolving Period, a determination of the Borrowing Base will occur semi-annually on or before May 31 and November 30 in each year any of the Credit Facilities remain available to the Borrower or any Obligations remain outstanding (in any such case, the “**Scheduled Borrowing Base Date**”). The first Scheduled Borrowing Base Date after the Amendment and Restatement Date will take place on or before November 30, 2021. However, (i) the Majority Lenders may cause additional re-determinations of the Borrowing Base at any time during the Revolving Period, provided that not more than one such re-determination shall occur in a given calendar year, (ii) the Majority Lenders may cause one additional re-determination of the Borrowing Base upon each occurrence of a Material Adverse Effect and notice to the Borrower, (iii) the Majority Lenders shall cause a re-determination of the Borrowing Base if requested by the Borrower pursuant to Section 3.11(e) and (iv) if (A) at any time the LMR of any Loan Party less than 2.00; or (B) any Loan Party, or any of the Loan Party Assets, become subject to an Abandonment/Reclamation Order where the aggregate estimated current cost to the Loan Parties to comply with all such outstanding orders exceeds 200% of the Threshold Amount, then, in either case, unless waived by all Lenders, the Lenders will re-determine the Borrowing Base in accordance with this Section 3.11(b) within 45 days after the Agent has received notice of, in the case of clause (A) above, such LMR being less than 2.00, or, in the case of clause (B) above, such Loan Party’s receipt of such Abandonment/Reclamation Order (provided that, for the purpose of determining the estimated cost in clause (B) above, the Borrower shall provide the Lenders with a reasonable and factually supportable estimate of such costs within 15 Banking Days of its receipt of the applicable order and shall deliver to the Lenders all such relevant information related to such estimate as may be reasonably required by the Lenders, which estimate shall be certified by the president, chief executive officer, chief operating officer, chief financial officer or vice president, finance of the Borrower, and the Majority Lenders, acting reasonably and in good faith, must approve such estimate) (each of the scheduled and additional Borrowing Base determinations noted above are referred to herein as a “**Borrowing Base Determination**”).
- (c) Determination of Borrowing Base. The Lenders shall make each Borrowing Base Determination in consultation with each other and any such Borrowing Base

Determination will require the unanimous consent of all of the Lenders. Each Lender, in making its determination of the Borrowing Base value in connection with a Borrowing Base Determination, will act in accordance with its usual and customary practices for revolving loans of this nature. If the Lenders are unable to agree on the Borrowing Base Determination on or before the applicable Scheduled Borrowing Base Date or other applicable Borrowing Base Determination date set out herein, the Borrowing Base Determination shall be determined to be the lowest Borrowing Base value proposed by a Lender or Lenders, subject to any adjustment required pursuant to Section 17.17.

- (d) Notification of Borrowing Base. The Agent shall within 5 Banking Days of any Borrowing Base Determination advise the Borrower of the Borrowing Base value and, in the event that Borrowing Base Determination was not unanimously consented to by the Lenders and was determined to be the lowest Borrowing Base value proposed by a Lender or Lenders, the Agent shall advise the Borrower as to which Lender(s) had the lowest Borrowing Base (the “**Non-Conforming Borrowing Base Lender**”). The Borrowing Base shall be effective immediately upon notice thereof to the Borrower and any resulting adjustment of the Commitment Amount shall occur automatically. The Borrowing Base will remain in effect until the next Borrowing Base Determination is made as required or permitted herein. The Borrower will cooperate in all respects in providing the Agent, in a timely manner and for the benefit of the Lenders, with such information as may be reasonably required by the Lenders to assist in determining the Borrowing Base within the time period required hereunder. To assist the Lenders in a determination of the Borrowing Base, the Borrower will, while any Credit Facility remains available to the Borrower, provide the Agent, for the benefit of the Lenders, with the materials and documents set forth in Sections 13.2(c)(i).
- (e) Borrower May Request Redetermination. The Borrower may at any time request a redetermination of the Borrowing Base. Upon such request, the Borrowing Base will be redetermined as soon as reasonably practicable, provided that the Borrower has made available to the Agent, for the benefit of the Lenders, the current information which, in the opinion of the Majority Lenders, acting reasonably, is required to perform such redetermination. The Borrowing Base will be adjusted effective on the date specified in the notice of same given by the Agent to the Borrower. In connection with any such redetermination, the Agent on behalf of the Lenders will be entitled to charge the Borrower a reasonable “work fee” to be agreed upon between the Borrower and the Agent.
- (f) Meeting with Lenders. The Borrower will meet annually with the Lenders at a time and place mutually acceptable to the Borrower and the Lenders to review and discuss the production profile of the Borrowing Base Properties, and such other matters affecting the Borrower’s business as the Lenders may request, acting reasonably.

3.12 Swap Facilities.

Subject to Sections 13.3(b), 13.3(c), 13.3(d) and 13.3(e), each Lender may enter into Swap Documents with any Loan Party; provided that all Swap Indebtedness ranks at all times *pari passu* with all other Secured Obligations.

ARTICLE 4 SECURITY

4.1 Security.

The present and future Secured Obligations of the Loan Parties howsoever arising or incurred hereunder and under the Loan Documents, Cash Management Arrangements and the Swap Documents, as applicable, will be secured by the following (in each case in form and substance satisfactory to the Agent) (collectively, the “**Security**”):

- (a) an amended and restated demand debenture (or a joinder thereto) initially in the amount of Cdn. \$500,000,000 (as such may be increased from time to time) from each Loan Party to be registered in all appropriate jurisdictions, as each such debenture may be amended, restated, supplemented or otherwise modified from time to time;
- (b) a guarantee (or a joinder thereto) from each Material Subsidiary in favour of the Agent for its own benefit and on behalf of the Lenders and the Swap Lenders with respect to the Borrower’s and the Material Subsidiaries’ obligations to the Agent, the Lenders and any Swap Lender under the Loan Documents and the Swap Documents;
- (c) prior to any Material Subsidiary becoming party to a Swap Document, a guarantee (or a joinder thereto) from the Borrower in favour of the Agent for its own benefit and on behalf of the Swap Lenders with respect to the Material Subsidiaries’ obligations under the Swap Documents to which any of them is a party;
- (d) in the event that any of the Permitted Junior Indebtedness is secured by a second Lien over the Loan Parties’ assets, property and undertaking, concurrently with the issuance of any such Permitted Junior Indebtedness, the Junior Debt Intercreditor Agreement;
- (e) when requested by the Agent, such documents and instruments providing a fixed Lien in accordance with Section 4.6; and
- (f) such other security as may be reasonably required by the Agent and the Lenders from time to time.

4.2 Sharing of Security.

The Borrower and the Lenders agree and acknowledge that the Security is being shared equally among the Lenders and the Swap Lenders to secure the Secured Obligations on a

pari passu basis; and that the Agent will hold the Security for the benefit of the Lenders hereunder and the Swap Lenders with respect to all the Swap Indebtedness. For purposes of the above sentence, “*pari passu* basis” means:

- (a) with respect to the Lenders under the Credit Facilities, the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount and all other Obligations under such Credit Facilities relative to the Canadian Dollar Exchange Equivalent of the Secured Obligations; and
- (b) with respect to the Swap Lenders, the Canadian Dollar Exchange Equivalent of Swap Indebtedness relative to the Canadian Dollar Exchange Equivalent of the Secured Obligations; and
- (c) with respect to the Operating Lender as it relates to the Cash Management Obligations, the Canadian Dollar Exchange Equivalent of the Cash Management Obligations relative to the Canadian Dollar Exchange Equivalent of the Secured Obligations.

If requested by the Lenders or any Swap Lender, the Lenders and the Swap Lenders will enter into such further agreements and assurances as may be reasonably requested to further evidence the provisions of this Section 4.2.

4.3 Exclusivity of Remedies.

Nothing herein contained or in the Security now held or hereafter acquired by the Agent and the Lenders, nor any act or omission of the Agent and the Lenders with respect to any such Security, will in any way prejudice or affect the rights, remedies or powers of the Agent and the Lenders with respect to any other security at any time held by the Agent and the Lenders.

4.4 Form of Security.

The Security will be in such form or forms as will be required by the Agent, acting reasonably, and will be registered in such offices in Canada or any province thereof as the Agent may from time to time reasonably require to protect the Liens created thereby, provided that the Agent will not register, except pursuant to Section 4.6, against title to the P&NG Rights. Should the Agent determine at any time and from time to time, acting reasonably, that the form and nature of the then existing Security is deficient in any way or does not fully provide the Agent, the Lenders or the Swap Lenders with the Liens and priority to which each is entitled hereunder, the Borrower will forthwith execute and deliver or cause to be executed and delivered to the Agent, at the Borrower’s expense, such amendments to the Security or provide such new security as the Agent may reasonably request.

4.5 After-Acquired Property.

All property acquired by or on behalf of any Loan Party who has provided a debenture to the Agent pursuant to Section 4.1 or otherwise after the date of execution of the Security which forms part of the property of any Loan Party (hereafter collectively referred to as “**After-Acquired Property**”), will be subject to the Security without any further conveyance,

mortgage, pledge, charge, assignment or other act on the part of the Parties. Without limiting the effect of the preceding sentence, the Borrower will, or will cause each Material Subsidiary to, from time to time execute and deliver and the Agent will register, all at the Borrower's expense, such instruments supplemental to the Security, in form and substance satisfactory to the Agent, acting reasonably, as may be necessary or desirable to ensure that the Security as amended and supplemented constitutes in favour of the Agent, the Lenders and the Swap Lenders an effective Lien to the extent created by the Security over such After-Acquired Property as required hereunder, subject only to Permitted Encumbrances which under applicable Law rank in priority thereto.

4.6 Undertaking to Grant Fixed Charge Security.

If the Lenders, acting reasonably, determine in their sole discretion that there has been a Material Adverse Effect (which for purposes of this Section 4.6 may include the occurrence of a Borrowing Base Shortfall), or upon the occurrence of a Default or Event of Default and the Lenders consider it necessary for their adequate protection or if it is a requirement of the Junior Intercreditor Agreement, the Borrower, at the request of the Agent, will forthwith grant or cause to be granted to the Agent for the benefit of the Agent, the Lenders and the Swap Lenders, a first priority fixed Lien (subject only to Permitted Encumbrances which under applicable Law rank in priority thereto) in such of the Loan Parties' property as the Agent, in its sole discretion, determines as security for all of the Loan Parties' then present and future Secured Obligations. In this connection, the Borrower will:

- (a) provide the Agent with such information as is reasonably required by the Agent to identify the property to be charged pursuant to this Section 4.6;
- (b) do all such things as are reasonably required to grant, or cause such Material Subsidiary to grant, in favour of the Agent, the Lenders and the Swap Lenders, a first priority fixed Lien (subject only to Permitted Encumbrances which under applicable Law rank in priority thereto) in respect of such property to be so charged pursuant to this Section 4.6;
- (c) provide the Agent with all corporate or partnership resolutions and other action, as reasonably required, for the Loan Parties to grant the first priority fixed Lien (subject only to Permitted Encumbrances which under applicable Law rank in priority thereto) in the property identified by the Agent to be so charged;
- (d) provide the Agent with such security instruments and other Loan Documents which the Agent, acting reasonably, deems are necessary to give full force and effect to the provisions of this Section 4.6;
- (e) assist the Agent in the registration or recording of such agreements and instruments in such public registry offices in Canada or any province thereof or any other applicable jurisdiction as the Agent, acting reasonably, deems necessary to give full force and effect to the provisions of this Section 4.6; and
- (f) pay all reasonable costs and expenses incurred by the Agent in connection with the preparation, execution and registration of all agreements, Loan Documents and

instruments, including any amendments to the Security, made in connection with this Section 4.6.

4.7 Discharge of Security.

Subject to the Junior Intercreditor Agreement, if applicable, the Agent and the Lenders will discharge the Security at the Borrower's expense forthwith after all of the Secured Obligations have been unconditionally and irrevocably paid or satisfied in full and will otherwise grant no interest letters and releases of the Security in accordance with Section 17.1(d).

4.8 Security for Swap Documents with Former Lenders.

- (a) If a Lender ceases to be a Lender under this Agreement (a "**Former Lender**"), all Swap Indebtedness owing to such Former Lender and its Affiliates under Swap Documents entered into while such Former Lender was a Lender shall remain secured by the Security, subject to the terms hereof, to the extent that such Swap Indebtedness was secured by the Security prior to such Lender becoming a Former Lender and, subject to the following provisions of this Section 4.8. For certainty, any Swap Indebtedness under Hedging Agreements entered into with a Former Lender or an Affiliate thereof after the Former Lender has ceased to be a Lender shall not be secured by the Security. Notwithstanding the foregoing, while any Obligations remain outstanding under any Credit Facility, no Former Lender or any Affiliate thereof shall have any right to cause or require the enforcement of the Security or any right to participate in any decisions relating to the Security, including any decisions relating to the enforcement or manner of enforcement of the Security or decisions relating to any amendment to, waiver under, release of or other dealing with all or any part of the Security; for certainty, the sole right of a Former Lender and its Affiliates with respect to the Security while any Obligations remain outstanding under the Credit Facilities is to share, on a *pari passu* basis, in any proceeds of realization and enforcement of the Security.
- (b) Subject to Section 4.7, if any Swap Document remains outstanding after the Obligations are otherwise fully paid and satisfied and the Credit Facilities are cancelled, the Agent shall be entitled to discharge the Security; provided that:
 - (i) at the request of any Swap Lender, but subject to paragraph (iii) below, the Borrower agrees to enter into margin arrangements with such Swap Lender under which the Borrower will be required to provide such Swap Lender with a pledge of cash or marketable securities or other form of security acceptable to such Swap Lender, in form and in an aggregate amount as required by such Swap Lender;
 - (ii) at the request of any Swap Lender (which request may be made at any time after the Amendment and Restatement Date), but subject to paragraph (iii) below, the Borrower agrees to amend its ISDA Master Agreement with such Swap Lender to reflect the provisions of paragraph (i) above;

- (iii) the provisions of paragraph (i) and (ii) above shall survive repayment of the Obligations and termination of the Credit Facilities; and
- (iv) any Swap Lender may elect to expressly override the provisions in paragraphs (i) and (ii) above in its ISDA Master Agreement (or in any amendment thereto) by expressly contemplating the discharge of the Security and the consequences thereof; provided that no such election shall affect the rights of any other Swap Lender.

ARTICLE 5 FUNDING AND OTHER MECHANICS

5.1 Funding of Accommodations.

Subject to Section 5.2 and Article 9, all Advances requested by the Borrower will be made available by deposit of the applicable funds (which in the case of Bankers' Acceptances will be the Net Proceeds) into the Borrower's Account for value on the Banking Day, or the LIBOR Banking Day in the case of a LIBOR Based Loan, as the case may be, on which the Advance is to take place.

5.2 Notice Provisions.

Drawdowns under the Credit Facilities will be made available to the Borrower and the Borrower will be entitled to effect a Rollover or Conversion where permitted hereunder, in each case on the requested Banking Day or LIBOR Banking Day, as the case may be, provided, other than for an overdraft Advance under the Operating Facility where no notice is required, a Notice of Borrowing or Notice of Rollover or Notice of Conversion, as applicable, is received by the Agent from the Borrower as follows:

- (a) with respect to a Drawdown, Rollover or Conversion of or into a Canadian Prime Rate Loan or a U.S. Base Rate Loan, at least one (1) Banking Day prior to such Advance, provided notice is received by the Agent no later than 12:00 p.m. (noon) (Montreal time) on the Banking Day immediately preceding the requested Drawdown Date or the date of Rollover or Conversion, as applicable;
- (b) with respect to a Drawdown, Rollover or Conversion of or into a Banker's Acceptance or BA Equivalent Loan, at least two (2) Banking Days prior to such Advance, provided notice is received by the Agent no later than 12:00 p.m. (noon) (Montreal time) on the Banking Day immediately preceding the requested Drawdown Date or the date of Rollover or Conversion, as applicable;
- (c) with respect to a Drawdown, Rollover or Conversion of or into a LIBOR Based Loan, at least three (3) LIBOR Banking Days prior to such Advance, provided notice is received by the Agent no later than 12:00 p.m. (noon) (Montreal time) on the third LIBOR Banking Day immediately preceding the Drawdown Date or the date of Rollover or Conversion, as applicable; and

- (d) with respect to Advances under the Operating Facility by way of Letters of Credit, at least three (3) Banking Days prior to such Advance, provided notice is received by the Operating Lender, in each case no later than 12:00 p.m. (noon) (Montreal time) on the third Banking Day immediately preceding the requested issuance date.

Any of the notices referred to in the foregoing paragraphs of this Section 5.2 may, subject to Section 18.2, be given by the Borrower, at its sole risk, to the Agent by telephone and in such case will be followed by the Borrower delivering to the Agent on the same day the written notice required hereunder confirming such instructions.

5.3 Irrevocability.

A Notice of Borrowing, Notice of Rollover or Notice of Conversion when given by the Borrower will be irrevocable and will oblige the Borrower, the Agent and the Lenders to take the action contemplated herein and therein on the date specified therein, provided that, any such notice will not be binding on the Lender who makes a determination under Section 11.2.

5.4 Rollover or Conversion of Accommodations.

- (a) Subject to Section 5.2, Article 8 and Article 9, the Borrower will be entitled to effect a Rollover of one type of Accommodation into the same type of Accommodation or to effect a Conversion of one type of Accommodation into another type of Accommodation, in each case under the same Credit Facility and on the terms herein provided.
- (b) Subject to Section 8.1(b), if the Borrower fails to give the Agent a duly completed Notice of Rollover or Notice of Conversion if and as required by Section 5.2, or if in giving such notice the Borrower fails to provide for the Rollover or Conversion of all of the Advances then maturing, the Borrower will be deemed to have irrevocably elected to convert such maturing Advances, or that part of such maturing Advances which the Borrower has failed to provide for in such notice, as the case may be, into a Canadian Prime Rate Loan with respect to a Cdn. Dollar Advance or a U.S. Base Rate Loan with respect to a U.S. Dollar Advance under the same Credit Facility.
- (c) No Conversion of a Bankers' Acceptance will be made prior to its Maturity Date.

5.5 Agent's Obligations.

Upon receipt of a Notice of Borrowing, Notice of Rollover or Notice of Conversion with respect to a proposed Advance under the Syndicated Facility (other than by way of Bankers' Acceptances), the Agent will forthwith notify the Syndicated Facility Lenders of the proposed date on which such Advance is to take place, of each Syndicated Facility Lender's Rateable Portion of such Advance and of the account of the Agent to which each Syndicated Facility Lender's Rateable Portion thereof is to be credited.

5.6 Lenders' Obligations.

Each Syndicated Facility Lender will, prior to 12:00 p.m. (noon) (Montreal time) on the proposed date on which an Advance under the Syndicated Facility is to take place (other than by way of Bankers' Acceptances, in which case prior to 2:00 p.m. (Montreal time)), credit the account of the Agent specified in the Agent's notice given pursuant to Section 5.5 with such Lender's Rateable Portion of such Advance, and upon receipt of the funds by the Lenders, the Agent will make available to the Borrower the amount so credited.

5.7 Exchange Rate Fluctuations.

Subject to Section 5.8, if as a result of currency fluctuation the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount owing to the Lenders exceeds the Syndicated Facility Commitment Amount (the "**Excess**"), the Borrower will forthwith pay the Excess to the Agent as a Principal Repayment for the benefit of the Lenders to be shared by the applicable Lenders on a *pro rata* basis. If the Excess represents an amount which is less than 3% of the then current Syndicated Facility Commitment Amount, then the Borrower will only be required to repay the Excess on the earlier of (a) 30 days thereafter and (b) on the date of the next Rollover or Conversion under the Syndicated Facility.

5.8 Excess Relating to LIBOR, Letters of Credit and Bankers' Acceptances.

If to pay an Excess it is necessary to repay an Advance made by way of Bankers' Acceptance, Letter of Credit or a LIBOR Based Loan, prior to the Maturity Date thereof, the Borrower will not be required to repay such Advances until the Maturity Date applicable thereto, provided, however, that at the request of the Agent, the Borrower will forthwith pay the Excess to the Agent, for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the Lenders and the Parties agree to enter into an agreement reasonably requested by the Agent to evidence such arrangement. The Excess will be held by the Agent for set-off against future Obligations owing by the Borrower to the Lenders in respect of such Excess, if any. The deposit of the Excess by the Borrower with the Agent as herein provided will not operate as a repayment of the Aggregate Principal Amount until such time as the Excess is actually paid to the Lenders as a Principal Repayment.

5.9 Failure of a Lender to Fund.

- (a) Unless the Agent has actual notice that a Lender has not made or will not make available to the Agent for value on a Drawdown Date the applicable amount required from such Lender pursuant to Section 5.6, the Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Agent may (but shall not be obliged to), in reliance upon such assumption, make available to the Borrower a corresponding amount (except that no such amount shall be made available to the Borrower in the case of a deemed Advance). If such amount is not in fact received by the Agent from such Lender on such Drawdown Date and the Agent has made available a corresponding amount to the Borrower on such Drawdown Date as aforesaid (or is deemed to have made an Advance to the Borrower in such amount) although it is under no obligation to do

so, such Lender shall pay to the Agent on demand an amount equal to the aggregate of the applicable amount required from such Lender pursuant to Section 5.6 plus an amount equal to the product of (i) the rate per annum applicable to overnight deposits made with the Agent for amounts approximately equal to the amount required from such Lender multiplied by (ii) the amount that should have been paid to the Agent by such Lender on such Drawdown Date and was not, multiplied by (iii) a fraction, the numerator of which is the number of days that have elapsed from and including such Drawdown Date to but excluding the date on which the amount is received by the Agent from such Lender and the denominator of which is 365 or 366, as applicable, in the case of all Advances. A certificate of the Agent containing details of the amount owing by a Lender under this Section 5.9(a) shall be binding and conclusive in the absence of manifest error. If any such amount is not in fact received by the Agent from such Lender on such Drawdown Date, the Agent shall be entitled to recover from the Borrower, on demand, the related amount made available by the Agent to the Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by the Borrower hereunder, but the Borrower shall not be required to repay an Advance made by way of Bankers' Acceptance, Letter of Credit or LIBOR Based Loan prior to its Maturity Date, but it will provide cash collateral to the Agent in accordance with the procedure set out in Section 5.8 to the extent of such Lender's Rateable Portion of any such Advance. The failure of any Lender to make its Rateable Portion of the applicable Advance will not relieve any other Lender of its obligation, if any, hereunder to make its Rateable Portion of such Advance on the date that such Advance is to take place, but no Lender will be responsible for the failure of any other Lender to provide its Rateable Portion of any such Advance under the applicable Credit Facility.

- (b) Notwithstanding the provisions of Section 5.9(a), if any Lender fails to make available to the Agent its Rateable Portion of any Advance, which for greater certainty includes a deemed Advance hereunder (such Lender being herein called the "**Non-Paying Lender**"), the Agent shall forthwith give notice of such failure by the Non-Paying Lender to the Borrower (except where such failure relates to a deemed Advance) and to the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Paying Lender's Rateable Portion of such Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Paying Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Paying Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the "**Contributing Lenders**" and individually called the "**Contributing Lender**") are prepared to make available exceeds the amount of the Advance which the Non-Paying Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Rateable Portion of such Advance based on the Contributing Lenders' relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Non-Paying Lender in such circumstances, then the Non-Paying Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the

rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the Borrower. The failure of any Lender to make available to the Agent its Rateable Portion of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Rateable Portion of any Advance as required herein.

- (c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, either as a result of being a Non-Paying Lender or otherwise, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:
- (i) the standby fees payable pursuant to Section 3.10(g) shall cease to accrue on the unused portion of the Individual Commitment Amount of such Defaulting Lender;
 - (ii) a Defaulting Lender shall not be included in determining whether, and the Individual Commitment Amount and the Rateable Portion of the Aggregate Principal Amount of such Defaulting Lender shall not be included in determining whether, all Lenders or the Majority Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 17.16), provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;
 - (iii) subject to Section 5.9(b), for the purposes of any Advance requested hereunder while there is a Defaulting Lender, each Lender's Rateable Portion thereof shall be calculated based on such Lender's Individual Commitment Amount relative to the Commitment Amount reduced by the Individual Commitment Amount of the Defaulting Lender;
 - (iv) the Agent may require such Defaulting Lender to pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent an amount equal to such Defaulting Lenders' maximum contingent obligations hereunder to the Agent;
 - (v) the Agent may withhold any payments owing to such Defaulting Lender for set-off against such Defaulting Lender's existing or reasonably foreseeable future obligations hereunder; and
 - (vi) for the avoidance of doubt, the Borrower shall retain and reserve its other rights and remedies respecting each Defaulting Lender.

ARTICLE 6

DRAWDOWN UNDER THE CREDIT FACILITIES

6.1 Conditions Precedent to Each Drawdown.

The Lenders' obligation to provide Advances will be subject to the following conditions precedent being met, unless waived in writing by the Lenders:

- (a) on the initial Advance hereunder, the Borrower will have complied, or caused to be complied, with the deliveries required under Section 2.1;
- (b) the Security shall remain duly perfected and registered;
- (c) except in the case of an overdraft borrowing under the Operating Facility, the appropriate Notice of Borrowing, Notice of Rollover or Notice of Conversion will have been delivered in accordance with the notice provisions provided in Section 5.2;
- (d) no Default or Event of Default will have occurred and be continuing or would result from such Advance or from the application of the proceeds therefrom;
- (e) subject to Section 12.2, each of the representations and warranties set out in Article 12 will be true and correct with the same effect as if such representations and warranties had been made on the date of such Advance;
- (f) in the case of any Advances by way of a Drawdown, no Default, Event of Default or Borrowing Base Shortfall will have occurred and be continuing; and
- (g) the notice with respect to a Hostile Acquisition if required to be given pursuant to Section 6.2 will have been provided by the Borrower and the other provisions of Section 6.2, if applicable, will have been complied with.

6.2 Hostile Acquisitions.

If the Borrower wishes to utilize, whether directly or indirectly, Drawdowns to facilitate, assist or participate in a Hostile Acquisition by the Borrower, any Material Subsidiary or any other Affiliate of the Borrower:

- (a) at least 10 Banking Days prior to the delivery to the Agent of a Notice of Borrowing made in connection with a Hostile Acquisition, a senior officer of the Borrower will notify the Agent in writing (who will then notify the Lenders) of the particulars of the Hostile Acquisition in sufficient detail to enable each Lender to determine, in each Lender's sole discretion, whether it will permit a Drawdown to be utilized for such Hostile Acquisition;
- (b) if a Lender decides not to fund an Advance to be utilized for such Hostile Acquisition, then upon such Lender so notifying the Agent in writing (who will then notify the Borrower), such Lender (a "**Non-Participating Lender**") will have

no obligation to fund such Advance notwithstanding any other provision of this Agreement to the contrary, provided that each other Lender that is not a Non-Participating Lender shall have an obligation to provide its Rateable Portion of the Advance that it has agreed to participate in and, at its option, may provide such further portion of the Advance requested by the Borrower, including a portion of the Advance not funded by a Non-Participating Lender, as it may agree to in its sole discretion, in any case up to the amount of its Individual Syndicated Facility Commitment Amount and in accordance with the terms and conditions of this Agreement; and

- (c) each Lender will use reasonable commercial efforts to notify the Agent in writing as soon as practicable (and in any event within 2 Banking Days of receipt of the particulars thereof from the Agent) of its decision whether or not to fund a proposed Hostile Acquisition and if no such notice is delivered to the Agent in such 2 Banking Day period, such Lender will be deemed to have elected not to fund.

6.3 Adjustment of Rateable Portion.

If a Non-Participating Lender elects not to participate in a Drawdown under the Syndicated Facility for a Hostile Acquisition, the Drawdown will be reduced by the Non-Participating Lenders' Rateable Portion thereof and the allocation among all Lenders who are not Non-Participating Lenders (each, a "**Participating Lender**") of interest and other fees payable by the Borrower hereunder, including standby fees, will be adjusted so as to reflect the non-participation by the Non-Participating Lender in the Drawdown, and thereafter the Rateable Portion of each Participating Lender, for such purposes only, will reflect the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount under the Syndicated Facility then funded by each Participating Lender based on the Canadian Dollar Exchange Equivalent of the Aggregate Principal Amount under the Syndicated Facility of all Participating Lenders after taking into account the non-participation by the Non-Participating Lender in the requested Drawdown. Notwithstanding the adjustment of the Rateable Portion pursuant to this Section 6.3, there will be no reduction in the Individual Syndicated Facility Commitment Amount of each Non-Participating Lender.

6.4 Subsequent Drawdowns.

If a Lender is a Non-Participating Lender, subsequent Drawdowns under the Syndicated Facility will be funded first by the Non-Participating Lenders rateably based on each Non-Participating Lender's Individual Syndicated Facility Commitment Amount, until the Aggregate Principal Amounts owed to the Lenders under the Syndicated Facility are again in proportion to their respective Rateable Portions.

6.5 Prepayment.

As an alternative to the provisions of Section 6.4, the Borrower will also be entitled, subject to the prepayment provisions herein contained but without obligation to make prepayments to all Lenders under the Syndicated Facility, to reduce the Aggregate Principal Amount owing to the Participating Lenders under the Syndicated Facility until the Canadian Dollar Exchange

Equivalent of the Aggregate Principal Amounts owing to all Syndicated Facility Lenders are again in proportion to their respective Rateable Portions.

ARTICLE 7 CALCULATION OF INTEREST AND FEES

7.1 Records.

The Agent will maintain records, in written or electronic form, evidencing all Advances and all other Obligations owing by the Borrower to the Agent and each Lender under this Agreement. The Agent will enter in such records details of all amounts from time to time owing, paid or prepaid by the Borrower to it hereunder. In addition, each Lender will maintain records, in written or electronic form, evidencing all Advances and other Obligations owing by the Borrower to such Lender. The information entered in such records will constitute *prima facie* evidence of the Obligations of the Borrower to the Agent and each Lender under the Loan Documents. In the event of a conflict between the records of the Agent and a Lender maintained pursuant to this Section 7.1, the records of the Agent shall prevail, absent manifest error. The Operating Lender will maintain records, in written or electronic form, evidencing all Advances it has made in respect of the Operating Facility.

7.2 Payment of Interest and Fees.

- (a) Interest. Except as expressly stated otherwise herein, all Canadian Prime Rate Loans, U.S. Base Rate Loans and LIBOR Based Loans from time to time outstanding will bear interest, as well after as before maturity, default and judgment, with interest on overdue interest, at the applicable rates as prescribed under Section 3.10. Interest payable at a variable rate will be adjusted automatically without notice to the Borrower whenever there is a variation in such rate.
- (b) Calculation of Interest and Fees. Interest on Canadian Prime Rate Loans and U.S. Base Rate Loans will accrue and be calculated but not compounded daily and be payable monthly in arrears on the first Banking Day of each month for the immediately preceding month, or, after notice to the Borrower, on such other Banking Day as is customary for the Agent having regard to its then existing practice. Interest on Canadian Prime Rate Loans, U.S. Base Rate Loans and Letter of Credit Fees will be calculated on the basis of a 360, 365 or 366 day year, as applicable.
- (c) Interest Act (Canada). For the purposes of the *Interest Act* (Canada) and any other applicable Laws which may hereafter regulate the calculation or computation of interest on borrowed funds, the annual rates of interest and fees applicable to Canadian Prime Rate Loans, U.S. Base Rate Loans, Bankers' Acceptances and Letters of Credit, respectively, are the rates as determined hereunder multiplied by the actual number of days in a period of one year commencing on the first day of the period for which such interest or stamping fee is payable and divided by 365 or 366, as applicable.

- (d) LIBOR Based Loans. Interest on LIBOR Based Loans will accrue and be calculated but not compounded daily and be payable at the end of each applicable LIBOR Period, provided that, where the LIBOR Period exceeds 3 months, interest will be calculated and payable every 3 months during the term of the LIBOR Period and on the last day of the applicable LIBOR Period. Interest on LIBOR Based Loans will be calculated on the basis of the actual number of days in each LIBOR Period divided by 360. For the purposes of the *Interest Act* (Canada) and any other applicable Laws, the annual rates of interest applicable to LIBOR Based Loans are the rates as determined hereunder multiplied by the actual number of days in a period of one year commencing on the first day of the period for which such interest is payable and divided by 360.

7.3 Payment of BA Stamping Fee.

The Borrower will pay to the Agent for the account of the Lenders under the applicable Credit Facility the applicable BA Stamping Fee under Section 3.10(a) with respect to Bankers' Acceptances on the date of acceptance thereof by the Lenders. Payment of the BA Stamping Fee may be made by way of set-off as provided in Section 9.4.

7.4 Calculation and Payment of Letter of Credit Fees.

Letter of Credit Fees will be calculated on the basis of a year of 365 or 366 days, as applicable, and for such period of time as the applicable Letter of Credit remains outstanding. The Letter of Credit Fees will be payable upon the issuance or renewal of the applicable Letter of Credit. The minimum issuance fee at the date hereof is \$[REDACTED] in the applicable currency.

7.5 Debit Authorization.

Subject to the provisions of this Agreement, the Borrower does hereby expressly and irrevocably authorize the Agent and the Operating Lender to effect all the necessary debits, deposits and credits in the Borrower's Account in order to accommodate the Lenders in making Advances, in order to accommodate the Borrower in making payments to the Lenders as required hereunder and to pay all amounts due and payable under the Loan Documents and the Cash Management Arrangements. The Borrower authorizes the Operating Lender daily, or otherwise as and when determined by the Operating Lender from time to time, to ascertain the position or net position (as the case may be) in respect of all amounts contained in the Borrower's Account in respect of overdraft borrowings under the Operating Facility and the Aggregate Principal Amount owing under the Operating Facility, and that: (a) if such position or net position is a credit in favour of the Borrower, the Operating Lender may apply the amount of such credit or any part thereof as a repayment of the Aggregate Principal Amount of the Operating Facility, and the Operating Lender will debit the Borrower's Account with the amount of such repayment; and (b) if such position or net position is a debit in favour of the Operating Lender, the Operating Lender will make an overdraft borrowing under the Operating Facility of such amount as is required to place such account in such credit or net credit position as has been agreed between the Borrower and the Operating Lender from time to time, and the Operating Lender may increase the Aggregate Principal Amount under the Operating Facility and credit such account with such Advance;

provided that at no time shall the Aggregate Principal Amount of the Operating Facility exceed the Operating Facility Commitment Amount.

7.6 Conversion to Another Currency.

A Conversion of an Advance from one currency to another currency may be made only by the repayment of such existing Advance in the same currency as such existing Advance and the request of a new Advance in another currency.

7.7 Maximum Rate of Return.

Notwithstanding any provision herein to the contrary, in no event will the aggregate “interest” (as defined in section 347 of the *Criminal Code* (Canada)) payable under this Agreement exceed the maximum effective annual rate of interest on the “credit advanced” (as defined in that section 347) permitted under that section and, if any payment, collection or demand pursuant to this Agreement in respect of “interest” (as defined in that section 347) is determined to be contrary to the provisions of that section 347, such payment, collection or demand will be deemed to have been made by mutual mistake of the Borrower and the applicable Lenders and the amount of such payment or collection will be refunded to the Borrower. For purposes of this Agreement, the effective annual rate of interest will be determined in accordance with generally accepted actuarial practices and principles over the term of the Credit Facilities on the basis of annual compounding of the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Agent will be *prima facie* evidence, for the purposes of such determination.

7.8 Waiver of *Judgment Interest Act* (Alberta).

To the extent permitted by applicable Law, the provisions of the *Judgment Interest Act* (Alberta) will not apply to the Loan Documents and are hereby expressly waived by the Borrower.

7.9 Deemed Reinvestment Not Applicable.

For the purposes of the *Interest Act* (Canada), the principle of deemed reinvestment of interest will not apply to any interest calculation under the Loan Documents, and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

7.10 Section 4 of Interest Act (Canada)

The Borrower confirms that it fully understands and is able to calculate the rate of interest applicable to each of the Credit Facilities based on the methodology for calculating per annum rates provided for in this Agreement, including as expressed in Sections 7.2 and 18.10. The Borrower hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable under the Loan Documents and the calculation thereof has not been adequately disclosed to the Borrower, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable Law or legal principle.

ARTICLE 8

GENERAL PROVISIONS RELATING TO LIBOR BASED LOANS

8.1 General.

- (a) The aggregate principal amount of each Advance by way of a LIBOR Based Loan will be at least U.S. \$ [REDACTED] and each LIBOR Based Loan will have a term to maturity of 1 or 3 months, or as otherwise agreed by the Lenders, subject to availability.
- (b) If the Borrower elects to Drawdown by way of a LIBOR Based Loan, effect a Rollover of a LIBOR Based Loan or a Conversion of an Accommodation into a LIBOR Based Loan, the Borrower will specify in its Notice of Borrowing, Notice of Rollover or Notice of Conversion, as applicable, the LIBOR Period (which will begin and end on a LIBOR Banking Day) applicable to such LIBOR Based Loan. If the Borrower fails, as required hereunder, to select a LIBOR Period for any proposed LIBOR Based Loan, then the applicable LIBOR Period will be approximately one month as determined by the Agent.
- (c) Any amount owing by the Borrower in respect of any LIBOR Based Loan which is not paid at maturity in accordance with this Agreement will, as and from its Maturity Date, be deemed to be outstanding as a U.S. Base Rate Loan.

8.2 Early Termination of LIBOR Periods.

If the early termination of any LIBOR Based Loan is required hereunder, the Borrower will pay to the Lenders all expenses and out-of-pocket costs incurred by the Lenders as a result of the early termination of the LIBOR Based Loan, including expenses and out-of-pocket costs incurred due to early redemption of offsetting deposits. If in the sole discretion of a Lender, acting reasonably, any such early termination cannot be effected, the LIBOR Based Loan will not be terminated and the Borrower will continue to pay interest to the applicable Lenders, at the rate per annum applicable to such LIBOR Based Loan for the remainder of the applicable LIBOR Period. A written statement of the Agent as to the aggregate amount of such expenses and out of pocket costs will be *prima facie* evidence of the amount thereof.

ARTICLE 9

BANKERS' ACCEPTANCES

9.1 General.

Each bankers' acceptance draft tendered by the Borrower for acceptance by a Lender will be in a form acceptable to the accepting Lenders, acting reasonably, and the Advance in respect thereof will be in a principal amount of not less than Cdn. \$ [REDACTED] and in multiples of Cdn. \$ [REDACTED] for any amounts in excess thereof, and will, in each case, have terms of 1, 2, 3 or 6 months (subject to availability), unless otherwise agreed to by the accepting Lenders.

9.2 Terms of Acceptance by the Lenders.

- (a) Payment. The Borrower will provide for payment to the Agent for the benefit of the Lenders of each Bankers' Acceptance at its maturity, either by payment of the face amount thereof or, subject to Section 7.6, through the utilization of an Accommodation in accordance with this Agreement, or through a combination thereof. The Borrower waives presentment for payment of Bankers' Acceptances by the Lenders and will not claim from the applicable Lenders any days of grace for the payment at maturity of Bankers' Acceptances. Any amount owing by the Borrower in respect of any Bankers' Acceptance which is not paid at maturity in accordance with this Agreement, will, as and from its maturity date, be deemed to be outstanding as a Canadian Prime Rate Loan under the Operating Facility or the Syndicated Facility, as applicable.
- (b) Power of Attorney. To facilitate the procedures contemplated in this Agreement, the Borrower appoints each Lender from time to time as the attorney-in-fact of the Borrower to execute, endorse and deliver on behalf of the Borrower drafts or depository bills in the form or forms prescribed by such Lender for bankers' acceptances denominated in Canadian Dollars (each such executed draft or depository bill which has not yet been accepted by a Lender being referred to as a "**Draft**"). Such power of attorney is coupled with an interest. Each bankers' acceptance executed and delivered by a Lender on behalf of the Borrower as provided for in this Section 9.2(b) will be as binding upon the Borrower as if it had been executed and delivered by a duly authorized officer of the Borrower. The foregoing appointment will cease to be effective three Banking Days following receipt by the Lender in question of a notice from the Borrower revoking such appointment provided that any such revocation will not affect Bankers' Acceptances previously executed and delivered by a Lender pursuant to such appointment.
- (c) Depository Bills. It is the intention of the Parties that pursuant to the *Depository Bills and Notes Act* (Canada) ("**DBNA**"), all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined in the DBNA), deposited with a "clearing house" (as defined in the DBNA), including The Canadian Depository for Securities Limited or its nominee CDS & Co. ("**CDS**"). In order to give effect to the foregoing, the Agent will, subject to the approval of the Borrower and the Lenders, establish and notify the Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement, as are reasonably necessary to accomplish such intention, including:
 - (i) any instrument held by the Agent for purposes of Bankers' Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words "This is a depository bill subject to the *Depository Bills and Notes Act* (Canada)";
 - (ii) any reference to the authentication of the Bankers' Acceptance will be removed; and

- (iii) any reference to the “bearer” will be removed and such Bankers’ Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

9.3 BA Equivalent Loans.

In lieu of accepting bankers’ acceptance drafts on any Drawdown Date, or any date of Rollover or Conversion, as applicable, each Non-BA Lender will make a BA Equivalent Loan. Any BA Equivalent Loan will be made on the relevant Drawdown Date, or any date of Rollover or Conversion, as applicable, and its Maturity Date will be the Maturity Date of the corresponding Bankers’ Acceptances. The amount of each BA Equivalent Loan will be equal to the Discount Proceeds of the corresponding Bankers’ Acceptances calculated on the basis that the applicable Lenders were not Non-BA Lenders and were therefore required to purchase such Bankers’ Acceptances. On the Maturity Date of a BA Equivalent Loan, the Borrower will pay to the Non-BA Lender an amount equal to the face amount of the Bankers’ Acceptance which such Non-BA Lender would have accepted in lieu of making a BA Equivalent Loan if it were not a Non-BA Lender. All provisions of this Agreement with respect to Bankers’ Acceptances will apply to BA Equivalent Loans provided that stamping fees with respect to a BA Equivalent Loan will be calculated on the basis of the amount with respect to such BA Equivalent Loan which the Borrower is required to pay on the Maturity Date.

9.4 General Mechanics.

- (a) Purchase. Unless such Lender makes a BA Equivalent Loan pursuant to the terms of Section 9.3, upon acceptance of a Bankers’ Acceptance by a Lender, such Lender will purchase, or arrange for the purchase of, each Bankers’ Acceptance from the Borrower at the BA Discount Rate applicable to such Lender for such Bankers’ Acceptance accepted by it and provide to the Agent the Discount Proceeds for the account of the Borrower. The stamping fee payable by the Borrower to a Lender in respect of each Bankers’ Acceptance by such Lender will be set off against the Discount Proceeds payable by such Lender under this Section 9.4.
- (b) Rollovers. In the case of a Rollover of maturing Bankers’ Acceptances, each Lender under the applicable Credit Facility, in order to satisfy the continuing liability of the Borrower to the Lender for the face amount of the maturing Bankers’ Acceptances, will retain for its own account the Net Proceeds of each new Bankers’ Acceptance issued by it in connection with such Rollover and the Borrower will, on the Maturity Date of the maturing Bankers’ Acceptances, pay to the Agent for the benefit of the Lenders under the applicable Credit Facility an amount equal to the difference between the face amount of the maturing Bankers’ Acceptances and the aggregate Net Proceeds of the new Bankers’ Acceptances.
- (c) Conversion to BA’s. In the case of a Conversion from a Canadian Prime Rate Loan into an Accommodation by way of Bankers’ Acceptances, each Lender under the applicable Credit Facility, in order to satisfy the continuing liability of the Borrower to each Lender for the amount of the Canadian Prime Rate Loan being converted, will retain for its own account the Net Proceeds of each new Bankers’ Acceptance

issued by it in connection with such Conversion and the Borrower will, on the date of issuance of the Bankers' Acceptances pay to the Agent for the benefit of the Lenders under the applicable Credit Facility an amount equal to the difference between the amount of the Canadian Prime Rate Loan being converted including any accrued interest thereon, owing to the Lenders under the applicable Credit Facility and the Net Proceeds of such Bankers' Acceptances.

- (d) Conversion from BA's. In the case of a Conversion of an Accommodation by way of Bankers' Acceptances into a Canadian Prime Rate Loan, each Lender, in order to satisfy the liability of the Borrower to each Lender for the face amount of the maturing Bankers' Acceptances, will record the obligation of the Borrower to it as a Canadian Prime Rate Loan under the applicable Credit Facility, unless the Borrower provides for payment to the Agent for the benefit of the Lenders under the applicable Credit Facility of the face amount of the maturing Bankers' Acceptance in some other manner acceptable to the Lenders.
- (e) Rounding. In the case of an issue of Bankers' Acceptances, the Agent will round allocations amongst the Lenders to ensure that each Bankers' Acceptance issued has a face amount which is a whole number multiple of Cdn. [REDACTED] (and such rounded allocations shall constitute the Lenders' respective Rateable Portions for the purposes of this Agreement).

9.5 Escrowed Funds.

Upon the request of the Agent after the occurrence and during the continuance of an Event of Default, upon cancellation and termination of this Agreement or if required in connection with outstanding Banker's Acceptances accepted by a Lender whose Individual Commitment Amount is being terminated in accordance with the terms hereof, the Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the Lenders, an amount equal to the Lenders' maximum potential liability under then outstanding Bankers' Acceptances (the "**Escrow Funds**"). The Escrow Funds will be held by the Agent for set-off against future Obligations owing by the Borrower to the applicable Lenders in respect of such Bankers' Acceptances and pending such application will bear interest for the Borrower's Account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. If the Escrow Funds are deposited as a result of the occurrence of an Event of Default and such Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining Escrow Funds if any, together with any accrued interest to the date of release, will forthwith be released to the Borrower. The deposit of the Escrow Funds by the Borrower with the Agent as herein provided will not operate as a repayment of the Aggregate Principal Amount until such time as the Escrow Funds are actually paid to the Lenders as a Principal Repayment.

ARTICLE 10 LETTERS OF CREDIT

10.1 General.

- (a) Availability. Each Letter of Credit will be made available by the Operating Lender and each Letter of Credit (including all documents and instruments required to be presented thereunder) will be satisfactory in form and substance to the Operating Lender, acting reasonably. No Letter of Credit will be issued (or will be renewable at the option of the beneficiary thereunder) for a term in excess of one year, or will require payment in any currency other than a currency acceptable to the Operating Lender (in its sole discretion) and the Aggregate Principal Amount owing under the Operating Facility with respect to the face amount of outstanding Letters of Credit shall at no time exceed Cdn. \$20,000,000 (or such greater amount up to the Operating Facility Commitment Amount, as the Operating Lender may agree). The letter of credit that is outstanding under the Existing Credit Agreement on the Amendment and Restatement Date shall, from and after the Amendment and Restatement Date, be deemed to be outstanding as a Letter of Credit under the Operating Facility.
- (b) Fees and Charges. As a condition of the issuance or renewal of any Letter of Credit, the Borrower will pay to the Operating Lender the issuance or renewal fee specified Section 3.10(a) on the day of issue. The Borrower will also pay to the Operating Lender its customary administrative charges in respect of the issue, amendment, renewal or transfer of such Letter of Credit, and each drawing made under such Letter of Credit.
- (c) Condition to Advance. The Operating Lender shall only issue a Letter of Credit if the following conditions have been satisfied:
 - (i) the Operating Lender shall have received an executed LC Application specifying:
 - (A) the proposed date of issuance (which shall be a Banking Day at least 3 Banking Days following the date of such request);
 - (B) the expiry date thereof;
 - (C) the name and address of the beneficiary thereof;
 - (D) whether the Letter of Credit is a Financial LC or a Non-Financial LC; provided that in the case of any dispute, the Operating Lender shall determine whether a Letter of Credit is a Financial LC or a Non-Financial LC in accordance with its usual and customary practices;
 - (E) the face amount and currency thereof; and

- (F) the terms and conditions of the requested Letter of Credit and other relevant details; and
- (ii) the Operating Lender shall have received such other customary administrative documents as it shall have reasonably requested as a condition to the issuance of such Letter of Credit.

In the event of any conflict or inconsistency between the terms of an LC Application and such other documents and this Agreement, the terms of this Agreement shall prevail and any liability of the Borrower in respect of Letters of Credit shall be governed by this Agreement irrespective of the provisions of any LC Application or such other documents. The Operating Lender will determine whether a Letter of Credit is a Financial LC or a Non-Financial LC in accordance with its customary practices.

- (d) Drawing under Letters of Credit. In the event of a drawing by the beneficiary under any Letter of Credit, the Borrower shall reimburse the Operating Lender on demand by the Operating Lender, in the relevant currency, an amount, in same day funds, equal to the amount of such drawing (for greater certainty, failure to reimburse the Operating Lender as provided in this sentence shall not constitute a Default or Event of Default). If the Borrower does not (i) make any payment required by the preceding sentence from the proceeds of an Accommodation obtained under this Agreement or otherwise, or (ii) notify the Operating Lender prior to 1:00 p.m. (Montreal time) on the third Banking Day following receipt by the Borrower of the notice from the Operating Lender referred to in the first sentence of this paragraph that the Borrower intends to reimburse the Operating Lender for the amount of such drawing with funds other than the proceeds of Advances:
 - (i) the Borrower shall be deemed to have given a Notice of Borrowing to the Operating Lender to make a Canadian Prime Rate Loan or U.S. Base Rate Loan depending on the currency of the applicable Letter of Credit (irrespective of whether any other applicable conditions precedent specified herein have been satisfied), on the third Banking Day following the date on which such notice is provided by the Operating Lender to the Borrower in an amount equal to the amount of such drawing; and
 - (ii) subject to the terms and conditions of this Agreement (including those set forth in Article 6), the Operating Lender shall, on the next Banking Day following the date of such drawing, make such Advance in accordance with Article 3 and it shall apply the proceeds thereof to the reimbursement of the Operating Lender for the amount of such drawing.

The Borrower agrees to accept each such Canadian Prime Rate Loan and hereby irrevocably authorizes and directs the Operating Lender to apply the proceeds thereof in payment of the liability of the Borrower with respect to such required payment.

- (e) Cash Collateral. If any Letter of Credit is outstanding on the date this Agreement is cancelled, or at any time that an Event of Default occurs or a domestic or foreign court issues any judgment or order restricting or prohibiting payment by the Operating Lender under such Letter of Credit or extending the liability of the Operating Lender to make payment under such Letter of Credit beyond the expiry date specified therein, the Borrower will forthwith upon demand by the Operating Lender pay to the Operating Lender funds in the applicable currency in the undrawn amount of the Letter of Credit and such funds (together with interest thereon) will be held by the Operating Lender for payment of any liability under such Letter of Credit so long as the Operating Lender has or may in any circumstances have any liability under such Letter of Credit, and shall bear interest at the Operating Lender's then prevailing rate payable by it in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the Operating Lender does not have and may never have any liability under such Letter of Credit will forthwith be returned to the Borrower, provided that, if and so long as any Default or Event of Default is continuing, such balance may continue to be held by the Operating Lender as security for the remaining liabilities of the Borrower hereunder.
- (f) Obligations Absolute. The obligation of the Borrower to reimburse the Operating Lender for drawings made under any Letter of Credit shall be unconditional and irrevocable and shall be fulfilled strictly in accordance with the terms of this Agreement under all circumstances, including:
 - (i) any lack of validity or enforceability of any Letter of Credit;
 - (ii) the existence of any claim, set-off, defence or other right which the Borrower may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the Operating Lender, any Lender or any other Person, whether in connection with this Agreement, the Loan Documents, the transactions contemplated herein and therein or any unrelated transaction (including any underlying transaction between the Borrower and the beneficiary of such Letter of Credit);
 - (iii) any incapacity, disability or lack or limitation of status or of power of the Borrower or the beneficiary of any Letter of Credit;
 - (iv) any breach of contract or other dispute between the Borrower and the Operating Lender, the beneficiary of any Letter of Credit or any other Person;
 - (v) any payment by the Operating Lender under any Letter of Credit if such payment does not breach the standards of reasonable care specified in the Uniform Customs or disentitle the Operating Lender to reimbursement under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit; or

- (vi) the fact that a Default or an Event of Default shall have occurred and be continuing.

(g) Indemnification; Nature of Lenders' Duties.

- (i) In addition to amounts payable as elsewhere provided in this Article 10, the Borrower hereby agrees to protect, indemnify, pay and save the Operating Lender and its directors, officers, employees and agents harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable legal fees and expenses) which the indemnitee may incur or be subject to as a consequence, direct or indirect, of the issuance of any Letter of Credit, other than (i) as a result of the breach of the standards of reasonable care specified in the Uniform Customs or where the Operating Lender would not be entitled to the foregoing indemnification under ISP98, in each case as stated on its face to be applicable to such Letter of Credit or (ii) as a result of the gross negligence or wilful misconduct of the indemnitee as determined by a final, non-appealable judgment of a court of competent jurisdiction.
- (ii) As between the Borrower, on the one hand, and the Operating Lender, on the other hand, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued hereunder by, the respective beneficiaries of such Letters of Credit and, without limitation of the foregoing, the Operating Lender shall not be responsible for:
 - (A) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;
 - (B) errors in interpretation of technical terms;
 - (C) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; and
 - (D) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit.

None of the above shall affect, impair or prevent the vesting of any of the Operating Lender's rights or powers hereunder. No action taken or omitted by the Operating Lender under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put the Operating Lender under any resulting liability to the Borrower (provided that the Operating Lender acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may

be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- (iii) The Borrower agrees that neither the Operating Lender nor its officers, directors, employees or agents will assume liability for, or be responsible for, and the Borrower hereby indemnifies and holds harmless any such Person from any losses or claims resulting from, the following: (A) the use which may be made of any Letter of Credit; (B) any acts or omissions of the beneficiary of any Letter of Credit including the application of any payment made to such beneficiary; (C) the form, validity, sufficiency, correctness, genuineness or legal effect of any document or instrument relating to any Letter of Credit which on its face complies with requirements of the Letter of Credit, even if such document or instrument should in fact prove to be in any respect invalid, insufficient, inaccurate, fraudulent or forged; (D) the failure of any document or instrument to bear any reference or adequate reference to any Letter of Credit; (E) any failure to note the amount of any draft on any Letter of Credit or on any related document or instrument; (F) any failure of the beneficiary of any Letter of Credit to meet the obligations of such beneficiary to the Borrower or any other Person other than the Operating Lender; (G) any errors, inaccuracies, omissions, interruptions or delays in transmission or delivery of any messages, directions or correspondence by mail, facsimile or otherwise, whether or not they are in cipher; any inaccuracies in the translation of any messages, directions or correspondence or for errors in the interpretation of any technical terms; (H) any draft, demand, certificate or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect; (I) acting in reliance upon any notice, consent, certificate, statement or other writing (which may be a bank wire, telex, facsimile or similar writing) appearing on its face to be in compliance with the terms and conditions of the Letter of Credit; or (J) any failure by the Operating Lender to make payment under any Letter of Credit as a result of any Law, control or restriction rightfully or wrongfully exercised or imposed by any domestic or foreign court or Administrative Body or as a result of any other cause beyond the control of the Operating Lender or its officers, directors or employees or agents. This Section 10.1(g)(iii) will survive the termination of this Agreement; provided that nothing in this Agreement shall exonerate the Operating Lender for its gross negligence or wilful misconduct (as determined by a final, non-appealable judgment of a court of competent jurisdiction).

(h) General.

- (i) The Operating Lender may accept as complying with the terms of any Letter of Credit any document or instrument required by such Letter of Credit to be completed, signed, presented or delivered by or on behalf of any beneficiary thereunder which has been completed, signed, presented or

delivered by a receiver, trustee in bankruptcy, assignee for the benefit of creditors, secured party or other like Person believed in good faith by the Operating Lender to be lawfully entitled to the property of such beneficiary, and the Operating Lender may make payments under such Letter of Credit to such Person. The provisions of this Article 10 are for the sole benefit of the Operating Lender and the Persons indemnified under Section 10.1(f) and may not be relied on by any other Person.

- (ii) Each Letter of Credit, except as specifically provided therein, and subject to any provision hereof to the contrary, will be subject to the Uniform Customs current at the time of issuance of such Letter of Credit.
- (iii) For the purpose of calculating the Aggregate Principal Amount in respect of a Letter of Credit and for any other relevant provision of this Agreement, the amount of Accommodation constituted by any Letter of Credit at any time will be the maximum amount which the Operating Lender may in all circumstances be required to pay pursuant to the terms thereof at such time.
- (iv) The Operating Lender shall maintain records showing the undrawn and unexpired amount of each Letter of Credit outstanding hereunder and showing for each Letter of Credit issued hereunder:
 - (A) the dates issuance and expiration thereof;
 - (B) the amount thereof; and
 - (C) the date and amount of all payments made thereunder.
- (v) The Operating Lender shall make copies of such records available to the Borrower upon its request.

ARTICLE 11 INCREASED COSTS

11.1 Changes in Law.

- (a) If, after the date hereof, due to either:
 - (i) the introduction of, or any change in, or in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Administrative Body charged with the administration thereof;
 - (ii) imposition on any Lender to maintain any capital adequacy or additional capital requirements in respect of any Advances or commitments hereunder, or any other condition with respect to this Agreement; or

- (iii) the compliance with any guideline or request from any central bank or other Administrative Body which a Lender, acting reasonably, determines that it is required to comply with,

there will be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining an Accommodation, or there will be any reduction in the effective return to such Lender thereunder, then, subject to Section 11.1(b), the Borrower will, within 5 Banking Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the “**Additional Compensation**”) which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes, and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender.

- (b) If Additional Compensation is payable pursuant to Section 11.1(a), the Borrower will have the option to convert the Accommodation to another type of Accommodation in accordance with the terms of this Agreement, in respect of which no further Additional Compensation will be payable or prepay any amount of the applicable Credit Facility owed to the Lender entitled to receive the Additional Compensation, subject always to Section 9.5 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers’ Acceptances under the applicable Credit Facility, such Lender may require the Borrower to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for all outstanding Bankers’ Acceptances in accordance with the arrangements similar to those set out in Section 9.5.
- (c) Notwithstanding anything contained in this Section 11.1, the *Dodd-Frank Wall Street Reform and Consumer Protection Act* and all requests, rules, regulations, guidelines and directives thereunder or issued in connection therewith and all requests, rules, regulations, guidelines and directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority or any United States, Canadian or foreign regulatory authority) (collectively, the “**New Rules**”) shall, in each case, be deemed a “change in Law” under Section 11.1(a)(i) regardless of the date enacted, adopted or issued.

11.2 Changes in Circumstances.

Notwithstanding anything to the contrary herein or in any of the other Loan Documents contained, if on any date a Lender determines in good faith, which determination will be conclusive and binding on the Parties, and provided written notice is given to the Agent and the other Lenders and to the Borrower that its ability to maintain, or continue to offer any Accommodation has become unlawful or impossible due to:

- (a) any change in applicable Law, or in the interpretation or administration thereof by authorities having jurisdiction in the matter; or
- (b) any material adverse change in or the termination of the London Interbank Eurodollar Market for Eurodollars; or
- (c) the imposition of any condition, restriction or limitation upon such Lender which is outside of its control,

then in any such case, the Borrower will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of repayment and all other expenses incurred in connection with the termination of any such Accommodation, including any expenses resulting from the early termination of any LIBOR Period relating thereto in accordance with Section 8.2, without any obligation to make a corresponding prepayment to any other Lender. The Borrower may utilize other forms of Accommodations not so affected in order to make any required repayment and after any such repayment, the Borrower may elect to re-borrow the amount repaid by way of some other Accommodation upon complying with applicable requirements thereof.

11.3 Application of Sections 11.1 and 11.2.

If a Lender exercises its discretion under either Section 11.1 or 11.2, then concurrently with a written notice from such Lender to the Lenders and the Borrower requiring compliance with the applicable Section, such Lender will provide the Borrower (with a copy to the Agent and the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice, confirming that its actions are consistent with actions concurrently taken by such Lender with respect to similar type provisions affecting other borrowers of such Lender in comparable circumstances and certifying (with reasonable supporting detail) the increased costs, if any, payable by the Borrower thereunder, which will be *prima facie* evidence thereof and binding on the Parties.

11.4 Limitations on Additional Compensation.

Sections 11.1 and 11.2 will not apply to a Lender with respect to any event, circumstance or change of the nature and kind of which such Lender had actual knowledge on the Amendment and Restatement Date. A Lender will not be entitled to Additional Compensation to the extent such increase in costs or reduction in return is reflected in or recovered by an increase in the interest or other amounts payable hereunder (other than pursuant to Section 11.1) or relates to any period which is more than 120 days prior to such Lender becoming aware such Additional Compensation was owing.

11.5 Taxes.

All payments to be made by Loan Parties pursuant to the Loan Documents are to be made without set-off, deduction, compensation or counterclaim and free and clear of and without deduction for or on account of any Tax (which for greater certainty does not include Taxes on the overall income of a Lender). If any such Tax is deducted or withheld from any payments under the Loan Documents, Loan Parties shall promptly remit to the Agent for the Lenders' benefit

in the currency in which such payment was made, the equivalent of the amount of Tax so deducted or withheld together with the relevant receipt addressed to the Agent. If any Loan Party is prevented by operation of Law or otherwise from paying, causing to be paid or remitting such Tax, the interest or other amount payable under the Loan Documents will be increased to such rates as are necessary to yield and remit to the Lenders the principal sum advanced or made available together with interest at the rates specified in the Loan Documents after provision for payment of such Tax. The Borrower agrees to indemnify the Agent and each Lender for (i) the full amount of Taxes of any relevant taxing jurisdiction on amounts payable under this Section 11.5 paid by the Agent and such Lender, and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes were correctly or legally imposed or asserted by the relevant taxing jurisdiction; provided the Agent or a Lender, as the case may be, provides the Borrower with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts. Payment under this Section 11.5 shall be made within thirty (30) days after the date such Lender or the Agent makes a written demand therefor. Notwithstanding anything herein to the contrary, the Borrower shall not be required pursuant to this Section 11.5 to pay any additional amount to, or to indemnify, any Lender or the Agent, as the case may be, the extent that such Lender or the Agent becomes subject to Taxes subsequent to the Amendment and Restatement Date (or, if later, the date such Lender or the Agent becomes a party to this Agreement) as a result of a change in the place of organization or residence of such Lender or the Agent, a change in the lending office of such Lender, or a change in the principal office of such Lender or the Agent, except to the extent that such Lender or the Agent was entitled, at the time of the change in place of organization, residence or the change in its lending office, to receive additional amounts from the Borrower pursuant to this Section 11.5 (and provided, that nothing in this Section 11.5 shall be construed as relieving the Borrower from any obligation to make such payments or indemnification in the event of a change in applicable Law).

11.6 Benchmark Replacement.

Notwithstanding anything to the contrary herein or in any other Loan Document (and any Hedging Agreement will be deemed not to be a “Loan Document” for purposes of this Section 11.6):

- (a) On March 5, 2021 the Financial Conduct Authority (“FCA”), the regulatory supervisor of the LIBOR’s administrator (“IBA”), announced in a public statement the future cessation or loss of representativeness of overnight, 1-month, 3-month, 6-month and 12-month LIBOR tenor settings. On the earlier of
 - (i) the date that all Available Tenors of LIBOR have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and
 - (ii) the Early Opt-in Effective Date,

if the then-current Benchmark is LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings

without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis and the interest payment dates will be determined by the Agent pursuant to Section 11.6(e) below.

- (b) Upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Majority Lenders.
- (c) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Term SOFR Event has occurred prior to the time provided for the next setting of the then-current Benchmark, then the sum of (i) Term SOFR and (ii) the applicable percentage specified in clause (a)(i) of the definition of Benchmark Replacement will become the applicable Benchmark Replacement and will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that this clause (c) will not be effective unless the Agent has delivered to the Lenders and the Borrower a notice of the occurrence of such Term SOFR Event.
- (d) At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a Drawdown of, Conversion to or Rollover of Advances to be made, converted or rolled over that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a Drawdown of or Conversion to U.S. Base Rate Loans. During the period referenced in the foregoing sentence, the component of U.S. Base Rate based upon the Benchmark will not be used in any determination of U.S. Base Rate.
- (e) In connection with the implementation and administration of a Benchmark Replacement, the Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing

such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

- (f) The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 11.6.
- (g) At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBOR), then the Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings that has ceased to be unavailable or non-representative.

11.7 Market Disruption

Notwithstanding anything to the contrary herein contained, if on any date a Lender determines in good faith, which determination shall be conclusive and binding on the Parties, that its ability to make a requested LIBOR Based Loan or Bankers' Acceptance has become impracticable, or has been materially adversely affected, because:

- (a) with respect to LIBOR Based Loans only, LIBOR does not accurately reflect the effective cost to that Lender of funding its *pro rata* share of such LIBOR Based Loan for the LIBOR Period; or
- (b) with respect to Bankers Acceptances only:
 - (i) of any change in applicable Laws, or in the interpretation or administration thereof by any Administrative Body having jurisdiction in the matter;
 - (ii) there exists no adequate and fair measure to ascertain the BA Discount Rate for such Bankers' Acceptance;
 - (iii) of the occurrence of any event affecting Canadian money markets or because of the occurrence of any national or international financial, political, terrorist or economic event;
 - (iv) there does not exist a normal money market in Canada for the purchase and sale of banker's acceptances or such money market has been disrupted by the occurrence of an extraordinary event or an act of terrorism; or

- (v) the Agent is unable to determine the CDOR Rate of the proposed Bankers' Acceptance,

(each of the foregoing being a "**Disruption Event**"), then such Lender shall give prompt written notice thereof to the Borrower and the Agent and:

- (c) such Lender shall not have any further obligation with respect to such LIBOR Based Loan or Bankers' Acceptance, as applicable; and
- (d) if the aggregate Individual Commitment Amounts of such Lenders so affected by the Disruption Event shall exceed 25% of the Commitment Amount, then no Lender shall have any further obligation with respect to any further Advance,
- (e) in each case for so long as the Disruption Event exists or affects any such Lender or Lenders, as the case may be, provided that, the Borrower may elect to Drawdown, Rollover or Convert the amount originally requested by way of such LIBOR Based Loan or Bankers' Acceptance, as applicable, into some other type of Advance upon compliance with the applicable Drawdown, Rollover or Conversion requirements set out herein.
- (f) If at any time the Agent determines that the circumstances set forth in Section 11.7(a) have arisen and such circumstances are unlikely to be temporary, then the Agent and the Borrower will negotiate in good faith to establish an alternate rate of interest to LIBOR that is, at such time, broadly accepted as the prevailing recommended market practice for syndicated loans of this type; provided that, if such alternate rate of interest will be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Upon the Borrower and the Agent agreeing on such a rate, the Borrower and the Lenders party hereto shall enter into documentation to amend the provisions hereof to refer to such rate and make all other adjustments incidental thereto, provided that such amendment shall require the consent of the Majority Lenders. After a determination made pursuant to the above, until an alternate rate of interest shall become in effect in accordance with this Section 11.7(f), (a) any Advance request requesting a LIBOR Based Loan or any conversion request requesting to convert or continue any Accommodation as a LIBOR Based Loan will be ineffective, and (b) the Borrower may repay any outstanding LIBOR Based Loan or convert it as a U.S. Base Rate Loan.
- (g) If at any time the Agent determines that (i) the circumstances set forth in Section 11.7(b) have arisen and such circumstances are unlikely to be temporary, or (ii) the circumstances set forth in Section 11.7(b) have not arisen but the administrator of the CDOR Rate or a governmental authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the CDOR Rate will no longer be used for determining interest rates for loans, then the Agent and the Borrower will negotiate in good faith to establish an alternate rate of interest to the CDOR Rate that is, at such time, broadly accepted as the prevailing recommended market practice for syndicated loans of this type; provided that, if such alternate rate of interest will be less than zero, such rate shall be deemed to be zero for the

purposes of this Agreement. Upon the Borrower and the Agent agreeing on such a rate, the Borrower and the Lenders party hereto shall enter into documentation to amend the provisions hereof to refer to such rate and make all other adjustments incidental thereto, provided that such amendment shall require the consent of the Majority Lenders. After a determination made pursuant to clause (i) or (ii) above, until an alternate rate of interest shall become in effect in accordance with this Section 11.7, (a) any Advance request requesting a Bankers' Acceptance or any conversion request requesting to convert or continue any Accommodation as a Bankers' Acceptance will be ineffective, and (b) the Borrower may repay any outstanding a Bankers' Acceptance or convert it into a Canadian Prime Rate Loan.

ARTICLE 13 COVENANTS OF THE BORROWER

13.1 Affirmative Covenants.

- (a) Punctual Payment. The Borrower will pay or cause to be paid all Obligations and other amounts payable under the Loan Documents punctually when due.
- (b) Use of Credit Facilities. The Borrower will use the Credit Facilities only in accordance with Section 3.8.
- (c) Legal Existence. Subject to Section 13.3(g), the Borrower will do or will cause to be done all things necessary to preserve and keep in full force and effect each Loan Party's existence in good standing as a corporation under the Law of its jurisdiction of formation.
- (d) Material Adverse Claims. The Borrower will, and will cause each other Loan Party to, except for Permitted Encumbrances, do all things necessary to defend, protect and maintain its property from all material adverse claims where the failure to do so in the opinion of the Lenders, acting reasonably, threatens the intended priority or validity of the Security as herein provided, or could reasonably be expected to have a Material Adverse Effect.

- (h) Environmental Audit. If the Agent, acting reasonably, determines that any Loan Party's obligations or other liabilities in respect of matters dealing with the protection or contamination of the Environment or the maintenance of health and safety standards, whether contingent or actual, could reasonably be expected to have a Material Adverse Effect then, at the request of the Agent, the Borrower will, and will cause each of the other Loan Parties to, assist the Agent in conducting an environmental audit of the property which is the subject matter of such contingent or actual obligations or liabilities, by an independent consultant selected by the Agent. The reasonable costs of such audit will be for the account of the Borrower, provided that the Agent will carry out such audit in consultation with the Borrower to expedite its completion in a cost effective manner. The Agent will be permitted to retain, for the account of the Borrower (to the extent such account is reasonable), the services of a consultant to monitor any Loan Party's compliance with this Section 13.1(h).
- (i) Payment of Taxes. The Borrower will, and will cause each other Loan Party to, duly file on a timely basis all Tax returns required to be filed by any of them, and duly and punctually pay all Taxes and other governmental charges levied or assessed against any of them or their property, except, in either case, to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.
- (j) Remittances. The Borrower will, and will cause each other Loan Party to, make all of the remittances required to be made by any Loan Party to the applicable federal, provincial or municipal governments and keep such remittances up to date, except to the extent that a failure to do so could not reasonably be expected to have a Material Adverse Effect.
- (k) Inspection of Property; Books and Records; Discussions. The Borrower will, and will cause each other Loan Party to, maintain books and records of account in accordance with GAAP and all applicable Laws; and permit representatives of the Agent (in each case at the Borrower's expense) to visit and inspect any property of any Loan Party and to examine and make abstracts from any of the books and records of each Loan Party at any reasonable time during normal business hours and upon reasonable request and written notice, and subject to the health and safety requirements of each Loan Party, and to discuss the business, property, condition (financial or otherwise) and prospects of the Loan Parties with their senior officers

and (in the presence of such representatives, if any, as it may designate) with its independent chartered accountants.

- (l) Comply with Law and Maintain Permits. 14.3 Attorney in Fact.

The Borrower hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Borrower and in the name of the Borrower or in its own name, from time to time in the Agent's discretion, for the purpose of carrying out the terms of the Loan Documents, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of the Loan Documents and which the Borrower being required to take or execute has failed to take or execute; provided that this power of attorney will not be effective until the occurrence and during the continuance of any Event of Default and only if the Borrower fails to do something it is required to do on a timely basis. The Borrower hereby ratifies all that said attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and will be irrevocable until all of the Obligations have been unconditionally and irrevocably paid and performed in full. The Borrower also authorizes the Agent, at any time and from time to time, to execute any endorsements, assignments or other instruments of conveyance or transfer pursuant to the Security after an Event of Default has occurred and is continuing and only if the Borrower fails to do so on a timely basis. If requested by the Agent, the Borrower will cause each Material Subsidiary to constitute and appoint the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact in accordance with the foregoing provisions of this Section 14.3.

14.4 Application of Proceeds.

Except as otherwise agreed to by all of the Lenders in their sole discretion or as otherwise expressly provided for herein, all (i) payments made by or on behalf of the Borrower or a Material Subsidiary under the Loan Documents after acceleration pursuant to Section 14.2, and

- (a) firstly, in full and final payment of any amounts due and payable by way of recoverable expenses, including all out-of-pocket realization and enforcement costs and all reasonable legal costs and disbursements (on a solicitor and his own client full indemnity basis);
- (b) secondly, in full and final payment of all accrued and unpaid interest, BA Stamping Fees, Letter of Credit Fees and standby fees in connection with the Credit Facilities, on a *pro rata* basis;
- (c) thirdly, in full and final payment of the Aggregate Principal Amount under the Credit Facilities, the Cash Management Obligations and the Permitted Swap Indebtedness, on a *pro rata* basis;

Any Person purchasing an interest in the obligations of the Borrower as contemplated herein may exercise all rights of set-off, bankers' lien, counterclaim or similar rights with respect to such interest as fully as if such obligations had been originally incurred to such Person and such Person were the holder thereof. The rights of the Lenders under this Section 14.5 are in addition to the other rights and remedies which the Lenders may have. Nothing contained in the Loan Documents will require any Lender to exercise any right, or will affect the right of any Lender to exercise and retain the benefits of exercising any right, with respect to any Indebtedness of the Borrower existing otherwise than pursuant to the Loan Documents.

14.6 Readjustments Between Lenders

Except as otherwise unanimously agreed to by all of the Lenders, after all Obligations are declared by the Agent to be due and payable pursuant to Section 14.2, (i) each Lender agrees that it will at any time or from time to time thereafter at the request of the Agent as required by any Lender, purchase at par on a non-recourse basis a participation in the Aggregate Principal Amount owing to each of the other Lenders and make any other adjustments as are reasonably necessary or appropriate (including indemnities for any then outstanding Letters of Credit, Bankers' Acceptances and LIBOR Based Loans), in order that the Aggregate Principal Amounts owing to each of the Lenders, as adjusted pursuant to this Section 14.6, will be in the same proportion as each Lender's Individual Commitment Amount was to the Commitment Amount immediately prior to the Event of Default resulting in such declaration, and (ii) the amount of any repayment made by or on behalf of the Loan Parties under the Loan Documents or any proceeds received by the Agent or the Lenders pursuant to Section 14.4(c) will be applied by the Agent in a manner such that to the extent possible the amount of the Aggregate Principal Amount owing to each Lender after giving effect to such application will be in the same proportion as each Lender's Individual Commitment Amount was to the Commitment Amount immediately prior to the Event of Default resulting in such declaration.

- (d) in connection with the proper exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder;
- (e) developed independently without breach of Section 15.1; or

- (f) to the extent required to be disclosed by order or direction of a court or Administrative Body of competent jurisdiction.

15.3 Permitted Disclosures by the Agent or the Lenders.

Confidential information received by the Agent or a Lender may be disclosed to their respective Affiliates (including Swap Lenders), the Agent or any other Lender, including any financial institution which desires to become a Lender hereunder or any actual or prospective counterparty to any securitization, swap or derivative transaction relating to any Loan Party (provided that in the case of any Participant, prospective lender or actual or prospective counterparty any such Person has entered into confidentiality covenants with the Agent and the Borrower substantially the same as those contained in this Article 15) and to their respective employees, auditors, accountants, legal counsel, geologists, engineers and other consultants and financial advisors on a need to know basis and subject to the obligation to maintain confidentiality.

ARTICLE 16 ASSIGNMENT

16.1 Assignment of Interests.

Except as expressly permitted under this Article 16, this Agreement and the rights and obligations hereunder will not be assignable, in whole or in part, by the Borrower without the prior written consent of all of the Lenders.

16.2 Assignment by the Lenders.

Each Lender will have the right to sell or assign in minimum portions of \$ [REDACTED] (with such Lender, where such sale or assignment is not of all of such Lender's Individual Syndicated Facility Commitment Amount or Operating Facility Commitment Amount, as applicable, retaining an Individual Syndicated Facility Commitment Amount or Operating Facility Commitment Amount, as applicable, of at least [REDACTED]) such Lender's Individual Commitment Amount to one or more Persons (other than a natural person) with the consent of the Borrower and the Agent, each acting reasonably, provided that at and after the time of the assignment, the Borrower will not be under any obligation to pay by way of withholding tax or otherwise any greater amount (other than as a result of a change in the BA Discount Rate) than it would have been obliged to pay if the Lender had not made an assignment and the assignor Lender and the assignee Lender shall have entered into appropriate indemnity arrangements with respect to any Bankers Acceptances outstanding as of the effective date of such assignment. An assignment fee of \$ [REDACTED] for each such assignment (other than to an Affiliate of a Lender) will be payable to the Agent by the assigning Lender. In the event of such sale or assignment, the Borrower, the Agent and the other Lenders will execute and deliver all such agreements, documents and instruments as the Agent or Lender may reasonably request to effect and recognize such sale or assignment, including an Assignment Agreement. Notwithstanding the foregoing, (a) the minimum portion condition noted above shall not apply during an Event of Default which is continuing, (b) a Lender may sell or assign its Individual Commitment Amount to an Affiliate thereof without the consent of the Agent or the Borrower (provided that, at and after the time of the assignment, the Borrower will not be under any obligation to pay by way of withholding tax

or otherwise any greater amount (other than as a result of a change in the BA Discount Rate) than it would have been obliged to pay if the Lender had not made an assignment) and (c) no consent of the Borrower will be required if an assignment occurs during a Default or Event of Default which is continuing or if made between financial institutions who, at the relevant time, are already Lenders.

16.3 Effect of Assignment.

To the extent that any Lender sells or assigns any portion of its Individual Commitment Amount pursuant to Section 16.2 and such new Lender or new Lenders, as the case may be, has executed and delivered to the Borrower and the Agent an Assignment Agreement, such Lender will be relieved and forever discharged of any and all of its covenants and obligations under the Loan Documents in respect of that portion of its Individual Commitment Amount so sold or assigned from and after the date of such Assignment Agreement and the Borrower's recourse under the Loan Documents in respect of such portion so sold or assigned from and after the date of the Assignment Agreement for matters arising thereunder from and after the date of the Assignment Agreement will be to such new Lender or new Lenders only, as the case may be, and their successors and permitted assigns.

16.4 Participations.

Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a "**Participant**") participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, provided, however, that:

- (a) no participation contemplated in this Section 16.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Loan Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent and the Borrower will continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and each of the other Loan Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Loan Document;
- (e) the Borrower will not be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold; and
- (f) in the case of any outstanding Bankers' Acceptance, the Participants execute an indemnity agreement in respect of such Bankers' Acceptances.

ARTICLE 17
ADMINISTRATION OF THE CREDIT FACILITY

17.1 Authorization and Action.

- (a) Authorization and Action. Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Loan Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Majority Lenders, and such instructions will be binding upon all Lenders, provided however that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.
- (b) Lenders' Determination. Where the provisions of this Agreement provide that any waiver of or any amendment to any provision of the Loan Documents may be made or any action, consent or other determination in connection with the Loan Documents may be taken or given, with the consent or agreement of the Lenders or the Majority Lenders (in accordance with Section 17.16), then any such waiver, amendment, action, consent or determination so made, so taken or so given with the consent or agreement of the Lenders or the Majority Lenders, as applicable, will be binding on all of the Lenders and all of the Lenders will cooperate in all ways necessary or desirable to implement and effect such waiver, amendment, action, consent or determination.
- (c) Deemed Non-Consent. If the Agent delivers a notice to a Lender requesting advice from such Lender as to whether it consents or objects to any matter in connection with the Loan Documents, then, except as otherwise expressly provided herein, if such Lender does not deliver to the Agent its written consent or objection to such matter within 10 Banking Days of the delivery of such notice by the Agent to such Lender, such Lender will be deemed not to have consented thereto upon the expiry of such 10 Banking Day period.
- (d) Release and Discharge of Security. Each Lender hereby irrevocably authorizes the Agent to execute and deliver such releases and no-interest letters as may be required in connection with any disposition of assets by any Loan Party in respect of which the Agent has received an officer's certificate of the Borrower certifying that such disposition is permitted hereunder, together with any other information from the Borrower reasonably required by the Agent, if any, to satisfy itself that any such disposition is permitted hereunder.

17.2 Procedure for Making Advances.

- (a) Pro Rata Advances. Subject to Sections 3.5, 6.3, 6.4 and 9.4(e), all Advances under a Credit Facility made by the Lenders will be made in accordance with each Participating Lender's Rateable Portion of such Advance.
- (b) Instructions from Borrower. Other than with respect to overdraft borrowings under the Operating Facility, the Lenders, through the Agent, will make Advances under a Credit Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Rateable Portion in respect of such Credit Facility of such Advances have been credited in accordance with Section 5.6 (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrower in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrower as set forth in the Notice of Borrowing, Notice of Rollover or Notice of Conversion, as the case may be, in respect of each Advance under a Credit Facility, provided that the obligation of the Agent hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrower or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

17.3 Remittance of Payments.

Forthwith after receipt of any payment by the Borrower hereunder, and subject to Section 14.4, the Agent, if and to the extent a Lender is entitled thereto, will remit to such Lender its Rateable Portion of such payment, provided that, if the Agent, on the assumption that it will receive on any particular date a payment of principal, interest or fees hereunder, remits to a Lender its Rateable Portion of such payment and the Borrower fails to make such payment, each such Lender agrees to repay to the Agent forthwith on demand such Lender's Rateable Portion of any such payment, together with all reasonable costs and expenses incurred by the Agent in connection therewith and interest thereon at the rate and calculated in the manner customarily applicable to interbank payments for each day from the date such amount is remitted to such Lender. The exact amount of the repayment required to be made by a Lender pursuant hereto will be set forth in a certificate delivered by the Agent to such Lender, which certificate will be conclusive and binding for all purposes in the absence of manifest error.

17.4 Redistribution of Payment.

Each Lender agrees that, subject to Section 14.4:

- (a) If it exercises any right of counter-claim, set off, bankers' lien or similar right with respect to any property of the Borrower or if under applicable Law it receives a secured claim, the security for which is a debt owed by it to the Borrower, it will apportion the amount thereof proportionately between:

- (i) amounts outstanding at such time owed by the Borrower to such Lender under this Agreement, which amounts will be applied in accordance with this Section 17.4; and
 - (ii) amounts otherwise owed to it by the Borrower, provided that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or accepted by such Lender on behalf of the Borrower may be applied by such Lender to such amounts owed by the Borrower to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment.
- (b) If it receives, through the exercise of a right or the receipt of a secured claim described in Section 17.4(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of a Credit Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under such Credit Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Credit Facility of the other Lenders so that their respective receipts will be pro rata to their respective Rateable Portions, provided however that, if all or part of such proportionately greater payment received by such purchasing Lender is otherwise recovered by it, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 17.4 to share in the benefits of any recovery on such secured claims.
- (c) If it does any act or thing permitted by Sections 17.4(a) or 17.4(b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Sections 17.4(a) or 17.4(b), no Lender will be entitled to exercise any right of counter-claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.

17.5 Duties and Obligations.

The Agent or any of its directors, officers, agents or employees (and, for purposes hereof, the Agent will be deemed to be contracting as agent for and on behalf of such Persons) will not be liable to any Lender for any action taken or omitted to be taken by it under or in connection with the Loan Documents, except for its own gross negligence or wilful misconduct. Without limiting the generality of the foregoing, the Agent:

- (a) may assume that there has been no assignment or transfer by the Lenders of their rights under the Loan Documents, unless and until the Agent receives a duly executed Assignment Agreement from such Lender;
- (b) may consult with counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and will not be liable to any Lender for any action taken or omitted to be taken in good faith by it in accordance with or reliance upon the advice of such counsel, accountants or experts;
- (c) will incur no liability under or in respect of the Loan Documents by acting upon any notice, consent, certificate or other instrument or writing believed by it to be genuine and signed or sent by the apparently proper Person or by acting upon any representation or warranty of the Borrower made or deemed to be made hereunder;
- (d) may assume that no Default or Event of Default has occurred and is continuing unless it has actual knowledge to the contrary; and
- (e) may rely, as to any matter of fact which might reasonably be expected to be within the knowledge of any Person, upon a certificate signed by or on behalf of such Person.

Further, the Agent (i) does not make any warranty or representation to any Lender nor will it be responsible to any Lender for the accuracy or completeness of the data made available to any of the Lenders in connection with a Credit Facility, or for any statements, warranties or representations (whether written or oral) made in connection with a Credit Facility, (ii) will not have any duty to ascertain or to enquire as to the performance or observance of any of the terms, covenants or conditions of the Loan Documents on the part of any Loan Party or to inspect the property (including books and records) of any Loan Party, and (iii) will not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of the Loan Documents or any other instrument or document furnished pursuant hereto or thereto.

17.6 Prompt Notice to the Lenders.

Notwithstanding any other provision herein, the Agent agrees to provide to the Lenders, with copies where appropriate, all information, notices and reports required to be given to the Agent by the Borrower hereunder, promptly upon receipt of same, excepting therefrom information and notices relating solely to the role of the Agent hereunder.

17.7 Agent and Agent Authority.

With respect to its Rateable Portion of a Credit Facility and the Advances made by it as a Lender thereunder, as applicable, the Agent will have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with the Borrower, its Subsidiaries, their respective shareholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the

Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

17.8 Lenders' Credit Decisions.

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Loan Parties. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Borrower or any other Person under or in connection with the Credit Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of any of the Loan Parties. Each Lender acknowledges that copies of the Loan Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Loan Documents. A Lender will not make any independent arrangement with the Borrower for the satisfaction of any Obligations owing to it under the Loan Documents without the written consent of the other Lenders.

17.9 Indemnification.

The Lenders hereby agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Borrower) in accordance with their respective Rateable Portions, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Loan Documents or any action taken or omitted by the Agent under or in respect of the Loan Documents in its capacity as Agent, provided that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Rateable Portion of any reasonable out-of-pocket expenses (including legal fees, on a solicitor and his own client full indemnity basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Loan Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrower. This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

17.10 Successor Agent.

The Agent may, as hereinafter provided, resign at any time by giving 30 days' written notice (the "**Resignation Notice**") thereof to the Lenders and the Borrower. The remaining Lenders, with the consent of the Borrower, such consent not to be unreasonably withheld, will forthwith upon receipt of the Resignation Notice unanimously appoint a successor administrative agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the

acceptance of any appointment as administrative agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as administrative agent under the Loan Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged from its further duties and obligations as agent under the Loan Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Rateable Portion of the Commitment Amount. After the resignation of the Agent as administrative agent hereunder, the provisions of this Article 17 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the administrative agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may and with the approval of the Borrower prior to an Event of Default, such approval not to be unreasonably withheld, appoint a Successor Agent from among the Lenders.

17.11 Taking and Enforcement of Remedies.

Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by applicable Law, rights and remedies provided under the Loan Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of Obligations hereunder was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Credit Facilities, including any acceleration of Obligations thereunder, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required majority or unanimity as herein provided). Notwithstanding the foregoing, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any security for any of the Obligations of the Borrower under the Loan Documents and will not enter into any agreement with any of the Parties relating in any manner whatsoever to the Credit Facilities, unless all of the Lenders will at the same time obtain the benefit of any such security or agreement, as the case may be.

17.12 Reliance Upon Agent.

The Borrower will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to it by the Agent pursuant to the Loan Documents, and the Borrower will be entitled to deal with the Agent with respect to matters under the Loan Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy itself as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

17.13 Agent May Perform Covenants.

If the Borrower fails to perform any covenant on its part herein contained, the Agent may give notice to the Borrower of such failure and if, within 10 days of such notice (or after the expiry of such other time or cure period as may be required in this Agreement), such covenant remains unperformed, the Agent on behalf of the Lenders may, in its sole discretion but need not, perform any such covenant capable of being performed by it and, if the covenant requires the payment or expenditure of money, the Agent may make such payment or expenditure and all sums so expended will be forthwith payable by the Borrower to the Agent on behalf of the Lenders and will bear interest at the interest rate applicable to Canadian Prime Rate Loans plus 2% per annum.

17.14 No Liability of Agent.

The Agent, in its capacity as agent of the Lenders under the Loan Documents, will have no responsibility or liability to the Borrower or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of the Borrower to perform its obligations under the Loan Documents.

17.15 Nature of Obligations under this Agreement.

- (a) Obligations Separate. The obligations of each Lender and the Agent under this Agreement are separate. The failure of any Lender to carry out its obligations hereunder will not relieve the other Lenders, the Agent or the Borrower of any of their respective obligations hereunder.
- (b) No Liability for Failure by Other Lenders. Neither the Agent nor any Lender will be liable or otherwise responsible for the obligations of any other Lender hereunder.

17.16 Lender Consent.

- (a) Unanimity. Notwithstanding anything herein to the contrary and without limiting in any way the context of any provision in this Agreement requiring the consent, approval, action or agreement of all Lenders, the following matters will require the approval, consent or agreement, as the context requires, of all Lenders:
 - (i) the reduction or forgiveness of any Obligations payable by any Loan Party to the Lenders under the Credit Facilities or under any of the Loan Documents;
 - (ii) the postponement of any maturity date of any Obligations of the Loan Parties to the Lenders or under any of the Loan Documents;
 - (iii) any increase to the Commitment Amount or the Syndicated Facility Commitment Amount;
 - (iv) any decrease to the margins and fees set forth in Section 3.10;

- (v) the release or discharge of the Security, or any part thereof, unless otherwise expressly permitted or provided in this Agreement or any change in the ranking or priority of the Security;
- (vi) any additions to the types of Advances set forth in Section 3.9(a);
- (vii) any change to the covenants referred to in Sections 3.1, 3.2, 3.4(a), 3.6(a), 3.11(b), 3.11(c), 6.1, 6.2, 13.1(a), 13.3(i), 13.3(o), 14.4 or 14.6;
- (viii) any waiver of the Events of Default described in Sections 14.1(e), 14.1(f) or 14.1(p);
- (ix) any amendment to this Section 17.16(a);
- (x) any change to the definition of “Majority Lenders”, “Majority Revolving Lenders” or “LIBOR Period”; and
- (xi) any other provision hereof which specifically requires the approval, consent or agreement of all of the Lenders,

except in any such case to the extent related to the Operating Facility (other than an increase to the Operating Facility Commitment Amount) where only the consent, approval, action or agreement of the Operating Lender is required.

- (b) Majority Consent. Subject to Section 17.16(a), any waiver of or any amendment to any provision of the Loan Documents and any action, consent or other determination in connection with the Loan Documents will bind all of the Lenders if such waiver, amendment, action, consent or other determination is agreed to in writing by the Majority Lenders.

17.17 Departing Lenders.

If a Lender: (a) is a Non-Agreeing Lender; (b) is a Defaulting Lender; (c) seeks Additional Compensation in accordance with Article 11; (d) requires the Borrower to deduct withholding Taxes under Section 11.5 in respect of amounts owing to it in accordance with the terms thereof; (e) provides a notice that it is unable to maintain or continue to offer any Accommodation pursuant to Section 11.2; (f) is a Non-Conforming Borrowing Base Lender; or (g) refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 17.16(a), requires consent of all the Lenders (and the consent of the Majority Lenders has been given with respect thereto) (a “**Non-Consenting Lender**”) (collectively, the “**Departing Lenders**”), then the Borrower may either:

- (a) replace the Departing Lender with another financial institution acceptable to the Agent, acting reasonably, who purchases at par (or such lesser amount as may be agreed to by the Departing Lender) the Aggregate Principal Amount owing to the Departing Lender and such Lender’s entire Individual Commitment Amount and assumes the Departing Lender’s Individual Commitment Amount and all other

obligations of the Departing Lender hereunder, provided that prior to or concurrently with such replacement:

- (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement (or such lesser amount as may be agreed to by the Departing Lender) and a release from any further obligations to make Advances under the Loan Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 16.2 shall have been paid to the Agent;
 - (iii) all of the requirements for such assignment contained in Section 16.2 shall have been satisfied, including, the consent of the Agent and the receipt by the Agent of such agreements, documents and instruments as the Agent may reasonably require;
 - (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in respect of which such Non-Consenting Lender was a Non-Consenting Lender and the Borrower also requires each other Lender that is a Non-Consenting Lender to assign the Aggregate Principal Amount owing to it and its Individual Commitment Amount; and
 - (v) in the case of a Departing Lender who is a Non-Conforming Borrowing Base Lender, each assignee and all of the other Lenders consent, at the time of such assignment, to what the Borrowing Base would have been determined to be under Section 3.11(c) but for the Borrowing Base determined by such Non-Conforming Borrowing Base Lender; or
- (b) elect to terminate the Departing Lender's Individual Commitment Amount, in which case the Commitment Amount shall be reduced by an amount equal to the amount of any Individual Commitment Amount so cancelled (provided that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation (including breakage and other costs in accordance with Section 8.2, the provision of Escrow Funds to the Agent on behalf of such Lender in respect of outstanding Bankers' Acceptances accepted by such Lender and cash collateralization in full of any contingent obligations in respect of any outstanding Letters of Credit if such Lender is the Operating Lender) (or such lesser amount as may be agreed to by the Departing Lender) and a release from any further obligations to make Advances under the Loan Documents after such termination);

provided that, in either case, no Default or Event of Default exists at such time and if there is more than one Lender that qualifies as a Departing Lender under any of the criteria identified above, then all Departing Lenders under such criteria shall be treated rateably with each such other Departing Lender.

obligations under the Loan Documents, or any conduct arising therefrom and for all claims, demands, actions and causes of action arising therefrom. - (a) Deficiency. If, for the purposes of obtaining judgment in any court or any other related purpose hereunder, it is necessary to convert an amount due hereunder in the currency in which it is due (the “**Original Currency**”) into another currency (the “**Second Currency**”), the rate of exchange applicable will be the daily noon day rate quoted by the Bank of Canada on the relevant date to purchase in Calgary, Alberta the Original Currency with the Second Currency and includes any premium and costs of exchange payable by the purchaser in connection with such purchase. Each Party (the “**First Party**”) agrees that its obligation in respect of any Original Currency due from it to another Party hereunder will, notwithstanding any judgment or payment in the Second Currency, be discharged only to the extent that on the Banking Day following the receipt of any sum so paid in the Second Currency, the other Parties may, in accordance with normal banking procedures, purchase in the Calgary, Alberta foreign exchange market the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the First Party agrees that the deficiency will be a separate and continuing obligation of it, independent from its obligations under this Agreement, and will constitute in favour of the other Parties a cause of action which will continue in full force and effect notwithstanding any such judgment, or order to the contrary, and the First Party agrees, notwithstanding any such payment or judgment, to indemnify the other Parties against any such loss or deficiency. The Borrower acknowledges and agrees that any Indebtedness it may incur or suffer under this Section 18.4(a) will form part of the Obligations and will be secured by the Security unless earlier discharged as provided herein.
- (b) Excess. The Lenders through the Agent will pay to the Borrower the amount, if any, after netting out all amounts due by the Borrower under Section 18.4(a), which the Lenders may realize in excess of what is owed to them by virtue of the conversion of the Original Currency into the Second Currency.

18.5 Environmental Indemnity.

The Borrower hereby indemnifies and holds harmless each of the Agent and the Lenders, including their respective directors, officers, employees and agents (collectively, the “**Indemnified Parties**”), for any costs, losses, damages, expenses, judgments, suits, claims, awards, fines, sanctions and liabilities whatsoever (including any reasonable costs or expenses of defending or denying the same and including the reasonable costs or expenses of preparing any environmental assessment report or other such reports) (in this Section 18.5 collectively a “**Claim**”) suffered or incurred by an Indemnified Party, arising out of, or in respect of:

- (a) the Release of any Contaminant into the Environment from or into any property, owned, operated or controlled, directly or indirectly, by the Borrower or otherwise in which the Borrower, or any Subsidiary, has an interest; and
- (b) the remedial action, if any, required to be taken by the Agent or the Lenders in respect of any such Release,

except in such cases where and to the extent that such Claims arise from the gross negligence or wilful misconduct of the Indemnified Parties as determined by a final, non-appealable judgment of a court of competent jurisdiction. The provisions of this Section 18.5 shall survive repayment of the Obligations of the Borrower and the termination of this Agreement. Other than for costs and expenses incurred by the Indemnified Parties for investigating, defending or denying a Claim or preparing any necessary environmental assessment report or other reports in connection with any Claim (the reasonable costs thereof to be paid forthwith by the Borrower on demand therefor), the Indemnified Parties will not request indemnification from the Borrower unless an Indemnified Party is required by Law, based on the advice of such Indemnified Party's counsel, to honour a Claim or any part thereof. During the continuation of an Event of Default, the Indemnified Parties will be entitled, but not obligated, to negotiate any settlement of a Claim in consultation with the Borrower, and any such settlement will be binding on the Parties, provided that the Borrower will not be liable for any settlement of any action without its written consent, such consent not to be unreasonably withheld. Notwithstanding the foregoing, the Borrower, at its option by notice to the Lenders, may assume carriage at any time of any proceedings giving rise to a Claim, including choice of counsel.

18.6 General Indemnity.

In addition to, and without duplication of, any liability of the Borrower to the Lenders under any other provision hereof, the Borrower will and does hereby indemnify each Indemnified Party and hold each Indemnified Party harmless against any losses, claims, costs, damages or liabilities (including reasonable out-of-pocket expenses and reasonable legal fees on a solicitor and his own client full indemnity basis) incurred by the same as a result of or in connection with: (a) any cost or expense incurred by reason of the liquidation or re-deployment in whole or in part of deposits or other funds required by any Lender to fund any Bankers' Acceptance or to fund or maintain any Advance as a result of the Borrower's failure to complete a Drawdown or to make any payment, repayment or prepayment on the date required hereunder or specified by it in any notice given hereunder; (b) subject to permitted or deemed Rollovers and Conversions, the Borrower's failure to provide for the payment to the Agent for the account of the Lenders of the full principal amount of each Bankers' Acceptance on its maturity date; (c) the Borrower's failure to pay any other amount, including any interest or fees, due hereunder on its due date after the expiration of any applicable grace or notice periods; (d) the prepayment of any outstanding Bankers' Acceptance before the maturity date of such Bankers' Acceptance; (e) the Borrower's repayment or prepayment of a LIBOR Based Loan otherwise than on the last day of its LIBOR Period; (f) the Borrower's failure to give any notice required to be given by it to the Agent or the Lenders hereunder; (g) the failure of any Loan Party to make any other payment due hereunder or under any of the other Loan Documents; (h) any inaccuracy of the Borrower's or any Material Subsidiary's representations and warranties contained in any Loan Document; (i) any failure of the Borrower of any Material Subsidiary to observe or fulfill its covenants under any Loan

Document; (j) the occurrence of any Default or Event of Default; or (k) the use of the proceeds of any Credit Facility, including to pay the purchase price of any acquisition; provided that this Section 18.6 will not apply to any losses, claims, costs, damages or liabilities that are found by a final, non-appealable judgment of a court of competent jurisdiction to arise by reason of the gross negligence or wilful misconduct of the Indemnified Party claiming indemnity hereunder. The provisions of this Section 18.5 shall survive repayment of the Obligations of the Borrower and the termination of this Agreement.

18.7 Further Assurances.

The Borrower will, from time to time forthwith at the Agent's request and at the Borrower's own cost and expense (to the extent reasonable), do, make, execute and deliver, or cause to be done, made, executed and delivered, all such further documents, financing statements, financing change statements, assignments, acts, matters and things which may be reasonably required by the Agent with respect to the Credit Facilities, the Security or any part thereof and to give effect to any provision of the Loan Documents.

18.8 Waiver of Law.

To the extent legally permitted, the Borrower hereby irrevocably and absolutely waives the provisions of any applicable Law which may be inconsistent at any time with, or which may delay or limit in any way, the enforcement of the Loan Documents in accordance with their terms.

18.9 Attornment and Waiver of Jury Trial.

The Parties hereto do hereby irrevocably:

- (a) submit and attorn to the non-exclusive jurisdiction of the courts of the Province of Alberta for all matters arising out of or relating to the Loan Documents or any of the transactions contemplated thereby; and
- (b) to the extent legally permitted, waive any right they may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.

18.10 Interest on Payments in Arrears.

- (a) Except as otherwise provided in this Agreement, interest will be paid by the Parties as follows:
 - (i) on amounts for which any Party has actually incurred an out-of-pocket expense and for which another Party has an obligation under the Loan Documents to reimburse such amounts to the Party incurring the expenses, interest will be payable on such amount at the interest rate then applicable to Canadian Prime Rate Loans plus 2% per annum from and including the day on which the amount was incurred to but excluding the day on which

the amount is reimbursed if, commencing on the date which is 3 Banking Days following a written demand for payment of the amount in accordance with the terms of the Loan Documents, such expense has not been paid; and

- (ii) on amounts payable by one Party to another Party under the Loan Documents where such payment is in default but the non-payment of such amount has not required an actual out-of-pocket expense by the Party to whom such payment is due, at the interest rate then applicable to Canadian Prime Rate Loans plus 2% per annum from and including the day on which the payment was due to, but excluding the day on which the payment is made whether before or after judgment, but if such payment is a reimbursement by the Lenders to the Borrower for overpayment by it to the Lenders or is in respect of an inadvertent underpayment by the Agent, the Lenders or the Borrower to another Party (based on information provided by such other Party), such interest will only be calculated from the date which is 3 Banking Days following a written demand for payment by the Party entitled to it.
- (b) All interest referred to in this Section 18.10 will be simple interest calculated daily on the basis of a 365 or 366 day year, as applicable. For the purposes of the *Interest Act* (Canada), the annual rates of interest to which such rates are equivalent are the rates so determined multiplied by the actual number of days in a period of one Year commencing on the first day of the period for which such interest is payable and divided by 365 or 366, as applicable.

18.11 Anti-Money Laundering Legislation.

- (a) The Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrower and Subsidiaries, their respective directors, authorized signing officers, direct or indirect shareholders or unitholders or other Persons in control of any Subsidiaries and the transactions contemplated hereby. - (b) If, upon the written request of any Lender, the Agent has ascertained the identity of the Borrower or any Subsidiary or any authorized signatories of the Borrower or any Subsidiary for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:

- (i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and
- (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding clause (b) above, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrower, or any Subsidiary or any authorized signatories of the Borrower or any Subsidiary, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any Subsidiary or any such authorized signatory in doing so.

18.12 Acknowledgement Regarding Any Supported QFCs

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Documents or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**”, and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to an

affected Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

- (b) As used in this Section 18.12, the following terms have the following meanings:

18.13 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of a Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any Resolution Authority.

18.14 Electronic Imaging.

Each of the Parties agrees that, at any time, the Agent and each Lender may convert paper records of this Agreement, the other Loan Documents and all other documentation delivered to the Agent hereunder in such capacity (each, a “**Paper Record**”) into electronic images (each, an “**Electronic Image**”) as part of the Agent’s or Lender’s, as applicable, normal business practices. Each party hereto agrees that each such Electronic Image shall be considered as an authoritative copy of the Paper Record and shall be legally binding on the parties and admissible in any legal, administrative or other proceeding as conclusive evidence of the contents of such document in the same manner as the original Paper Record.

18.15 Erroneous Payments.

- (a) If the Agent notifies a Lender, Swap Lender or provider of Cash Management Arrangements (collectively, the “**Secured Parties**” and each a “**Secured Party**”), or any Person who has received funds on behalf of a Lender or other Secured Party under or pursuant to any of the Loan Documents (any such Lender, other Secured Party or other recipient, a “**Payment Recipient**”) that the Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 18.15(b)) that any funds received by such Payment Recipient from the Agent or any of its Affiliates were erroneously or mistakenly transmitted or paid to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, other Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Agent, and such Lender or other Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Banking Days thereafter, return to the Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent in same day funds at the greater of (x) in respect of an Erroneous Payment in U.S. Dollars, the Federal Funds Rate and, in respect of an Erroneous Payment in Canadian Dollars or any other currency at a fluctuating rate per annum equal to the overnight rate at which Canadian Dollars or funds in the currency of such Erroneous Payment, as the case may be, may be borrowed by the Agent in the interbank market in an amount comparable to such Erroneous Payment (as determined by the Agent) and (y) a rate determined by the Agent in accordance with banking industry rules or prevailing market practice for interbank compensation from time to time in effect. A notice of the Agent to any Payment Recipient under this Section 18.15(a) shall be conclusive, absent manifest error.

- (b) Without limiting the immediately preceding Section 18.15(a), each Lender or other Secured Party, or any Person who has received funds on behalf of a Lender or other Secured Party under or pursuant to any of the Loan Documents, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Agent (or any of its Affiliates), or (z) that such Lender or other Secured Party, or other such recipient, otherwise becomes aware was transmitted, paid, or received, in error or by mistake (in whole or in part) in each case:
- (i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent express written confirmation from the Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and
 - (ii) such Lender or other Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Banking Day of its knowledge of such error) notify the Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Agent pursuant to this Section 18.15(b).
- (c) Each Lender or other Secured Party hereby authorizes the Agent to set-off, net and apply any and all amounts at any time owing to such Lender or other Secured Party under any Loan Document or otherwise payable or distributable by the Agent to such Lender or other Secured Party from any source, against any amount due to the Agent under the preceding Section 18.15(a) or under the indemnification provisions of this Agreement.
- (d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent in accordance with the preceding Section 18.15(a) from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its behalf) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”), upon the Agent’s notice to such Lender at any time, (i) such Lender shall be deemed to have assigned its Accommodations (but not any of its Individual Commitment Amounts) under any of the applicable Credit Facilities with respect to which such Erroneous Payment was made (the “**Erroneous Payment Impacted Facilities**”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Agent may specify) (such assignment of the Accommodations (but not any of its Individual Commitment Amounts) of the Erroneous Payment Impacted Facilities, the

The Agent may, in its discretion, sell any Advances acquired pursuant to an Erroneous Payment Deficiency Assignment and, upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Advance (or portion thereof), and the Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Individual Commitment Amount of any Lender under any of the Credit Facilities and such Individual Commitment Amount under such Credit Facilities shall remain available in accordance with the terms of this Agreement. In addition, each Party hereto agrees that, except to the extent that the Agent has sold an Advance (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Agent may be equitably subrogated, the Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or other Secured Party under the applicable Loan Documents with respect to each Erroneous Payment Return Deficiency.

- (e) The Parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from (i) the Borrower or any other Loan Party or (ii) the proceeds of realization from the enforcement of one or more of the Loan Documents against or in respect of one or more of the Loan Parties, in each case, for the purpose of making such Erroneous Payment.
- (f) To the extent permitted by applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Agent for the return of any Erroneous Payment received, including waiver of any defense based on “discharge for value”, “good consideration” for the Erroneous Payment or change of position by such Payment Recipient, any defense that the intent of the Agent was that such Payment

Recipient retain the Erroneous Payment in all events, or any doctrine or defense similar to any of the foregoing.

- (g) Each Party's obligations, agreements and waivers under this Section 18.15 shall survive the resignation or replacement of the Agent, or any assignment or transfer of rights or obligations by, or the replacement of, a Lender or an Affiliate thereof the termination of the Commitment Amounts and/or the repayment, satisfaction or discharge of all Secured Obligations (or any portion thereof) under any Loan Document.
- (h) For purposes of this Section 18.15, each Lender:
 - (i) agrees it is executing and delivering this Agreement with respect to this Section 18.15 both on its own behalf and as agent for and on behalf of its Affiliates referred to in this Section 18.15 and any Person receiving funds under or pursuant to any of the Loan Documents on behalf of such Lender or any of such Affiliates;
 - (ii) represents, warrants, covenants and agrees that its Affiliates referred to in this Section 18.15 and any Person receiving funds under or pursuant to any of the Loan Documents on behalf of such Lender or any of such Affiliates are bound by the provisions of this Section 18.15; and
 - (iii) agrees that any matter or thing done or omitted to be done by such Lender, its Affiliates, or any Person receiving funds under or pursuant to any of the Loan Documents on behalf of such Lender or any of such Affiliates which are the subject of this Section 18.15 will be binding upon such Lender and each Lender does hereby indemnify and save the Agent and its Affiliates harmless from any and all losses, expenses, claims, demands or other liabilities of the Agent and its Affiliates resulting from the failure of such Lender, its Affiliates or such Persons to comply with their obligations under and in respect of this Section 18.15, in each case, in accordance with and subject to the limitations in Section 18.15.

Whenever any payment hereunder will be due on a day other than a Banking Day, or in the case of LIBOR Based Loans a LIBOR Banking Day, such payment will be made on the next succeeding Banking Day, or LIBOR Banking Day, as applicable, and such extension of time will in such case be included in the computation of payment of interest thereunder.

Except (in respect of this Agreement only) as provided in the conditions precedent Section of this Agreement, each Loan Document shall become effective when it has been executed by the Agent and when the Agent has received counterparts to the Loan Document that, when taken together, bear the signatures of each of the other parties thereto. Delivery of an executed counterpart of a signature page of a Loan Document by fax or by sending a scanned copy by electronic mail shall be effective as delivery of a manually executed counterpart of that Loan Document.
- (b) The words “execution”, “signed”, “signature” and word of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Law, including Parts 2 and 3 of the *Personal Information Protection and Electronic Documents Act* (Canada) and other similar federal or provincial laws based on the Uniform Electronic Commerce Act of the Uniform Law Conference of Canada or its Uniform Electronic Evidence Act, as the case may be.

THIRD AMENDED AND RESTATED CREDIT AGREEMENT
DATED APRIL 30, 2021

FORM OF OIL AND GAS OWNERSHIP CERTIFICATE

TO: NATIONAL BANK OF CANADA (“NBC”), as Agent

RE: **PIPESTONE ENERGY CORP.** – Third Amended and Restated Credit Agreement dated as of April 30, 2021, between Pipestone Energy Corp., the Lenders, and NBC as Agent for the Lenders (as amended, restated, supplemented or modified from time to time, the “**Amended and Restated Credit Agreement**”).

The undersigned, _____, being the _____, of the Borrower, hereby certifies in such capacity for and on behalf of the Borrower, and not in any personal capacity and without assuming any personal liability whatsoever, as follows:

1. I have made or caused to be made due inquiries and review of all documents, correspondence and other material (the “**Title Enquiries**”) relating to the hydrocarbons and lands or interests in lands (the “**Lands**”) described in the reports of _____ (the “**Engineering Report**”) addressed to the Borrower and each dated effective [■].
2. Based upon the Title Enquiries, I have no knowledge, information or belief that there exists any provision in any agreement, contract or document pertaining to the Lands which prevents any Loan Party from granting security in the nature of a fixed or floating charge or security interest over such Lands to the Agent, for its own benefit and on behalf of the Lenders, or which would prevent the Agent from enforcing and realizing on such security upon the occurrence and continuance of an Event of Default other than the requirement to obtain the consent and waiver of a right of first refusal in the event of the sale of the Lands on the realization and enforcement of such security.
3. Based upon the Title Enquiries, to the best of my knowledge, information and belief, the Loan Parties are, effective the date hereof, possessed of and are beneficial owners of the respective working, royalty and other interests set forth in the Engineering Report with respect to the Lands, subject to any Permitted Encumbrances and to minor defects of title which in the aggregate do not materially affect their rights of ownership therein or the value thereof or to which the Lenders have consented in writing.
4. To the best of my knowledge, information and belief, based on the due and reasonable enquiries, there is no default (by the Loan Parties or for which the Loan Parties are liable, including, without limitation, by any operation of the Lands) of payment of royalties in connection with the Lands, which have accrued due by reason of production since any royalty payment dates, as prescribed by statute or agreement, immediately preceding the date of this Certificate and no Loan Party nor any Person on behalf of a Loan Party

(including, without limitation, any operator of the Lands) has received notice of default of any obligation imposed on it by any farmout, operating agreement or any other contract or agreement in respect of the Lands which, in any case, could reasonably be expected to have a Material Adverse Effect and, to the best of my knowledge, information and belief, based on the due and reasonable enquiries, there is no default of any such obligation which could reasonably be expected to have a Material Adverse Effect.

5. To the best of my knowledge, information and belief, based on the due and reasonable enquiries, the Lands are now free and clear of all Liens and adverse claims created by, through or under the Loan Parties, other than the Permitted Encumbrances, and no Loan Party nor any Person on behalf of a Loan Party (including, without limitation, any operator of the Lands) has received notice of any claim adverse to Loan Party's working, royalty and other interests in the Lands and there are no Liens or adverse claims, other than the Permitted Encumbrances, which materially and adversely affect the title of any Loan Party to their respective interests in the Lands.
6. To the best of my knowledge, information and belief, based on the due and reasonable enquiries, there are at present no outstanding unfulfilled obligations being enforced under any lease or contract pertaining to the Lands and any Loan Party's working, royalty and other interests in the Lands are not subject to any contractual obligations or conditions, except those which are permitted under the Amended and Restated Credit Agreement or which are accounted for in the Engineering Report which are reasonably expected to result in the material diminishment or forfeiture of those working, royalty and other interests.
7. No Loan Party has assigned its share of production proceeds or other moneys due to it in respect of its working, royalty or other interests in the Lands to any party other than the Agent, for its own benefit and on behalf of the Lenders.
8. All of the working, royalty and other interests of the Loan Parties in respect of petroleum and natural gas rights described in the Engineering Report and evaluated by the Lenders in determining the Borrowing Base are accurately reflected in the Engineering Report in all material respects.
