

REVIVAL GOLD ENGAGES MARKET MAINTENANCE SERVICES PROVIDER

Toronto, ON – February 15, 2018 – Revival Gold Inc. (TSXV: RVG, OTCQB: RVLGF) (“Revival Gold” or the “Company”), a growth-focused gold exploration and development company, announces that, subject to regulatory approval, it has retained Independent Trading Group Inc. (“ITG”) to provide market maintenance services to the Company in compliance with the policies and guidelines of the TSX Venture Exchange (the “TSXV”) and other applicable legislation. ITG will trade shares of Revival Gold on the TSXV for the purposes of maintaining a reasonable market and improving the liquidity of Revival Gold's common shares.

The Company will pay \$3,500 per month for the services to be provided by ITG. The agreement may be terminated at any time by the Company or ITG following an initial six-month term. There are no performance factors contained in the agreement and ITG will not receive any shares or options as compensation for the services it will render. The Company and ITG are unrelated and unaffiliated entities but ITG and/or its clients may have an interest, directly or indirectly, in the securities of the Company.

Cautionary Statement

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.

This News Release includes certain "forward-looking statements". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with the activities of the Company; and other matters discussed in this news release. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. The Company does not undertake to update any forward-looking statement that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.
