MANAGEMENT'S DISCUSSION & ANALYSIS

FOR THE SIX MONTHS ENDED JULY 31, 2016

This Management's Discussion and Analysis ("MD&A") of Miza Enterprises Inc. ("Miza" or the "Company") has been prepared by management as of September 26, 2016 and are based on and derived from the unaudited condensed interim financial statements of the Company for the three and six months ended July 31, 2016 and accompanying notes thereto which have been prepared in accordance with International Financial Reporting Standards ("IFRS").

This MD&A should be read in conjunction with the unaudited condensed interim financial statements for the three and six months ended July 31, 2016 and the audited financial statements and the accompanying notes for the year ended January 31, 2016, which have been prepared in accordance with IFRS. These audited financial statements, together with this MD&A, are intended to provide investors with a reasonable basis for assessing the financial performance of the Company as well as potential future performance. Please refer to the risk factors at the end of this MD&A and forward-looking statements.

All dollar amounts are stated in Canadian dollars unless otherwise indicated.

Forward-Looking Statements

Certain statements contained in this MD&A constitute forward-looking statements. The use of any of the words "believe", "expect", "estimate", "will", "should", "intend" and similar expressions are intended to identify forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Company believes these expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward looking statements included herein should not be unduly relied upon. Actual results and developments may differ materially from those contemplated by the forward looking statements. The forward-looking information contained in this MD&A represents our expectations as of the date of this MD&A and, accordingly, is subject to change after such date. We expressly disclaim any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable law.

DATE OF REPORT

This MD&A was authorized for issue by the Board of Directors of the Company on September 26, 2016.

OVERVIEW

PRINCIPAL BUSINESS AND CORPORATE HISTORY

The Company was incorporated on February 4, 2008 under the *Business Corporations Act (British Columbia)* in the name of Pacific-Link Capital Inc. and is a Capital Pool Company as defined in Policy 2.4. The Company changed its name to Miza Enterprises Inc. on April 23, 2015. The then Pacific Link Capital Inc. was a publicly traded company listed on the TSX Venture Exchange (“TSX.V”) under the trading symbol “PCL.P”. On July 3, 2012, the company was listed on NEX under the trading symbol “PCL.H”. On April 23, 2015 the Company changed trading symbol to “MZA.H” due to the change of company name.

The principal business of the Corporation is the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction. The Corporation has not commenced commercial operations and has no assets other than a minimum amount of cash.

During the period ended July 31, 2016, the Company issued 10,000,000 common shares at a price of \$0.05per share for proceeds of \$500,000.

Liquidity and Capital Resources

As at July 31, 2016, the Company had working capital of \$335,804 and cash in bank of \$342,375.

On March 16, 2010, the Company issued 5,000,000 common shares at \$0.10 per share (pre-consolidated shares) through the IPO, the total proceeds of \$500,000 was mainly to increase working capital.

The Company borrowed an amount of \$100,000 on August 13, 2014, as a temporary loan from a third party. The purpose of this loan was mainly to maintain the Company’s working capital. The loan is unsecured, bearing an interest rate of 12% per annum for a minimum of six-month term or until a proposed financing of \$500,000 is in place whichever is later. The Company accrued loan interest of \$5,622 for the year ended January 31, 2015 and \$12,000 for the year ended January 31, 2016. During the period ended April 30, 2016, a payment on the loan was completed and \$880 of interest remains outstanding.

The Management of the Company asks the readers of this MD&A to draw attention to the Independent Auditor’s Report and note 1 of the audited financial statements for the year ended January 31, 2016, which describe certain conditions that give rise to substantial doubt about the Company’s ability to continue as a going concern. The Company’s continuing operations are dependent upon its ability to raise the required capital to complete a Qualifying Transaction.

STOCK OPTIONS

The Company established a “rolling” stock option plan (the “Plan”) for the benefit of officers and directors of the Company. The maximum number of shares available under the Plan is limited to 10% of the issued common shares.

On closing of the offering with the filing of its IPO and commencement of trading on TSX Venture Exchange on March 24, 2010, the Company granted stock options of 793,000 shares to officers and directors at a price of \$0.10 per common shares. These options are exercisable over a period of 5 years until March 24, 2015. According to the Plan, any shares issued in connections with the exercise of options before completion of Qualifying Transaction must be deposited into escrow until the issuance of Final Exchange Bulletin.

As a result of granting the stock options of 793,000 shares on March 24, 2010, stock-based compensation expenses of \$87,865 was recorded in the year ended January 31, 2011 upon vesting of the 1/3 of the total number of options after six months plus estimates for accrual of unvested options. During the twelve months period ended January 31, 2012, the Company recorded stock-based compensation expenses of \$21,218 for another vesting of 2/3 of the total number of options outstanding.

Options granted pursuant to the Plan to Directors, Officers and all Employees and Consultants employed or retained by the Company for a period of more than six months at the time the Options is granted will vest as according to the following schedule:

- a) 1/3 of the total number of options granted will vest six months after March 24, 2010;
- b) A further 1/3 of the total number of options granted will vest one year after March 24, 2010;
- c) The remaining 1/3 of the total number of options granted will vest eighteen months after March 24, 2010.

The following weighted average assumptions were used for valuing the above options:

- Risk free interest rate of 2.45%
- Expected life of options of 5 years
- Annualized volatility of 100%
- Dividend rate of 0.00%

On March 25, 2015 the stock options of 84,000 shares with an exercise price of \$0.70 per common share expired, unexercised. There were no stock options outstanding at July 31, 2016 or at the date of this report.

COMPENSATION AND TRANSACTIONS WITH RELATED PARTIES

There were no salaries and benefits paid to key employees and directors during the period ended July 31, 2016.

As at July 31, 2016, a director of the Company had advanced an amount of \$3,720 (January 31, 2016 - \$4,772) to the company. The advance is non-interest bearing, unsecured and has no term of repayment.

FINANCIAL INSTRUMENTS & OTHER INSTRUMENTS

The Company's financial instruments consist of cash, short term investment, prepaid expenses and accounts payable and accrued liabilities.

The fair value of arms-length financial instruments approximates their carrying value due to their short-term maturity.

OTHER BUSINESS

On February 16, 2016, the Company appointed two directors, Mr. David Michael Antony and Mr. Peter Christopher, effective upon the close of the Private Placement.

On March 21, 2016, Mr. Patrick Wong has resigned as President and CEO of the Company and Ms. Kitty Chan has resigned as CFO & Corporate Secretary of the Company. Mr. Azim Dhalla has assumed the offices of President, CEO, CFO and Corporate Secretary of the Company.

CRITICAL ACCOUNTING ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of impairment of equipment and resource interests, useful lives for depreciation and amortization, and cost allocations to specific projects. Financial results as determined by actual events could differ from those estimates. .

DISCLOSURE FOR VENTURE ISSUERS WITHOUT SIGNIFICANT REVENUE

The Company did not have revenues except interest income in its last three financial years.

DISCLOSURE CONTROLS AND PROCEDURES AND INTERNAL CONTROL OVER FINANCIAL REPORTING

Management has established processes, which are in place to provide them sufficient knowledge to support management representations that they have exercised reasonable diligence that (i) the audited financial statements do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it is made, as of the date of and for the period represented by the audited financial statements and that (ii) the audited financial statements fairly present in all material respects the financial condition, results of operations and cash flows of the Company, as of the date of and for the periods presented by the audited financial statements.

In contrast to the certificate required under National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings (NI 52-109), the Company utilizes the Venture Issuer Basic Certificate which does not include representations relating to the establishment and maintenance of disclosure controls and procedures (DC&P) and internal controls over financial reporting (ICFR), as defined in NI 52-109. In particular, the certifying officers filing Venture Issuer Basic Certificate are not making any representations relating to the establishment and maintenance of:

- i) controls and other procedures designed to provide reasonable assurance that information required to be disclosed by the issuer in its annual filings, interim filings or other reports filed or submitted under securities legislation is recorded, processed, summarized and reported within the time periods specified in securities legislation; and
- ii) a process to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the issuer's GAAP.

The Company's certifying officers are responsible for ensuring that processes are in place to provide them with sufficient knowledge to support the representations they are making in this certificate.

Investors should be aware that inherent limitations on the ability of certifying officers of the Company to design and implement on a cost effective basis DC&P and ICFR as defined in NI 52-109 may result in additional risks to the quality, reliability, transparency and timeliness of interim and annual filings and other reports provided under securities legislation.

Additional information relating to the Company can be found on SEDAR at www.sedar.com.

This Management Discussion and Analysis for the three and six months ended July 31, 2016 has been approved by the Board of Directors of the Company on September 26, 2016.

RISK FACTORS

As a CPC, the Company has no material commercial operations and not material assets other than cash. The Company's cash will be used to identify and evaluate businesses or assets with a view to completing a Qualifying Transaction as defined by the TSX Venture Exchange (the "Exchange").

The Company's continuing operations as intended are dependent upon its ability to raise the required capital and to identify, evaluate and negotiate an acquisition of, a participation in or an interest in properties, assets or businesses. Such an acquisition will be subject to regulatory approval and may be subject to shareholder's approval. The financial statements do not include any adjustments to assets or liabilities should the Company be unable to continue in existence.
