Item 5. 5.1 Full Description of Material Change

Pursuant to the Private Placement, the Corporation issued 451,500 Units at a purchase price of \$0.25 per Unit for gross proceeds of \$112,875. Each Unit consists of one common share in the capital of the Corporation (“**Common Share**”) and one common share purchase warrant (“**Warrant**”). Each Finder’s Warrant entitles the holder to acquire one additional Common Share at a price of \$0.25 for a period of 18 months from the closing date of the Private Placement.

The net proceeds of the Private Placement will be used by the Corporation for general corporate purposes and to execute its corporate strategy by investing in or acquiring international oil and gas assets. All securities issued under the Private Placement will be subject to a statutory four month hold period from the date of issue.
