## Purchase Price; Accrued Interest

### Purchase Price

The purchase price (in respect of each Series, the “**Purchase Price**”) for each \$1,000 principal amount of the Notes of the relevant Series validly tendered and not validly withdrawn at or prior to the relevant Expiration Deadline received by the Tender Agent at or prior to the relevant Expiration Deadline or the relevant Guaranteed Delivery Date (as defined herein), as the case may be, and accepted for purchase by the relevant Offeror, will be equal to an amount (rounded to the nearest cent) that would reflect, as of the relevant Settlement Date (as defined herein), a yield to the maturity date of such Series equal to the sum of (i) the Reference Yield (as defined in the relevant Offer to Purchase) for such Series, plus (ii) the fixed spread in respect of such Series set forth in the relevant table above (in respect of each Series, the “**Fixed Spread**”). Specifically, the relevant Purchase Price will equal (i) the value of all remaining payments of principal and interest on the Notes of the relevant Series up to and including the scheduled maturity of the relevant Series, discounted to the relevant Settlement Date, at a discount rate equal to (x) the relevant Reference Yield (as defined in the relevant Offer to Purchase) plus (y) the relevant Fixed Spread, minus (ii) any Accrued Interest in respect of the Notes of the relevant Series, in each case calculated in the manner set out in the relevant Annex to the relevant Offer to Purchase.

### *Accrued Interest*

In addition to the relevant Purchase Price, holders of the Notes accepted for purchase pursuant to the relevant Offer(s) will also receive, on the relevant Settlement Date, accrued and unpaid interest on each \$1,000 principal amount of such Notes (rounded to the nearest cent) from, and including, the last interest payment date up to, but not including, the relevant Settlement Date (“**Accrued Interest**”). Holders whose Notes are tendered and accepted for purchase pursuant to the Guaranteed Delivery Procedures will not receive payment in respect of any interest for the period from and including the relevant Settlement Date to the relevant Guaranteed Delivery Settlement Date. Accrued Interest for each \$1,000 principal amount of such Notes validly tendered and accepted for purchase will be rounded to the nearest \$0.01, with \$0.005 being rounded upwards, in accordance with the conditions of such Notes.

### **Settlement**

Unless an Offer is extended, reopened or earlier terminated, payment of the relevant Purchase Price, plus any Accrued Interest to holders of Notes that are validly tendered and not withdrawn and accepted for purchase in such Offer is expected to be made on August 10, 2022 (in respect of each Offer, the “**Settlement Date**”) or, in the case of Notes accepted for purchase pursuant to the Guaranteed Delivery Procedure, on August 11, 2022 (in respect of each Offer, the “**Guaranteed Delivery Settlement Date**”).

### **Offer Conditions**

Each Offer is not conditional upon any minimum amount of Notes being tendered. However, each Offer is conditional upon the satisfaction or waiver of certain conditions described in the relevant Offer to Purchase.

An Offeror’s obligation to accept for purchase and pay for the Notes that are validly tendered and not withdrawn in the relevant Offer is not conditioned upon the outcome of the other Offeror’s Offer.

### **Withdrawal Rights**

Notes tendered pursuant to an Offer may be withdrawn at any time before the relevant Withdrawal Deadline. In addition, if the relevant Offer is extended, the related Withdrawal Deadline will be extended to the earlier of (i) the relevant Expiration Deadline (as extended) and (ii) the 10th Business Day after the commencement of the relevant Offer (in respect of each Offer, the “**Commencement Date**”). Notes

tendered pursuant to an Offer may also be withdrawn at any time after the 60th Business Day after the relevant Commencement Date if, for any reason, that Offer has not been consummated within 60 Business Days of the relevant Commencement Date. If the relevant Offer is terminated without any Notes being purchased thereunder, the Notes tendered pursuant thereto will be promptly returned to the tendering holders.

**The relevant deadline set by DTC or any intermediary for the submission of Tender Instructions may be earlier than the deadlines set out herein.**
